9 (Jury is not present)

10 THE COURT: Good morning, everybody.

11 Where is your witness?

12 MR. LOONAM: Right here, Your Honor.

13 THE COURT: Are we ready have to start?

14 MR. LOONAM: Yes.

15 THE COURT: Bring in the jury, please.

16 J O H N R O S S , having been previously duly
17 sworn/affirmed, resumed the stand and testified further as
18 follows :

19 (The following took place in the presence of the
20 jury)

21 THE COURT: Good morning, everybody.

22 Please have a seat. Are we ready to resume?

23 MR. LOONAM: Yes, Your Honor.

24 DIRECT EXAMINATION CONTINUED

25 BY MR. LOONAM:

Ross - direct/ Loonam

1220

1 Q Good morning, Investigator Ross.

2 A Good morning.

3 Q Yesterday you testified that you had reviewed telephone
4 toll records in connection with this case, correct?

5 A Yes.

6 Q And those toll records are summarized in Government
7 Exhibit 173?

8 If I may publish on the elmo, Your Honor.

9 And yesterday we discussed toll records between
10 July 28th and August 28, 2008; correct?

11 A Yes.

12 Q All right. Right now I just want to focus on August 28th
13 of 2008. Did you review telephone records for August 28th for
14 the numbers listed on Government Exhibit 173?

15 A Yes.

16 MR. LOONAM: May I approach, Your Honor?

17 THE COURT: Yes.

18 MR. LOONAM: I'm showing the witness what has been
19 marked for identification as Government Exhibit 178.

20 Q Do you recognize Government Exhibit 178?

21 A Yes, I do.

22 Q What is Government Exhibit 178?

23 A Summary of the toll records for August 28, 2008.

24 Q Does it fairly and accurately summarize the toll records?

25 A Yes, it does.

Ross - direct/ Loonam

1221

1 MR. LOONAM: The government moves 178 into evidence.

2 THE COURT: Any objection?

3 MR. GOTTLIEB: No objection.

4 THE COURT: Received.

5 (Government Exhibit 178 received and marked in
6 evidence).

7 MR. LOONAM: May I publish?

8 THE COURT: Yes.

9 Q Investigator Ross, do the color codings on Government
10 Exhibit 173 corresponds to the colors on 178?

11 A Yes.

12 Q Now, how many contacts were there between the Najibullah
13 Zazi prepaid says and Adis Medunjanin cell on August 28, 2008?

14 A There were nine.

15 Q How many contacts were there between the Zarein Ahmedzay,
16 and the Adis Medunjanin on August 28th?

17 A Two.

18 Q And finally, how many contacts were there between
19 Najibullah prepaid cell and Zarein Ahmedzay on August 8th?

20 A There were five.

21 Q After August 28, 2008 what is the next day that toll
22 records show any connectivity whatsoever between these phones?

23 A February 4th, 2009.

24 Q And that is reflected in Government 173, correct?

25 A Yes.

Ross - direct/ Loonam

1222

1 Q This reflects the tolls from 8/28, correct?

2 A Yes.

3 Q This is where 8/28 ends call 7:51 p.m. between Zarein
4 Ahmedzay cell phone and the Najibullah Zazi prepaid?

5 A Yes.

6 Q And the next call that is reflected in the record is
7 what?

8 A February 4, 2009.

9 Q And that call was between who?

10 A Between Adis and Zarein.

11 Q The Adis Medunjanin cell phone and Zarein Ahmedzay cell
12 phone?

13 A Yes.

14 Q Do you have any indication that Najibullah Zazi continued
15 the use the same prepaid cell phone number in 2009 as he used
16 in 2008?

17 A He did not use the same number.

18 Q What is the next telephone number that you have records
19 for that are associated with the Najibullah Zazi?

20 A 303 500 2877 also indicated in green.

21 Q So this number here?

22 A Correct.

23 Q So going back to Government Exhibit 173, so for this time
24 period from February 4, 2009 up until March 17, 2009 do you
25 have any records -- toll records that you were able to analyze

Ross - direct/ Loonam

1223

1 for Najibullah Zazi?

2 A No.

3 Q Now, did the toll records for the Najibullah cell phone
4 which is the 303 500-2877 phone number, do those toll records
5 contain records for text messages?

6 A No, they do not.

7 MR. LOONAM: Your Honor, if I can, I'm going to
8 publish government 136 which is in evidence and I'm going to
9 ask Investigator Ross just to read A and B -- not the whole,
10 just A and B.

11 A (Reading): On June 23, 2009 Najibullah Zazi travelled
12 from Denver International Airport in Denver, Colorado to John
13 F. Kennedy, Queens, New York aboard Jet blue flight number
14 98.

15 On June 27, 2009 Najibullah Zazi travelled from John
16 F. Kennedy Airport, Queens, New York to Denver International
17 Airport in Denver, Colorado aboard Jet blue Flight 97.

18 Q Now, did you review telephone toll records for this time
19 period between June 23rd, 2009 and June 27, 2009?

20 A Yes, I did.

21 MR. LOONAM: I will be publishing 173.

22 May I approach, Your Honor?

23 THE COURT: Yes.

24 MR. DINNERSTEIN: Your Honor, may I look just to see
25 the board?

Ross - direct/ Loonam

1224

1 THE COURT: Of course.

2 MR. DINNERSTEIN: Thank you.

3 Q Showing the witness what's been marked for identification
4 as Government Exhibit 179. Investigator Ross, do you recognize
5 Government Exhibit 179?

6 A Yes.

7 Q What do you recognize it to be?

8 A The toll records summary chart for the phones in question
9 between June 23, 2009 through June 27, 2009.

10 Q And does this exhibit fairly and accurately summarize the
11 toll records that you reviewed?

12 A Yes.

13 MR. LOONAM: The government moves Exhibit 179 into
14 evidence at this time.

15 MR. GOTTLIEB: No objection.

16 THE COURT: So I am clear, that is a subset of this
17 larger exhibit?

18 MR. LOONAM: It is.

19 THE COURT: Received.

20 (Government Exhibit 179 received and marked in
21 evidence)

22 THE COURT: Mr. Dinnerstein, if you want to move
23 that chair, feel free to, so you are comfortable.

24 MR. DINNERSTEIN: Thank you, Judge.

25 MR. LOONAM: May I publish?

Ross - direct/ Loonam

1225

1 THE COURT: Yes.

2 Q Okay. During this time period of June 23, 2009 and
3 June 27, 2009, how many contacts were there between the
4 Najibullah Zazi cell phone and Adis Medunjanin cell phone?

5 A There were seven.

6 Q How many of those contacts were initiated by the Adis
7 Medunjanin cell phone?

8 A Four.

9 Q How many contacts were there between the Adis Medunjanin
10 cell phone and Zarein Ahmedzay cell phone?

11 A Seven.

12 Q How many contacts were there between the Najibullah Zazi
13 cell phone and Zarein Ahmedzay cell phone during this period?

14 A One.

15 Q And again, the Adis Medunjanin cell phone is indicated on
16 yellow on that exhibit, correct?

17 A Yes.

18 Q And what color is the Najibullah Zazi cell phone
19 indicated on?

20 A Green.

21 Q And Zarein Ahmedzay cell phone, what part is that
22 indicated on?

23 A Purple.

24 MR. LOONAM: Your Honor, I'm going to publish 136
25 again, and I will ask the agent to read Government Exhibit 136

Ross - direct/ Loonam

1226

1 in evidence and just paragraphs C and D.

2 A (Reading): On August 17, 2009 Najibullah Zazi travelled
3 from Denver International Airport in Denver, Colorado to John
4 F. Kennedy in Queens, New York aboard Jet blue flight number
5 98.

6 On August 19, 2009 Najibullah Zazi travelled from
7 John F. Kennedy International Airport in Queens, New York to
8 Denver International Airport, in Denver Colorado aboard Jet
9 blue flight number 97.

10 Q Investigator Ross, did you have an opportunity to review
11 the cell phone records for the time period between August 17th
12 to August 20th?

13 A Yes.

14 Q All right. And that takes the toll records to a day after
15 Najibullah Zazi returned to Colorado according to that
16 stipulation, correct?

17 A Yes.

18 MR. LOONAM: May I approach, Your Honor?

19 THE COURT: Yes.

20 Q Showing the witness what is marked for identification as
21 Government Exhibits 180 and 180 A?

22 Do you recognize Government Exhibits 180 and 180 A?

23 A Yes.

24 Q And what you do recognize them to be?

25 A Those are a summary charts of the call records of all the

Ross - direct/ Loonam

1227

1 phones in question that covered August 17, 2009 through
2 August 20th, 2009.

3 Q Do the exhibits fairly and accurately summarize the toll
4 records which you reviewed?

5 A Yes.

6 MR. LOONAM: Your Honor, the government offers 180
7 and 180-A.

8 MR. GOTTLIEB: No objection.

9 THE COURT: Received.

10 (Government Exhibit 180, 180-A so marked)

11 MR. LOONAM: May I publish?

12 THE COURT: Yes.

13 Q All right. For this time period between August 17, 2009
14 and August 20th, 2009 how many contacts were there between
15 Adis Madunjanin and Najibullah Zazi cell phone during this
16 time period?

17 A There were nine.

18 Q And how many of those contacts were initiated by the Adis
19 Medunjanin cell phone?

20 A Eight.

21 Q How many contacts were there between Zarein Ahmedzay cell
22 phone and the Adis Medunjanin cell phone during this time
23 period?

24 A Eight.

25 Q And how many contacts were there between the Zarein

Ross - direct/ Loonam

1228

1 Ahmedzay cell phone and the Najibullah Zazi cell phone during
2 this period?

3 A Eighteen.

4 Q So 18 contacts, this is a period of how many days?

5 A It's three days.

6 Q Did you have an opportunity to review the cell phone
7 records for June -- I'm sorry -- toll records for June 4,
8 2009?

9 A Yes, I did.

10 MR. LOONAM: May I approach, Your Honor?

11 THE COURT: Yes.

12 Q I am showing the witness what has been marked Government
13 Exhibit 181 for identification.

14 A That is September 4th.

15 Q I'm sorry.

16 You reviewed toll records for September 4, 2009?

17 A Yes.

18 Q And I'm showing the witness what is marked as Government
19 Exhibit 181 for identification.

20 Do you recognize this exhibit?

21 A Yes.

22 Q What do you recognize it to be?

23 A Summary chart of the contacts between the phones that
24 were in question for September 4, 2009.

25 Q And does it fairly and accurately reflect the toll

Ross - direct/ Loonam

1229

1 records you reviewed?

2 A Yes.

3 MR. LOONAM: The Government offers 181 at this time
4 , Your Honor.

5 MR. GOTTLIEB: No objection.

6 THE COURT: Received.

7 (Government Exhibit 181 received and marked in
8 evidence)

9 MR. LOONAM: May I publish?

10 THE COURT: Yes.

11 Q Investigator Ross, when I've been referencing contacts,
12 that includes, calls, text messages missed calls, voice mails,
13 correct?

14 A Correct.

15 Q Do you know what the contents of any of those
16 communications are based on the toll records?

17 A No.

18 Q On June 4th how many contacts were there between
19 Najibullah Zazi and Adis Medunjanin?

20 A Four.

21 Q I'm sorry. Did I say -- on September 4th -- I misspoke
22 -- how many contacts were there between Najibullah Zazi and
23 Adis Medunjanin, cell phones?

24 A Four on September 4th.

25 Q And how many contacts were there on September 4th between

Ross - direct/ Loonam

1230

1 Najibullah Zazi and Zarein Ahmedzay?

2 A One.

3 Q Drawing your attention to 11:53 on September 4th of 2009,
4 do you see a text message from the Najibullah Zazi cell phone
5 to the Zarein Ahmedzay cell phone?

6 A Yes.

7 MR. LOONAM: I am going to publish what is in
8 evidence as Government Exhibit 209-A, and I'm turning to text
9 message section of this exhibit.

10 Q On this exhibit you see a text message from Najibullah
11 Zazi's cell phone number?

12 A Yes.

13 Q All right. Which entry is that for September 4th of 2009?

14 A It is the second one down from the top.

15 Q I see.

16 So if I move this over so the numbers --

17 A Number eight.

18 Q Number eight. Okay.

19 So here -- and the name that is associated with this
20 phone number in this phone was what?

21 A Nanz N-A-N-Z.

22 Q And what is the subject -- what is the content of that
23 text that was contained on this phone?

24 A Salemaleikum inshallah, no rental car.

25 Q That text message is 11:53 from the Najibullah Zazi's

Ross - direct/ Loonam

1231

1 cell to the Zarein Ahmedzay cell, correct?

2 A Yes.

3 Q Now, at 11:53 did the Najibullah Zazi cell phone send any
4 other text during that same minute of 11:53 a.m. September 4,
5 2009?

6 A Yes.

7 Q And who did or which phone did the Najibullah Zazi cell
8 phone send a text message to at that same minute?

9 A Adis cell phone.

10 Q The Adis Medunjanin cell phone?

11 A Yes.

12 MR. LOONAM: Going to publish what's in evidence as
13 Government Exhibit 207-A.

14 Q What is Government Exhibit 207-A?

15 A It's what is called a cell bright report or forensic
16 phone download of a phone with the IMEI number of
17 358265012463912.

18 Q Flipping through this phone download, and when was this
19 download created?

20 A September 19th, 2009.

21 Q Flipping through this do you see contact entry for the
22 Najibullah Zazi cell phone in this phone?

23 A Yes.

24 Q Which item is that?

25 A Item number 37.

Ross - direct/ Loonam

1232

1 Q So indicating here.

2 And what is the contact name listed on this phone.

3 A Najib N-A-J-I-B.

4 Q Najib.

5 A Najib. Najib.

6 Q Okay. I'm turning to the text message portion of this
7 report, and does this report contain or indicate that the
8 phone that it was taken from has cell phone messages or text
9 messages that predated September 4, 2009?

10 A Yes.

11 Q And did this phone contain text messages which post dated
12 September 4, 2009?

13 A Yes.

14 Q Does this phone -- did this phone on September 19th
15 contain any text message for September 4, 2009?

16 A No.

17 Q Based on your training and experience if a text message
18 is sent to a phone what are the possible ways that it could no
19 longer appear on the phone?

20 A The phone only contains a certain amount of memory, so as
21 the text messages or information builds up, the phone
22 automatically deletes the oldest ones. That is one way. The
23 other way would be it would be manually deleted by somebody.

24 Q And so, if there are messages on a phone that predate the
25 sending of a text, would that text -- could that text have

Ross - direct/ Loonam

1233

1 been deleted through this automatic deletion that you're
2 referring to?

3 A No. It would indicate that the texts that would have
4 shown on September 4, 2009 were manually deleted.

5 Q Now, let's walk through September 4, 2009 and the
6 contacts between the Najibullah Zazi cell phone and the Adis
7 Medunjanin cell phone. The first contact we have just
8 discussed is 11:53 a.m., correct?

9 A Yes.

10 Q And that is this text message?

11 A Yes.

12 Q All right. And then what is the next contact between the
13 Najibullah Zazi cell and the Adis Medunjanin cell?

14 A On 11:55 a.m. the Adis Medunjanin cell initiates a text
15 to the Najibullah Zazi cell.

16 Q So there an 11:53 text, then 11:55 text?

17 A Yes, correct.

18 Q And what is the next contact after that?

19 A There's an 11:56 a.m. text that was initiated by the Adis
20 Medunjanin cell phone to the Najibullah Zazi cell phone.

21 Q And then, finally, what is the last contact between the
22 Adis Medunjanin cell phone, and the Najibullah Zazi cell phone
23 on September 4, 2009?

24 A 11:59 a.m. there's a text that's initiated by Najibullah
25 Zazi cell phone to the Adis Medunjanin cell phone.

Ross - direct/ Loonam

1234

1 Q Do any of those September 4th text messages between the
2 Najibullah Zazi cell phone and the Adis Medunjanin cell phone,
3 are those reflected in Government Exhibit 207-A?

4 A No.

5 MR. LOONAM: Publishing Government Exhibit in
6 evidence 173. I'm going to flip to September 10th of 2009 on
7 this exhibit.

8 Now, before we do anything further, Your Honor, I'd
9 like to read a brief stipulation in the record which is marked
10 as Government Exhibit 172-A for identification.

11 THE COURT: Okay. 172-A is received.

12 (Government Exhibit 172-A\ received and marked into
13 evidence).

14 MR. LOONAM: (Reading): If called to testify A
15 representative from the Sprint would testify that Government
16 Exhibits 169 and 170 --

17 THE COURT: Slow down. Slow down.

18 MR. LOONAM: Yes, sir.

19 (Reading): If called to testify a representative
20 from Sprint would testify that Government Exhibits 169 and 170
21 contain true and accurate records for telephone number (917),
22 217-3319, and that all of these records are kept in the
23 ordinary course of business by Sprint.

24 The parties agree to the authenticity of Government
25 Exhibits 169 and 170.

Ross - direct/ Loonam

1235

1 The parties further agree to the admissibility of
2 this stipulation which is has been marked for identification
3 as Government Exhibit 172-A.

4 THE COURT: All right. 169 and 170 are received.

5 (Government Exhibits 169 and 170 are received and
6 marked in evidence)

7 Q How many contacts are there on September 10th and 11th
8 between the Najibullah Zazi's cell phone and the Zarein
9 Ahmedzay cell phone?

10 A There were five in total.

11 Q How many contacts are there between the Najibullah Zazi
12 cell phone and what I will a refer to as the funeral home cell
13 phone?

14 A Thirteen.

15 Q And the funeral home cell phone is indicated in what
16 color on Government Exhibit 173?

17 A Blue.

18 Q And the first contact in those records between the
19 funeral home cell phone and the Najibullah Zazi cell phone
20 appears where or when?

21 A On September 11, 2009 at 11:34 a.m.

22 Q So that this record here?

23 A Yes.

24 Q How many contacts are there between the Adis Medunjanin
25 and the funeral home cell phone between September 10th and

Ross - direct/ Loonam

1236

1 September 11th?

2 A Three.

3 Q And when is the first contact between Adis Medunjanin and
4 the funeral home cell phone?

5 A September 11th, 2009 at 11:51 a.m.

6 Q So that's this record here?

7 A Yes, correct.

8 Q It is followed up by 12:09?

9 A Yes.

10 Q How many contacts were there between the Najibullah Zazi
11 cell phone and the Adis Medunjanin cell phone between
12 September 10th and 11th, 2009?

13 A One.

14 Q Is that call indicated on the summary chart?

15 A Yes.

16 Q What time was that call at?

17 A 3:36 p.m.

18 Q Is that this line here?

19 A Yes.

20 Q And who initiated that call?

21 A Adis Medunjanin's cell phone.

22 MR. LOONAM: Your Honor, at this time I'd like to
23 read another portion of a brief stipulation into the record.
24 The stipulation is marked for identification as Government
25 Exhibit 118.

Ross - direct/ Loonam

1237

1 THE COURT: 118 is received.

2 (Government Exhibit 118 received and marked in
3 evidence)

4 MR. LOONAM: The relevant portion of the stimulation
5 reads: Government Exhibit 115 is a recording of a telephone
6 conversation between the defendant Adis Medunjanin and
7 Najibullah Zazi that was lawfully obtained by the government.

8 Government Exhibit 115-T is an accurate transcript
9 of Government Exhibit 115.

10 Government Exhibits 115-T accurately indicates the
11 date and time at which the recorded conversation began and
12 accurately indicates the telephone numbers involved in the
13 call.

14 Government Exhibit 115 in this stipulation, which is
15 marked for identification as Government Exhibit 118, is
16 admissible into evidence.

17 THE COURT: All right. 115 is received.

18 (Government Exhibit 115 received and marked in
19 evidence).

20 MR. LOONAM: Are the transcripts in the binders?

21 If the jurors, could they please open up their
22 binders to Government Exhibit 115-T.

23 THE COURT: Yes.

24 I take it the stipulation doesn't embrace 115-T
25 being received into evidence; is that correct.

Ross - direct/ Loonam

1238

1 MR. LOONAM: Yes, that is correct, Your Honor.

2 THE COURT: All right.. it's the first tab in here,
3 at least it is the first tab in mine and again, ladies and
4 gentlemen, don't -- there's another, in addition to that Dot
5 (ph) transcript, I think there's a third transcript that we
6 have not gotten to yet, don't forage around. Just focus your
7 attention on the transcript we've invited your attention to.

8 All right. You're going to play this 115?

9 MR. LOONAM: Yes, Your Honor, but we will publish.

10 THE COURT: This is a podium laptop.

11 MR. LOONAM: Yes, Your Honor.

12 (Tape played); (Tape stopped)

13 Q All right. Investigator Ross, you know what an IP address
14 is?

15 A Yes.

16 Q What isn't IP address?

17 A IP address is a unique numerical number that gets
18 assigned to a piece of computer equipment that wants to
19 communicate with a network. Generally it's with the internet
20 or the worldwide web and allows the computer to send and
21 receive messages.

22 MR. LOONAM: I'm going to publish what's already in
23 evidence as Government Exhibit 264.

24 Q What is this?

25 A It's an IP history log for a hot mail e-mail account

Ross - direct/ Loonam

1239

1 which is -- the e-mail account is ZAZMJHD@hotmail.com.

2 Q That's indicated here?

3 A Yes.

4 Q And on what date was this e-mail account opened or
5 activated?

6 A On November 27th, 2008.

7 Q And based on the IP information where was the IP assigned
8 out of that -- initiated this e-mail address?

9 A The IP address is 116.71.220.132.

10 Q And is that associated with the geographical location?

11 A Yes.

12 Q What geographical location is that?

13 A Pakistan.

14 Q I'm going to show you what's in evidence as Government
15 Exhibit 251. What is Government Exhibit 251?

16 A It is an IP history log for a Yahoo e-mail account and
17 the e-mail account is ZAZMJHD@yahoo.com.

18 Q And looking at the last entry on this log -- first of
19 all, what does this column indicate here, log-in time?

20 A That indicates the date and time that the user of that
21 e-mail account logged in from and the date and time that they
22 logged in.

23 Q All right. And indicating here is there a log-in
24 indicated for December 3rd, 2008?

25 A Yes, there is.

Ross - direct/ Loonam

1240

1 Q And what is the IP associated with that log-in?

2 A 119.30.76.100.

3 Q And is there a geographical location that is associated
4 with that IP address?

5 A Yes.

6 Q And what geographical location is that?

7 A Pakistan.

8 MR. LOONAM: I would like to publish what is in
9 evidence as Government Exhibit 261.

10 Q What is Government Exhibit 216?

11 A IP log history for a yahoo e-mail account
12 Sana_Pakhtana@yahoo.com

13 Q Again, this a log-in time?

14 A Yes.

15 Q And I'm going to direct your attention to September 6th,
16 is there a log-in time for September 6th reflected in
17 Government Exhibit 261?

18 A Yes.

19 Q Please tell us what that record reflects with respect to
20 that log-in time?

21 A The IP address.

22 Q Well, was there a log-in on September 6th?

23 A Yes, log-in at September 6th on Sunday at 11:08 hours
24 GMT.

25 Q And that is September 6, 2009, correct?

Ross - direct/ Loonam

1241

1 A Yes.

2 Q And what was the IP address associated with that log-in?

3 A 116.71.217.18.

4 Q And there is a geographical location associated with that
5 IP address?

6 A Yes.

7 Q What is the geographical location associated with that IP
8 address?

9 A Pakistan.

10 Q What was the next log-in date after the September 6th,
11 2009 log-in date?

12 A September 12, 2009.

13 Q All right. And again, what was the IP address for that
14 log-in?

15 A 119.153.14.87.

16 Q And again, is there a geographical location associated
17 with that IP address?

18 A Yes.

19 Q What is that geographical location?

20 A Pakistan.

21 Q Were there any log-ins for the SANA_PKHTANA e-mail
22 between September 6th and September 12th?

23 A No.

24 MR. LOONAM: One moment, Your Honor.

25 (Government counsel conferred).

Ross - cross/ Gottlieb

1242

1 MR. LOONAM: No further questions, Your Honor.

2 THE COURT: Thank you, Mr. Loonam.

3 MR. Gottlieb.

4 CROSS-EXAMINATION

5 BY MR. GOTTLIEB:

6 Q Good morning.

7 A Good morning.

8 Q You were asked to review the actual phone records,
9 correct?

10 A Yes.

11 Q And were you aware that FBI agents spoke to Najibullah
12 Zazi many times and asked him questions about those phone
13 records?

14 A I know they spoke to him many times. I am not aware of
15 the exact questions they asked him about the phone records.

16 Q Well, as part of your work did you learn that Zazi, in
17 fact, was shown these records that you reviewed?

18 A No, I am not aware he was shown the records.

19 Q Do you know, based on the work you did in preparing these
20 charts, do you know whether or not agents specifically asked
21 Zazi if he recalled speaking to Adis Medunjanin and did he
22 recall what was said during those conversations?

23 A No, I'm not aware of those conversations.

24 Q Same thing with regard to the records as they pertain to
25 Zarein Ahmedzay, based on the work you did are you aware that

Ross - cross/ Gottlieb

1243

1 the agents spoke to Zarein Ahmedzay and asked him about those
2 same phone records?

3 A No, I'm not aware of that.

4 Q Now, with regard to the records themselves, if you look
5 at 173 in evidence, and if we look at -- for example, if we
6 look at February 8th of 2009 and we have just from the records
7 contact that is -- that is shown on the billing records
8 between Adis Medunjanin and Zarein's phone numbers, correct?

9 A Yes.

10 Q And then that last column that shows AM cell and ZA cell,
11 is it fair to say that in looking this at this document in
12 evidence that last column, that means that if you look at the
13 actual cell phone records for Adis Medunjanin on that
14 particular day at that particular time, the call will be
15 reflected on the chart as you indicated, the AM cell, correct?

16 A Yes.

17 Q And if you look at those same records all that you will
18 see is that on that day at that time that record will show --
19 that contact will show and appear on Zarein's record as well,
20 correct?

21 A Yes.

22 Q And if you look at this chart, and all the charts that
23 you prepared, as well as 173, if only the word AM cell appears
24 in that last column, fair to say that that means that the
25 particular contact only appears on Adis' cell phone records,

Ross - cross/ Gottlieb

1244

1 correct?

2 A Yes.

3 Q Even though the chart shows that there appears to be
4 contact between Adis and Zarein's cell phone, correct?

5 A Yes.

6 Q And the reason for that, as you explained, is there could
7 be a number of reasons, correct?

8 A Yes.

9 Q It could be that the call that was or the contact that it
10 comes from, Adis' cell phone to Zarein's cell phone or any
11 other cell phone, it could be that the receiving cell phone
12 was shut off, correct?

13 A Yes.

14 Q It could be that no one answered the receiving cell
15 phone, correct?

16 A Yes.

17 Q It could mean that even if there was contact there was no
18 voicemail left on the receiving phone call -- phone, correct?

19 A Yes.

20 Q And is it fair to say that even based on these charts, if
21 there's only one notation of what bill it appears on, it may
22 be because a voice message alone was left on the receiving
23 cell phone?

24 A That's correct.

25 Q And you also told us that there's another reason why in

Ross - cross/ Gottlieb

1245

1 that last column it would only appear -- one cell phone would
2 only appear on one record. You told us that the call was
3 received but the billing system for some unknown reason just
4 didn't pick it up?

5 A That's correct.

6 Q So even based on your experience and training in
7 preparing these charts, is it fair to say that you really may
8 not have the accurate record of what transpired between the
9 calls -- both sending the calls and receiving the calls,
10 correct?

11 A No, I wouldn't say that.

12 Q Well, you would agree that even if -- based on your
13 experience, the billing systems for some reason don't even
14 sometimes pick up on the billing records, correct?

15 A Based on my experience if a call generates a record,
16 whether it's on the receiving end or the originating end,
17 there was a call that was made, so there was definitely a call
18 made.

19 Q And other than a call being made by a cell phone to some
20 other cell phone, you can't say, and these charts don't say,
21 whether or not it was received by the receiving end, correct?

22 A Correct.

23 Q It doesn't show whether or not the receiving end even
24 picked up the call, correct?

25 A Correct.

Ross - cross/ Gottlieb

1246

1 Q All these charts show what the paper records, the
2 computerized records from these phone companies, reflect
3 correct?

4 A It shows that calls were -- calls and texts were sent.

5 Q Did you tell us also that the most common reason for only
6 one persons's cell appearing in the record is that the call
7 was not answered by the terminating number?

8 A Correct.

9 Q So if you look at 173, just as an example, and you look
10 at the first line, 728, originating number which is
11 Adis Medunjanin's cell phone, terminating number which is a
12 Adir's cell phone number, it shows duration one minute and
13 Exhibit AM cell, correct?

14 A Yes.

15 Q You have no ways to know if that call was actually
16 answered by the terminating number, correct?

17 A Correct.

18 Q You were asked about August 2nd of 08 on 173. That was
19 the record that shows a time of 2:22 -- withdrawn. It
20 reflects 2:22 p.m. and it also right under that 6:21 p.m.,
21 some four hours later. What was your explanation for that
22 four hours?

23 A The 212 671-2381 colored in green, there is a T-Mobile
24 prepaid cell phone. All T-Mobile prepaid cell phones, the
25 business records for those are all generated from a facility

Ross - cross/ Gottlieb

1247

1 out on the west coast so they're all four hours difference.

2 Q Is that California four hours, or is it three hours?

3 A It is four hours on there-- for whatever reason, their
4 facility is out on the west coast and there's a four-hour
5 difference in the billing records for all T-Mobile prepaid
6 phones.

7 Q And you understand that Pacific time is three hours
8 difference?

9 A I understand, yes.

10 Q But the phone companies don't understand?

11 A Apparently not.

12 Q Now, the duration of the calls that are in these charts,
13 time and time again, even on this first page 137, we see
14 duration one minute, correct?

15 A Yes.

16 Q You testified that that column reflects also the duration
17 of the call or the text, correct?

18 A Yes.

19 Q And you're aware, are you not, that even when it is
20 indicated one minute, that does not necessarily reflect that
21 each of calls so indicated actually lasted one minute,
22 correct?

23 A Correct. Those are the billable minutes.

24 Q And in fact, in analyzing the telephone records you would
25 agree that one minute simply reflects also the minimum time

Ross - cross/ Gottlieb

1248

1 for billing purposes and that the calls, in fact, could be any
2 time under one minute, correct?

3 A That's correct.

4 Q And fair to say that the same would be true for the
5 duration of any call that may even be listed as two minutes or
6 three minutes, specifically that that does not mean for anyone
7 analyzing these records that the call lasted either two or
8 three minutes, correct?

9 A It doesn't have to mean that, no.

10 Q Now, in reviewing the original cell phone records, you
11 are aware that they also -- the records themselves, not the
12 summary charts, the records the phone records themselves, also
13 reflect when a person retrieves a voice message, correct?

14 A Yes.

15 Q In fact, cell phone records reflect the exact date and
16 time that an individual actually retrieves a voicemail
17 message, correct?

18 A Certain instances, yes.

19 Q And you, having reviewed those original telephone
20 records, you are aware that between February of 2009 and
21 September of 2009, there were instances when both Zarein
22 Ahmedzay and Adis Medunjanin retrieved voice messages,
23 correct?

24 A Yes.

25 Q Now, in your summary charts, the government charts, they

Ross - cross/ Gottlieb

1249

1 do not reflect any of those instances, do they?

2 A No.

3 Q Now, again, looking at Government Exhibit 173,
4 specifically April 13th at 6:16 a.m., a record indicating
5 contact between Adis Medunjanin's cell phone and Zarein
6 Ahmedzay's cell phone, it indicates one minute, correct?

7 A Yes.

8 Q And you're not able to say whether or not that one minute
9 notation reflects an actual conversation or a voice message,
10 correct?

11 A Well, in general because it showed up in the two billing
12 records that I would say that it was answered and someone
13 actually spoke.

14 Q You're not saying that if a phone is actually turned on
15 and a person leaves a voice message on that phone, are you
16 saying that it will not appear on both cell phone records for
17 billing purposes?

18 A Most times, not.

19 Q Sometimes yes?

20 A Yes, sometimes it could, but most times, not.

21 Q And in this case you don't know which applies, do you?

22 A No, but in general I would say that that call was
23 answered by a person.

24 Q But you don't know?

25 A No, no.

Ross - cross/ Gottlieb

1250

1 Q Based on your review and based on all these summary
2 charts, is it fair to say that it is impossible for anyone to
3 determine the amount of actual voice-to-voice contact between
4 Adis Medunjanin and either Zarein Ahmedzay or Najibullah Zazi,
5 correct?

6 A Correct.

7 Q In April of 2009 did you have a chance to see how many
8 notations, how many billing records, actually reflect Adis
9 being the original caller to Zazi in April of 2009?

10 A If I can look back at my notes I think I might. Okay.
11 April 2009 contacts between who?

12 Q Contacts in which Adis Medunjanin is the originating
13 caller to Zazi.

14 A I showed there's no contacts.

15 Q And even in April of 2009 where you indicated, I believe,
16 there were four notations from Zazi to Adis, April 26th,
17 looking at 173 in evidence, at 12:39 p.m., it indicates a
18 duration of 17 seconds?

19 A Yes.

20 Q And on April 26th, 2009 originating call on the cell
21 phone of Zazi to Adis Medunjanin's cell phone, 15 seconds?

22 A Yes.

23 Q In May of 2009 do the records reflect any calls
24 originating from Adis Medunjanin to Zazi?

25 A No.

Ross - cross/ Gottlieb

1251

1 Q Now, based on your experience do you know what the term
2 pocket dial means?

3 A Yes.

4 Q Are you aware that the FBI agents specifically asked Zazi
5 about calls to Adis Medunjanin in which the issue of
6 inadvertent pocket dials having been raised?

7 A I'm not aware of the agents asking about pocket dials.

8 Q Well, as you were preparing the summary charts, did you
9 have conversations with the prosecutors in which they
10 discussed with you the issue of inadvertent calls in dialings?

11 A Yes.

12 Q So as you prepared these summary charts you were aware
13 that there was an issue about Zazi -- Zazi's records
14 reflecting calls that were, in fact, inadvertent dials,
15 correct?

16 A I was made aware of those after the chart was actually
17 made.

18 Q And you didn't note anywhere on the chart all of the days
19 in which Zazi said may have been the result of inadvertent
20 calls or pocket dials, correct?

21 A I noted them on my notes. Yeah, there were two calls, I
22 believe.

23 Q Is it your understanding there were two calls or were
24 there more calls that Zazi told the agents were inadvertent
25 calls?

Ross - cross/ Gottlieb

1252

1 A I'm aware of only two.

2 Q Did you speak to Zazi yourself?

3 A No.

4 Q As you were preparing these charts for the jury did you
5 think it might be important to meet with the person who
6 indicated to agents that there were inadvertent dials that
7 were reflected on his telephone records, did you think that
8 was important?

9 A I wasn't aware that that occurred until very recently.

10 Q There were a few calls here that run 400 seconds. Did
11 you ask any of the agents about the possible significance of
12 those calls that run 400 seconds?

13 A No.

14 Q For example, again on 173, April 2, 2009, originating
15 call Zazi, terminating call Adis Medunjanin, 400 seconds,
16 8 minutes, do you see that?

17 A Yes.

18 Q You didn't question any of the agents or Zazi about that
19 particular billing?

20 A No.

21 Q And looking at the records for September 10, 2009, can
22 you tell us whether there were any texts from Zazi to Adis
23 Medunjanin's phone September 10th, 2009?

24 A You mean you put the chart up -- can you put the chart up
25 on the --

Ross - cross/ Gottlieb

1253

1 Q I'm sorry.

2 THE COURT: Slide over.

3 THE WITNESS: Can you move it over a little bit.

4 THE COURT: Thank you.

5 A Now what was your question.

6 Q Were there any texts from Zazi's phone to Adis
7 Medunjanin's phone?

8 A On September 10th, 2009, no.

9 Q With regard to these last calls that you told us about,
10 we listened to the telephone conversation, that funeral home
11 number, that is the number that's connected to the person
12 whose voice we heard on that tape as you understand it, a
13 Ahmad Wais Afzali, correct?

14 A Yes.

15 Q And did you learn --

16 A No, I'm sorry. That wasn't a call between Afzali. Not
17 that I'm aware of.

18 Q Were you aware that Afzali -- were you told, as you were
19 preparing these charts for that day, were you prepared that
20 photographs of Adis Medunjanin and Zazi and Zarein were shown
21 to Ahmed Wais Afzali?

22 A I wasn't prepared but I am aware of that from general
23 knowledge of the case.

24 MR. GOTTlieb: Thank you, very much.

25 THE COURT: Thank you, Mr. Gottlieb.

Ross - redirect/ Loonam

1254

1 Is there any redirect.

2 MR. LOONAM: Very briefly, Your Honor.

3 THE COURT: Okay.

4 REDIRECT EXAMINATION.

5 BY MR. LOONAM:

6 Q Looking at the Government Exhibit 173, does Government
7 Exhibit 173 reflect statements made by Najibullah Zazi to the
8 FBI?

9 A No.

10 Q You were asked questions about that on cross-examination,
11 correct?

12 A Yes.

13 Q Does Government Exhibit 173 reflect information that
14 Zarein Ahmedzay provided to the FBI?

15 A No.

16 Q Does Government Exhibit 173 reflect any statements that
17 the defendant --

18 THE COURT: We get this. You can sum up. It
19 reflects what it reflects.

20 Q Now, you were asked some questions about the recording
21 that we heard from a call on September 11th, correct?

22 A Yes.

23 Q And that call occurred at 3:36 p.m. on September 11th?

24 A Yes.

25 Q And that call is between which phone numbers?

Ross - redirect/ Loonam

1255

1 A Between the Adis cell phone and Zazi cell phone.

2 Q And you were asked questions on cross examination about
3 contact with the Adis Medunjanin cell phone, I believe, in
4 April of 2009; is that correct?

5 A Yes.

6 Q If you looked at the April 2009 records, I have them up
7 on the elmo here, and this goes on this page, we have the
8 records from April 2nd, 2009 down to April 14th. When I turn
9 the page we have April 14th to April 27th and if I turn the
10 page again you have April 27th to April 29th, correct?

11 A Yes.

12 Q Were you able to tally the number of contacts between
13 Adis Medunjanin cell phone and Zarein Ahmedzay cell during
14 April of 2009?

15 A Yes.

16 Q How many contacts were there between the Adis Medunjanin
17 cell phone and Zarein Ahmedzay cell phone for April 2009?

18 A Forty-four.

19 Q For example, I direct your attention this entry here
20 which is for 2:39 a.m., correct?

21 A Yes.

22 Q Directing your attention to first call of -- let me zoom
23 in a little bit -- of 4/27/2009. What is the first call made
24 on these records on April 27, 2009, at what time?

25 A At 5:47 a.m.

Ross - redirect/ Loonam

1256

1 Q From which phone to which phone?

2 A From Adis cell phone to the Zarein cell phone.

3 Q Just flipping back a page to April 14, 2009, what is the
4 first call on April 14, 2009 reflected on these records?

5 A Six a.m.

6 Q And that call goes from which phone to which phone?

7 A From the Adis cell phone to the Zarein cell phone.

8 Q And again, if you just go up to April 7th of 2009, again,
9 is there a call early in the morning?

10 A Yes, 6:15 a.m. between the Adis cell phone and Zarein
11 cell phone.

12 Q Did you tally the contacts between the Adis Medunjanin
13 cell phone and Zarein Ahmedzay cell phone for February of
14 2009?

15 A Yes, I believe I did. Let me just go back to my notes
16 (perusing). No, I don't think we had February.

17 Q Did I catch the one --

18 A You caught the one month, yes, thank you.

19 Q Safe to say looking at the records for February, which
20 are currently on the elmo, there are a significant number of
21 contacts through the month of February between the Adis
22 Medunjanin cell phone and Zarein Ahmedzay cell phone?

23 MR. GOTTLIEB: Objection.

24 THE COURT: Sustained. You can sum up on this.

25 (Continued on next page)

J. Ross - Redirect / Loonam

1257

1 BY MR. LOONAM: (Continued)

2 Q Now, you were asked questions about why certain records
3 had, you know, two times in them.

4 Do you remember those questions?

5 A Yes.

6 Q Okay. All right, could this Exhibit have been misleading
7 had you not grouped the calls together?

8 MR. GOTTLIEB: Objection, Your Honor.

9 THE COURT: Sustained.

10 Q Okay, why do you group the calls together like this?

11 A To show that the calls, that calls were reflected on two
12 records and the times, the exact times that were shown on the
13 original billing records.

14 Q Had you not grouped the calls together, would this
15 Exhibit have contained additional contacts?

16 MR. GOTTLIEB: Objection.

17 A It would have made --

18 THE COURT: I'm sorry?

19 MR. GOTTLIEB: Objection.

20 THE COURT: Overruled.

21 A It would have made it appear as though there were more
22 calls.

23 MR. LOONAM: I have no further questions,
24 Your Honor.

25 THE COURT: Thank you, Mr. Loonam.

J. Ross - Redirect / Loonam

1258

1 Anything further?

2 MR. GOTTLIEB: No, Your Honor.

3 THE COURT: You can step down, thank you, have a
4 good day.

5 (Witness excused.)

6 THE COURT: Call your next witness please.

7 MS. BERGER: Government calls Kirk Yeager.

8 (Witness enters and takes stand.)

9 THE COURT: Come on up here, please. Good morning.

10 THE WITNESS: Good morning.

11 THE COURT: Please, stand next to that chair and
12 Julia will swear you in.

13 THE WITNESS: Okay.

14 THE COURT: Please.

15 THE COURTROOM CLERK: Please, raise your right hand.

16 **D R. K I R K Y E A G E R,**

17 called by the Government, having been

18 first duly sworn, was examined and testified

19 as follows:

20

21 THE COURTROOM CLERK: Please, take a seat and state
22 and spell your name for the record.

23 THE WITNESS: Okay. It is Dr. Kirk Yeager --

24 K-I-R-K, Y-E-A-G-E-R.

25 MS. BERGER: May I enquire?

Dr. K. Yeager - Direct / Berger

1259

1 THE COURT: Yes.

2 DIRECT EXAMINATION

3 BY MS. BERGER:

4 Q Good morning.

5 A Good morning.

6 Q What do you do for a living?

7 A I'm a senior forensic scientist for the FBI laboratory.

8 Q Are you a scientist for a particular unit within the FBI?

9 A Within the FBI, I'm assigned to the TEDAC -- the
10 Terrorist Explosive Devices Analytical Center.

11 Q How long have you held that position?

12 A Approximately, two years.

13 Q And what did you do before?

14 A Before I was with TEDAC, I was a forensic examiner with
15 the FBI Explosives Unit.

16 Q How long have you been with the FBI, in total?

17 A I've been with the FBI since June of 2000. So, coming on
18 12 years.

19 Q And can you describe your current duties as a senior
20 forensic scientist?

21 A As a senior forensic scientist my main job is, quite
22 frankly, being the FBI's lead explosive scientist. So, I
23 manage explosive research projects, I assist in training of
24 forensic examiners in the field of explosives and devices, and
25 assist with the policy issues for the FBI and areas of

Dr. K. Yeager - Direct / Berger

1260

1 explosives and IAB.

2 Q Can you tell us a little bit about your educational
3 background?

4 A Yes. I have a bachelors in chemistry and I have a
5 masters in chemistry with a material science and engineering
6 minor and I have a Ph.D. in inorganic chemistry.

7 Q Can you tell us about the training you've received from
8 the FBI?

9 A When I joined the FBI, I was trained to be a forensic
10 examiner and that means I'm trained to examine bombing crime
11 scenes, to analyze the evidence from those, to write reports,
12 to make assessments, and to testify in court.

13 As part of that training we're sent to special
14 classes dealing with explosives, we're given training in the
15 admin aspects of chains of custody and how to write reports,
16 and also given training in courtroom testimony.

17 Q Have you taught courses?

18 A Yes. I've taught numerous courses in explosives,
19 improvised explosive devices, explosive science. I was a
20 professor before I joined the FBI and I taught masters courses
21 in explosives and explosives engineering.

22 Q Have you published papers and reports on explosives?

23 A Yes, I have.

24 Q What kind of topics?

25 A The majority of my papers deal with improvised

Dr. K. Yeager - Direct / Berger

1261

1 explosives. Those are the explosives that can be produced
2 from readily-available commercial ingredients and products.
3 Also, some explosives engineering papers, papers on explosive
4 devices.

5 Q Have you ever testified as an expert in court?

6 A Yes, I have.

7 Q How many times?

8 A I've testified four times in Federal Court and in three
9 State Court cases.

10 MS. BERGER: Your Honor, at this time the Government
11 offers Dr. Yeager as an expert in the analysis of forensic
12 explosives.

13 MS. CARVLIN: No objection, Your Honor.

14 THE COURT: All right, I'll receive him as such.
15 Go ahead.

16 MS. BERGER: Thank you, Your Honor.

17 Q All right, Dr. Yeager, let's start with the basics.

18 What is an explosive?

19 A An explosive is a material that basically is capable of
20 producing superheated gasses. It decomposes very quickly and
21 it produces high-pressure gasses that expand violently against
22 the environment.

23 Q And what does an explosive actually do?

24 A An explosive combusts at a very rapid rate. We're all
25 familiar with fire. Basically, an explosive is something that

Dr. K. Yeager - Direct / Berger

1262

1 has identical chemistry to fire.

2 An explosive combines fuel and oxygen, produces fire
3 within a fraction of a second, and that produces the
4 superheated gasses that expand violently against the
5 environment. It produces the explosion.

6 Q Now, are explosives categorized by how they release that
7 energy?

8 A Yes. We break explosives into two categories. We have
9 low explosives and high explosives.

10 Q And can you give us some examples of low explosives?

11 A Low explosives are the lowest and slowest release of
12 energy; still violent, but on a relative scale the slowest.
13 They are pyrotechnics. So, a firecracker would be a low
14 explosive. They are propellants, such as the propellant in a
15 bullet. That's a low explosive. So, it releases its energy a
16 little bit slower.

17 A high explosive is something that releases its
18 energy instantaneously and destructively such as C-4, TNT,
19 dynamite, the things that we think about when we think about
20 explosives.

21 Q Now, you mentioned bullets.

22 Dr. Yeager, do firearms create an explosion when
23 they're discharged?

24 A The propellants in a bullet creates an explosion, and
25 that explosion produces the gasses that then propel the bullet

Dr. K. Yeager - Direct / Berger

1263

1 down the chamber. So, there is an explosion in the first part
2 of that interaction.

3 Q And is that the case for all types of guns?

4 A Yes. All, all guns work on the same principle; you have
5 a propellant of some sort that's ignited, that explodes and
6 produces a controlled release of gas, that's then harnessed to
7 propel whatever the projectile is.

8 Q What about a rocket launcher? Would that also create an
9 explosion?

10 A Yes. Because you are launching the rocket, so there is a
11 propellant in there that is also exploding, producing these
12 controlled gasses that then do the work of launching whatever
13 your projectile is in that case.

14 Q I believe you testified earlier than an explosive uses
15 both an oxidizer and a fuel; is that correct?

16 A That is correct.

17 Q What can be used as an oxidizer?

18 A An oxidizer, from a chemical perspective, is a chemical
19 that has the ability to release oxygen quickly and to support
20 a combustion. So, probably the oxidizer everyone in the
21 courtroom's heard about is ammonium nitrate because from the
22 Oklahoma City bombing it gained a lot of publicity and press.

23 Ammonium nitrate is a chemical packet of oxygen. It
24 is capable of releasing oxygen in a fraction of a second.

25 Now, when that's mixed with something like a fuel, a fuel that

Dr. K. Yeager - Direct / Berger

1264

1 we commonly burn for energy in society, diesel, you get the
2 explosive called an foe because there's a combination of that
3 oxidizer and the fuel.

4 Q And are there other things that can be used as fuels?

5 A Yes. Anything that can sustain combustion, anything that
6 can burn, can be a fuel for an explosive. So, diesel,
7 kerosene, gasoline, things that we burn for energy.

8 And also, things that our body burns for energy.
9 So, we digest sugar and starches. All of those have the base
10 elements that are needed to produce combustion, and so they
11 can also be used as a fuel in an explosive.

12 Q Dr. Yeager you testified earlier about improvised
13 explosives. Can you tell the jury what you mean by an
14 improvised explosive?

15 A Well, I mean that in comparison to what you can get
16 legitimately. There are commercial explosives designed for
17 rock-blasting, coring and mining, there's military explosives
18 designed for warfare, and then there's improvised explosives.

19 Improvised explosives are explosives that can be
20 produced from readily-available ingredients and, typically,
21 commercial products. So, you can go into the hardware store,
22 the grocery store, you can buy some of them online. So, it's
23 an explosive that ostensibly someone can put together on their
24 own from these...

25 (Noise heard in courtroom.)

Dr. K. Yeager - Direct / Berger

1265

1 THE COURT: What is that?

2 MS. BERGER: I have no idea, Your Honor.

3 THE COURT: Whoever's got that thing, take it out,
4 please.

5 (Complies.)

6 MS. BERGER: Sorry about that, Doctor. You were
7 saying?

8 THE WITNESS: I was saying something, yes.

9 THE COURT: I think it was about the World Cup
10 soccer game.

11 THE WITNESS: Yeah, sounds like that aren't good in
12 my profession, so...

13 A An improvised explosive is something that you can put
14 together from ingredients that are readily accessible to the
15 general public.

16 Q Now, are explosives categorized based on their
17 sensitivity?

18 A Yes.

19 Q What are the different categories?

20 A There's three categories of explosives and it's very
21 important to understand the sensitivity of an explosive
22 because that dictates how it's handled.

23 If something is really supersensitive, you have to
24 be really concerned with it because it's dangerous, whereas
25 other explosives are much more robust, which is why the

Dr. K. Yeager - Direct / Berger

1266

1 military can carry around pounds and pounds of some of these
2 things and not worry about them going off when they're being
3 shot at. So, we break explosives into categories defined on
4 how sensitive they are.

5 So, there's primary explosives. Primary, number
6 one. And that's the number one threat, the most dangerous,
7 the most sensitive, the easiest to ignite. These are things
8 that even a small bit of energy, such as shuffling across a
9 carpet and producing a spark, a static spark, sometimes that's
10 enough energy to get those to go off.

11 Then there's secondary explosives. They're a level
12 below in sensitivity. They're much more robust, they're much
13 safer. Typically, to get a secondary explosive to go off, you
14 need to put a little bit of explosive next to it and hit it
15 with that much energy. Secondary explosives are things like
16 C-4, TNT, things that we hear about in the movies and Warner
17 Brothers and other places like that.

18 Finally, there's tertiary explosives. They are
19 really inert and robust. They are used in coring mostly,
20 mining, blasting. They are things that require a big hunk of
21 explosives next to them to get them to go off. They're
22 really, really very stable.

23 Q Dr. Yeager, in an explosive device, what actually
24 contains the primary explosive?

25 A An explosive device typically is going to use a primary

Dr. K. Yeager - Direct / Berger

1267

1 explosive as an initiator. We refer to that as a blasting cap
2 or a detonator. That is the explosive that sets off the whole
3 chain of events and sets off the bomb.

4 It's typically a small tube of explosive. A couple
5 of grams, very small quantities. It's typically in an
6 aluminum tube and there's a source of energy that goes in that
7 creates heat next to that explosive. It detonates and that
8 sets off the rest of the bomb.

9 Q Can you purchase detonators?

10 A If you are a licensed blaster or if you're in the
11 military, there are legitimate places to purchase detonators.
12 They're used in legitimate applications; however, they're not
13 something that's available to the general public.

14 Q Assuming you don't have a license to purchase a
15 detonator, can you actually make a detonator?

16 A Yes, detonators can be made. It's a dangerous
17 undertaking, but they can be made.

18 There are primary explosives, the supersensitive
19 explosives that you can improvise yourself from
20 readily-available ingredients and there's ways of introducing
21 energy, such as a piece of fireworks fuse. And when you light
22 that fuse, that fire can go into the tube of that explosive,
23 and that can be enough energy to initiate it.

24 So, you can produce home-made detonators.

25 Q And what contains, in an explosive device, what contains

Dr. K. Yeager - Direct / Berger

1268

1 the secondary explosive?

2 A The second explosive is typically, in an explosive
3 device, the main charge because when an explosive device is
4 made there's charge that's designed to produce the big
5 explosion.

6 You're not going to find many devices filled with
7 pounds and pounds of primary explosive because it's so
8 dangerous. Not to say it hasn't been done, but terrorists shy
9 away from doing that, criminals shy away from doing that
10 because there's a good chance of them not getting to their
11 target with that material.

12 So, the secondary explosive is typically what's the
13 main charge in the bomb because that is safer to jostle
14 around, to move, to transport and to do other things with.

15 MS. BERGER: I'm going to show you, if I can,
16 Your Honor, what's already been admitted in evidence as
17 Government's Exhibit 252.

18 (The above-referred to Exhibit was published to the
19 jury.)

20 MS. BERGER: And this is the first page, I'm going
21 to flip briefly through this.

22 Q Have you seen this before?

23 A Yes.

24 Q When did you first see this?

25 A I believe that came across my desk in September of 2009.

Dr. K. Yeager - Direct / Berger

1269

1 Q And as a whole, what is contained in that document?

2 A That document contains nine pages of bomb-making notes.

3 Q Do these notes contain information pertaining to primary
4 explosives?

5 A Yes, there were sections of those notes related to
6 primary explosives.

7 Q And which primary explosives?

8 A The notes contained two primary explosives. The one was
9 acetone peroxide. We also refer to that sometimes as TATP,
10 which stands for triacetone triperoxide. To keep it short,
11 I'll say acetone peroxide. That was the one explosive, the
12 primary explosive.

13 The other was HMTD, I won't bother going into what
14 that's an abbreviation before, even chemists don't use it as
15 much, it's a longer organic name. HMTD and TATP were the two
16 primaries in the primaries in the notes.

17 Q And can you just direct me to where in the notes it
18 refers to a TATP?

19 A Can I pull out the sheet that I have?

20 Q Yes, of course.

21 A I have a copy of the notes here.

22 (Pause in the proceedings.)

23 A TATP is first mentioned on page 1 of the notes, in the
24 bottom section, and it goes over onto page 2 of the notes.

25 Q And I am pointing my pen on the area here (indicating)

Dr. K. Yeager - Direct / Berger

1270

1 where it says: Acetone peroxide.

2 Is that where it starts talking about TATP?

3 A Yes, that is it.

4 Q Dr. Yeager, what are the ingredients of TATP?

5 A There's three ingredients that are needed to make TATP or
6 acetone peroxide; one is acetone, the other is hydrogen
7 peroxide, and the third is a strong acid, which gets the first
8 two chemicals to react together to form this material.

9 Q And are those three ingredients listed somewhere in these
10 notes?

11 A On the very first page, all these of those are listed.

12 Q And can you just point on the screen where those are
13 listed on this first page?

14 A If you go down to the very bottom, you can see on the
15 left, acetone, H₂O₂ is hydrogen peroxide and then, HCL is
16 hydrochloric acid, that's the strong acid I was referring to
17 when I said a strong acid was needed.

18 Q And Dr. Yeager, where did you get the ingredients for
19 TATP?

20 A All of these three ingredients are available in
21 commercial sources. Acetone is used for cleaning paint
22 brushes. A hardware store will sell acetone. It's also used
23 in certain fingernail polish removers, so a drugstore will
24 carry that.

25 Hydrogen peroxide is available in a number of

Dr. K. Yeager - Direct / Berger

1271

1 sources. Grocery stores, pool supply stores, beautician
2 supply stores and a variety of others.

3 Hydrochloric acid is also commonly referred to as
4 muriatic acid. That is something that's available, again, in
5 a pool supply store for cleaning concrete. It's also
6 available in certain toilet bowl cleaners. I think The Works
7 and Snowball are two that contain hydrochloric acid.

8 Q You testified about hydrogen peroxide.

9 Can you just use regular hydrogen peroxide that you
10 use at the drugstore?

11 A The regular peroxide in a drug store is, typically,
12 about 3 percent peroxide, which means it's 97 percent water.
13 It can be used, but it's really not a very good product; that
14 doesn't have a lot of reactive material. So, although
15 theoretically possible, it's really not a very good choice.

16 Q And are there other products that would contain a more
17 concentrated version of hydrogen peroxide?

18 A Yes, the next line of products is hair dyes. As I was
19 mentioning, a beautician supply store that sells developer for
20 bleaching hair, that's a more concentrated peroxide; typically
21 starting at 9 percent peroxide and going up all the way to
22 35 percent peroxide, depending on the product.

23 Q Okay. You also testified that the notes contain
24 information regarding the production of HMTD; is that right?

25 A That is correct.

Dr. K. Yeager - Direct / Berger

1272

1 Q And what are the ingredients of HMTD?

2 A HMTD requires three ingredients. The hydrogen peroxide
3 again and then, a weak acid, most likely a citric acid, and
4 finally, hexamine.

5 Q What is hexamine?

6 A Hexamine is most commonly found in camp stove tablets.
7 So, if you have a camp stove, some of them take what's called
8 white coal. It's a burning tablet that you light on fire and
9 it produces slow flame.

10 Q And are those ingredients also listed in these nine pages
11 of notes?

12 A Yes, they are. And those ingredients are on page 5 at
13 the bottom of the page.

14 MS. BERGER: We've lost the ELMO.

15 THE COURT: I'm sorry, forgive me.

16 (The above-referred to Exhibit was published to the
17 jury.)

18 A At the very bottom you can see hexamine, citric acid or
19 vinegar and then, finally, H₂O₂ which is hydrogen peroxide.

20 Q What does TATP actually look like?

21 A Both TATP and HMTD are white crystalline solids so they
22 look like sugar flour, rock candy. Really nothing
23 differentiates them from a variety of other things.

24 Q How safe are they to handle, HTMD or TATP?

25 A They are both very hazardous to handle. They can be

Dr. K. Yeager - Direct / Berger

1273

1 handled, but they are dangerous materials because they are
2 primary explosives. So, just the wrong amount of energy can
3 create initiation unintentionally.

4 Q Dr. Yeager, have you tested the recipe for TATP that's
5 contained in these notes?

6 A Yes, I have.

7 Q What did you do?

8 A I basically took the ingredients listed in the notes in
9 the portions called out for and combined them in the fashion
10 proscribed and produced acetone peroxide.

11 Q So, did it work?

12 A Yes, it worked.

13 Q And did you also make HMTD in accordance with the
14 instructions in the notes?

15 A I have made HMTD many times. I did not follow these
16 exact proportions because mine were very similar, so I knew
17 this recipe would work.

18 Q How much TATP would this recipe yield?

19 A Theoretically, it could yield up to seven grams.
20 Practically, we always lose something in chemistry, so it's
21 more like five grams.

22 Q Could you make more TATP using this same recipe?

23 A Actually, recipe is a good analogy for this because this
24 recipe is like any other recipe; if you have a recipe for two
25 dozen cookies and you want four dozen, you double the ratios.

Dr. K. Yeager - Direct / Berger

1274

1 So, you can make as much as you desire just following these
2 ratios and ingredients.

3 Q Dr. Yeager, how large of an explosion would five grams of
4 TATP cause?

5 A It's always heard to describe explosions without effects,
6 without what we call witness material. In the open, you
7 wouldn't see much of anything, but in terms of the energy,
8 five grams of material would be enough to take off a hand, if
9 it was in a hand.

10 Five grams of material, actually, could be lethal if
11 it was encased in something that created fragments, it would
12 produce enough energy to, basically, kill someone if one of
13 the fragments penetrated the wrong area.

14 Q And again, is TATP often used in connection with another
15 type of explosive?

16 A Typically we see TATP used as an initiator to set off a
17 secondary explosive. As I said, it is a primary. So, we see
18 it used to set off less sensitive explosive charges.

19 MS. BERGER: Your Honor, if I may show the witness
20 what's been marked for identification as Government's
21 Exhibit 113.

22 THE COURT: Yes, go ahead.

23 (The above-referred to Exhibit was published to the
24 witness.)

25 Q Dr. Yeager do you recognize this?

Dr. K. Yeager - Direct / Berger

1275

1 A Yes, I do.

2 Q What's contained on this disk?

3 A That disk contains three video files of different
4 explosions.

5 Q And have you watched all of these video files before
6 testifying today?

7 A Yes, I have.

8 MS. BERGER: Your Honor, the Government would offer
9 Government's Exhibit 113 at this time and the videos that are
10 on it.

11 MS. CARVLIN: May we confer, Judge?

12 THE COURT: Yes.

13 (Pause in the proceedings.)

14 MS. CARVLIN: No objection, Your Honor, thank you.

15 THE COURT: Received.

16 (Government's Exhibit 113 was received in evidence.)

17 MS. BERGER: I'm going to start by showing you what
18 is called Government's Exhibit 113-A.

19 Your Honor, if I could try to publish this for the
20 jury? It will be a video.

21 (The above-referred to Exhibit was published to the
22 jury.)

23 Q Dr. Yeager, what are we going to be watching here?

24 A It if it's where the arrow is pointed, that's going to be
25 a video of 30 grams, which is approximately one ounce,

Dr. K. Yeager - Direct / Berger

1276

1 slightly above one ounce of TATP, being initiated with a hot
2 wire. And when I mean hot wire -- when I say hot wire, what I
3 mean is a filament. Like a Christmas tree light bulb. If you
4 take a Christmas tree light bulb and you break off the glass
5 and expose the filament, when it glows, that's heat.

6 So, the video contains a Christmas tree light bulb
7 covered with approximately one ounce of TATP and then, someone
8 will initiate from a distance. It's on top of a cinder-block
9 block as witness material.

10 (Video played for jury.)

11 (Video stopped.)

12 Q So, Dr. Yeager, that white powder we saw, what was that?

13 A That was TATP, acetone peroxide.

14 Q Dr. Yeager, as part of your job with the FBI, do you
15 study what type of explosives have been used in past bombing
16 attacks?

17 A Yes, that's a -- a good portion of my job is looking at
18 past bombing attacks and interfacing with different
19 Governments, trying to understand what was used.

20 Q Why is that important for you to do?

21 A One of the things we do in monitoring the bombings
22 overseas and domestically is to try to understand what kind of
23 explosives are being utilized, what people are using to
24 produce them, how dangerous they are, how we can mitigate
25 them, how we can train bomb squads to deal with them, and how

Dr. K. Yeager - Direct / Berger

1277

1 we can train and actually try to interdict them. So, it's
2 very important for us to understand all bombings.

3 Q Based on this experience, are you aware whether TATP has
4 been used in recent bombings or attempted bombings?

5 A Yes.

6 Q And what are you aware of?

7 A The most recent high-profile device that utilized TATP
8 was the underwear bomb. The Christmas Day bomber. That was
9 the initiator. We found TATP residue. That was the initiator
10 in that device.

11 Q Now, turning back to the notes, is there information in
12 the notes regarding a secondary explosive or a main charge?

13 A Yes. If you go to page 7, and page 8, there are a
14 variety of secondary main explosive charges mentioned.

15 MS. BERGER: So, I'm on page 7. If you could just
16 publish it, Your Honor.

17 (The above-referred to Exhibit was published to the
18 jury.)

19 Q On page 7 here, what are you referring to, Dr. Yeager?

20 A I'm referring to the bottom part of the page. There's a
21 series of what looks like boxes and in those boxes there's
22 chemical nomenclature with numbers next to the chemical
23 nomenclature.

24 Above the boxes is a list of abbreviations of fuels.
25 So, to understand this chart, go back to the chemistry of

Dr. K. Yeager - Direct / Berger

1278

1 explosives, I need two things for this main charge. I need an
2 oxidizer, so I need a chemical source of oxygen, and; I need a
3 fuel, something that can burn with the oxygen that's being
4 released.

5 The first part, starting with D, diesel; WP, wood
6 powder, all the way down to V, Vaseline, are a list of fuels.
7 Those are things that can be combined with oxidizers to
8 produce explosives.

9 In a box, ammonium nitrate is mentioned, in the
10 center box on the top. And right next to it, NH_4NO_3 is the
11 chemical abbreviation for ammonium nitrate.

12 So, what is contained in this box is the first part,
13 different ammonium nitrate mixtures, with some of these fuels.

14 Below that is urea nitrate.

15 In the last two boxes, urea nitrate is another
16 explosive.

17 Then, on the next page.

18 (The above-referred to Exhibit was published to the
19 jury.)

20 A The same occurs. There are combinations of fuels and
21 oxidizers and the very bottom, some very common ones.
22 Potassium chlorate, KCL-O_3 . That's the prime ingredient in
23 firecrackers or flash powders.

24 And then, finally, H_2O_2 . Hydrogen peroxide is
25 mentioned, mixed with flour and sugar.

Dr. K. Yeager - Direct / Berger

1279

1 Q Dr. Yeager, the notes reference flour and I believe on
2 page 7, they also reference ghee oil; is that correct?

3 A That is correct.

4 Q What are flour and ghee oil used for?

5 A They are used, basically, as cooking ingredients.

6 Q And in an explosive, what are they used for?

7 A They are both fuels.

8 Q Now, if you combined flour and ghee oil, just the two of
9 them, would that actually create an explosive?

10 A No. You would have, basically, two fuels combined
11 together, but there would be no chemical source of oxygen,
12 which is key for any explosive.

13 Q And do the notes refer to any potential oxidizers that
14 could be used in connection with flour and ghee oil?

15 A Yes, going back to page 8, it is outlined the hydrogen
16 peroxide and flour.

17 Q Now, what form, if you were to make one of these main
18 charges, what form would it be in?

19 A It depends on the charge you're making. Most of these
20 are going to be mixtures of two solids, two powders, so you'll
21 have a powdered explosive. And they could be anything from
22 white to dark gray, depending on the color of your fuel and
23 the oxidizer.

24 The only real outlier here would be the peroxide
25 flour, because you're starting with a liquid and mixing it

Dr. K. Yeager - Direct / Berger

1280

1 with a solid. And there's a slight reaction that occurs, so
2 it bubbles a little bit, it gets sticky, it's gelatinous.
3 It's not really a liquid, it's not a gel. I mean, the only
4 term it's, not scientific, is "goopy," basically.

5 Q Dr. Yeager, did you following the recipe in the notes to
6 make a main charge?

7 A I've made a variety of these charges throughout the
8 years, yes.

9 Q And if you follow, using the proportions and the mixtures
10 in the recipe, can you actually create a main charge?

11 A Yes. These notes would produce valid main charges. The
12 ratios are correct.

13 Q And taking, for example, the peroxide flour main charge,
14 what quantity would these notes produce?

15 A Going to page 9, on the very top of the page, this is the
16 only place that solid numbers are provided. There is a
17 mention of 4,000 H₂O₂, which is -- my interpretation --
18 4,000 grams. Four kilograms. It's over eight pounds.

19 And it's mixed with 1143. 1143 would be the grams
20 of whatever fuel. Looking at these ratios, it makes sense.
21 In terms of making explosives, that would give approximately
22 5,000 grams, which is about 11 pounds.

23 Other ratios here go up to almost 19 pounds. So,
24 you're talking 10- to 20-pound kind of bracket for the ratios.

25 Q Dr. Yeager, if you were to detonate 10 to 20 pounds of

Dr. K. Yeager - Direct / Berger

1281

1 this kind of a main charge, what kind of an explosion would
2 you create?

3 A Again, the only way to relate that is against witness
4 material. Ten pounds would create a crater on the ground in
5 open air. Ten pounds would tear a car to pieces, remove the
6 roof, punch holes in the floor boards. Ten pounds will
7 destroy a room like this. Ten pounds will bring down portions
8 of the ceiling and create tremendous damage. It's all defined
9 in what's in the surroundings.

10 So, ten pounds is a sizable explosive charge.

11 MS. BERGER: I'm going to show you what's in
12 evidence as Government's Exhibit 113-B, it's the second video
13 we'll watch.

14 (The above-referred to Exhibit was published to the
15 jury.)

16 Q And are you able to tell, just by where my arrow is, what
17 we'll be seeing?

18 A Yes, that's going to be a one kilogram charge, which is
19 2.2 pounds, of an ammonium nitrate oxidizer mixed with
20 aluminum to produce a secondary explosive charge.

21 The witness material in that video is going to be a
22 shed. Just a standard Home Depot shed, bought off the lot.

23 Q And are these ingredients that are contained within the
24 notes?

25 A Yes. On page 7, ammonium nitrate aluminum is

Dr. K. Yeager - Direct / Berger

1282

1 specifically called out.

2 Q And I believe you testified it was one kilogram?

3 A Correct. A little over two pounds.

4 Q So, it's less of an explosion than the notes would
5 generate?

6 A About a fifth of the quantity.

7 (Video played for jury.)

8 (Video stopped.)

9 MS. BERGER: And now showing you Government's
10 Exhibit 113-C.

11 (The above-referred to Exhibit was published to the
12 jury.)

13 Q Can you just tell us what we're going to be seeing here?

14 A Yes, this is going to be a slow-motion video. So,
15 basically, the event's slowed down so it's easier to see
16 because explosions happen fairly quickly, as we've seen. And
17 this is going to be one liter of a mixture of concentrated
18 peroxide with flour.

19 Q So, this is that same peroxide flour mixture you were
20 testifying earlier about in the notes?

21 A It's analogous. The ratios are a couple percentage rates
22 off, but it's analogous.

23 (Video played for jury.)

24 (Video stopped.)

25 MS. BERGER: I'm just going to start this one over.

Dr. K. Yeager - Direct / Berger

1283

1 (Video played for jury.)

2 (Video stopped.)

3 Q Dr. Yeager, once you have a detonator and a main charge,
4 do the notes contain instructions about how to combine them to
5 actually make a bomb?

6 A There are references throughout the notes that talk about
7 how to combine them, yes. The main instance is on page 3.

8 (The above-referred to Exhibit was published to the
9 jury.)

10 A And in the very center of page three is a pictorial
11 representation of a detonator. And it's basically a tube and
12 the tube can be, in a commercial detonator, the aluminum tube.

13 To make one's own detonator the tube can be anything
14 from crimped copper tubing, a pen, the top of a Sharpie
15 marker, a syringe, rolled up pieces of paper, anything that's
16 tubular, basically. And that houses the primary, the very
17 sensitive explosive.

18 And at the very top there's something called light
19 wire. And that is a designator for that filament I talked
20 about earlier; for example, the Christmas tree bulb. So, this
21 shows the construction of the detonator.

22 And then, on page 7.

23 (The above-referred to Exhibit was published to the
24 jury.)

25 A At the very top of the page, there is instructions

Dr. K. Yeager - Direct / Berger

1284

1 written out:

2 *"For every detonator use at least three to four*
3 *grams of sensitive materials."*

4 My interpretation of sensitive materials is primary
5 explosive, the most sensitive of the explosives, because
6 that's what we see utilized in detonators.

7 Q And do the notes contain information about how you would
8 actually ignite this kind of device?

9 A Going back to page 3, there is a tie-in for igniting.

10 (The above-referred to Exhibit was published to the
11 jury.)

12 A Under the picture of the detonator are two diagrams, and
13 they are batteries because what you need to make the light
14 bulb glow to produce heat is power, and a battery has more
15 than enough power to do that.

16 So, you -- the two leads coming off of the light
17 bulb have to make contact with some sort of battery or some
18 sort of power source and here it notes power sources being
19 used and, actually, it notes the best way to put the batteries
20 together so you have the best chance of initiating the
21 detonator.

22 Q Dr. Yeager, if you were to explode three grams of TATP
23 together with a two-liter bottle size of main charge in a
24 subway car, what could you expect to happen?

25 A Explosions are very violent events, as seen in the

Dr. K. Yeager - Direct / Berger

1285

1 videos. In the open air, pressure dissipates pretty quickly,
2 but it can still be lethal.

3 All bombs have two main hazards, one is air blast.
4 When an explosive goes off, it pressurizes the air and
5 actually sends a pressurized pulse of air outward. Anyone who
6 has seen a picture of the Murrah building in Oklahoma City has
7 seen the divot cut out of the building. That's from the air
8 blast. That's from the energy of just pressurized gasses
9 alone.

10 The second thing that happens is fragmentation.
11 Anything that is near that expanding field of gasses, that
12 explosive, gets hit and launched like a bullet and that
13 fragmentation goes on a long, long way.

14 The worse case scenario for an explosion is an
15 enclosed environment because the gasses build up and they have
16 nowhere to go or vent quickly. So, your example of a subway
17 car, the explosive would produce a huge amount of pressure, it
18 would fragment anything in proximity with it, that pressure
19 would go outward and -- what size were you talking; a 12-liter
20 bottle?

21 Q From the notes, I believe you had testified that would
22 yield about three grams of TATP. So, three grams of TATP and
23 then, a two-liter bottle size of the main charge?

24 A Yes, the air blast alone, if you were within a couple
25 feet of that, would kill you.

Dr. K. Yeager - Direct / Berger

1286

1 Fragmentation, would retain lethality throughout the
2 whole subway car. And, in fact, the subway car would be
3 breached. You would expect walls to be knocked out. You
4 would expect severe damage to anything in proximity.

5 Q When you refer to fragmentation, what are you referring
6 to?

7 A There are two kinds of fragmentation. One is, bombers
8 often put fragments of something around their main charge. It
9 can be ball bearings. It can be nails. It's something
10 designed for that explosion to hit and send outwards with
11 violence.

12 But there's secondary fragmentation. So, if an
13 explosive is sitting on a table, it will fragment what it's
14 sitting on, and that can become lethal projections as well.
15 So, if it was sitting on a subway seat, that could become a
16 fragment. And that could send fragmentation outwards.

17 Q And perhaps this is an obvious question, but what would
18 be the effect on somebody wearing a suicide vest made of that
19 material?

20 A I, have in the course of investigations, dealt with many
21 suicide bombers and I have seen the effects up close and
22 personal.

23 Explosives on someone's person -- I'm trying not to
24 be too graphic here, but -- they basically destroy the body.
25 So, not much is left of the torso. The head and arms and legs

Dr. K. Yeager - Direct / Berger

1287

1 are usually launched. It's devastating.

2 Q Dr. Yeager, are you aware of any recent bombings or
3 bombing attempts involving TATP as the detonator with one of
4 the main charges listed in these notes?

5 MS. CARVLIN: Objection.

6 THE COURT: Sustained.

7 Q Dr. Yeager, have you trained people on how to make TATP?

8 A Yes, I have.

9 Q How long would it take you to train somebody, with no
10 experience, on how to make TATP?

11 A I had to train a group of people in that situation, for a
12 particular reason, and it took me about a day to give them the
13 rudiments of what they needed to make the TATP.

14 Q And how long would it take you to train somebody, with no
15 experience, to make a main charge?

16 A That would take much less time because main charges are
17 not as sensitive and dangerous. I could do that within an
18 hour.

19 Q And how long would it take you to train somebody, with no
20 experience, to make an entire improvised explosive device?

21 A With the primary and a main charge, a rudimentary fusing
22 system? A couple days.

23 MS. BERGER: No further questions.

24 THE COURT: Thank you, Ms. Berger.

25 Shall we take our break?

Dr. K. Yeager - Direct / Berger

1288

1 MS. CARVLIN: I have no questions, Your Honor, so.

2 THE COURT: We'll take our break now.

3 Dr. Yeager, you're excused, have a good day.

4 We'll break for ten minutes. Don't discuss the

5 case.

6 All rise.

7 (Jury exits at 11:28 a.m.)

8

9 (In open court.)

10 (The following occurs outside the presence of the

11 jury.)

12 THE COURT: Okay, see you in ten minutes.

13 (Recess taken at 11:28 a.m.)

14

15 (Continued on following page.)

16

17

18

19

20

21

22

23

24

25

Rosato - direct/ Loonam

1289

1 (Court resumed); (Jury not present)

2 THE COURT: What is next?

3 MR. LOONAM: The search agent, Elizabeth Rosato he.

4 THE COURT: Let's bring her in.

5 (The following took place in the presence of the
6 jury)

7 THE COURT: All right. Would everybody but the
8 witness please be seated.

9 E L I Z A B E T H R O S A T O ,

10 having been first duly sworn/affirmed, was examined
11 and testified as follows:

12 THE CLERK: Please state and spell your name for the
13 record.

14 THE WITNESS: Elizabeth Rosato R-O-S-A-T-O.

15 DIRECT EXAMINATION

16 BY MR. LOONAM:

17 Q Good morning.

18 A Good morning.

19 Q What do you for a living?

20 A I'm a special agent with the Federal Bureau of
21 Investigation.

22 Q How long have you been a special agent with the FBI?

23 A Approximately 15 years.

24 Q And what your current assignment as special with the FBI?

25 A Supervisory agent at FBI headquarters in Washington, D.C.

Rosato - direct/ Loonam

1290

1 Q And directing your attention to September 14, 2009, did
2 you take a part in a search of a residence that day?

3 A Yes, I did.

4 Q Was that search conducted pursuant to a court authorized
5 warrant?

6 A Yes it was.

7 Q Was the residence 29-49 137th Street Apartment 6A?

8 A That is correct.

9 Q Do you know who resided at this apartment?

10 A I believe Adis Medunjanin and several other people.

11 Q Do you know the relationship of the several other people
12 who lived at the residence with Adis Medunjanin.

13 A No, I do not.

14 Q And what was your assigned responsibility during the
15 course of the search?

16 A I was the team leader for the search warrant execution.

17 Q As the team leader what were your responsibilities?

18 A Access the apartment, take a look at the search warrant,
19 what we were there to check, and make sure all the paperwork
20 and evidence was collected in proper form.

21 Q And what time was this search executed?

22 A Approximately 2:30 a.m.

23 Q Is that typical?

24 A No.

25 Q Do you have a specific understanding as to why the search

Rosato - direct/ Loonam

1291

1 in this instance was conducted at such an early hour?

2 A No, I do not.

3 Q Did you make first entry into the apartment?

4 A No, I didn't.

5 Q Who did make first entry into the apartment?

6 A A SWAT team did.

7 Q What is a SWAT team?

8 A Our Special Weapons and Tactics Team.

9 Q And what is a SWAT team's job when they make first entry
10 into an apartment?

11 A To make sure any threat that would be present in the
12 apartment or residence would be addressed appropriately.

13 Q And when you say to -- is to render the apartment safe,
14 is that a term that is used?

15 A Somewhat, yes.

16 Q And can you describe what is entailed in rendering an
17 apartment safe?

18 A Similar to any other arrest or search warrant, we make
19 sure the residents are safe, and accounted for and we know who
20 is in the apartment, and if there's any threat that is
21 presented to the agents that we would be following on to go in
22 and do their job.

23 Q During the course of rendering a scene, safe and secure,
24 are people often handcuffed?

25 A It does happen, yes.

Rosato - direct/ Loonam

1292

1 Q And are you aware of whether the residents of apartment
2 6A were restrained in connection with the entry by the SWAT
3 team in this instance?

4 A I cannot recall that, no.

5 Q I'm going to show you what's marked as Government
6 Exhibit 26 --

7 MR. LOONAM: For the witness only, Your Honor.

8 THE COURT: Yes.

9 Q (Cont'd): Prior to your testimony here today, did you
10 have an opportunity to review Government Exhibit 26?

11 A Yes, I did.

12 Q What is it?

13 A It's a cell phone.

14 Q Do you know where this cell phone was obtained from?

15 A It was taken from that apartment and during that search.

16 Q And did you inventory this cell phone?

17 A Yes, I did.

18 MR. LOONAM: The government moves Exhibit 206 into
19 evidence.

20 MR. DINNERSTEIN: No objection.

21 THE COURT: Received.

22 (Government Exhibit 206 received and marked in
23 evidence).

24 MR. LOONAM: No further questions.

25 THE COURT: Any cross.

Rosato - cross/ Dinnerstein

1293

1 MR . DINNERSTEIN: Yes, Your Honor.

2 THE COURT: Go ahead, Mr. Dinnerstein.

3 MR . DINNERSTEIN: Thank you, Your Honor.

4 CROSS-EXAMINATION

5 BY MR. DINNERSTEIN:

6 Q Now, Agent Rosato, you said that you were the team leader
7 on December 14th, 2009?

8 A For the search, I was, yes.

9 Q And you said that the search occurred at, approximately
10 2:30 in the morning?

11 A That's correct. That is when the search team made entry,
12 yes.

13 Q And you had no reason to as to why it was being conducted
14 at that particular time; is that correct?

15 A That's correct.

16 Q And had you spoken to the case agents in this particular
17 case prior to the search?

18 A I don't recall so.

19 Q Do you know who the case agent is?

20 A There were several case agents that I was dealing with at
21 that time.

22 Q Do you know the names of any of the several case agents
23 that you were dealing with?

24 A Garicito (ph), perhaps, Farbod Azad.

25 Q Agents Azad is the gentleman sitting in the courtroom?

Rosato - cross/ Dinnerstein

1294

1 A Yes, he is.

2 Q And you spoke about the SWAT people who came into the
3 building prior to your entry into the apartment; is that
4 correct?

5 A That's correct.

6 Q And where were you when the SWAT team came into the
7 building?

8 A I was downstairs in the lobby.

9 Q And of course, the SWAT team also came through the lobby;
10 is that correct?

11 A That is correct.

12 Q And they then took an elevator; is that correct?

13 A I don't recall that.

14 Q Now, could you describe how many members of the SWAT team
15 were there?

16 A I don't recall that.

17 Q Do you have any -- what is the typical SWAT team?

18 A I am not on the SWAT team, so I wouldn't be able to speak
19 to that.

20 Q Could you say whether there were more than five people in
21 the SWAT team?

22 A I can't recall.

23 Q Now, after the SWAT team entered, what was the next thing
24 that you did?

25 A The next thing that I did was wait until the residence

Rosato - cross/ Dinnerstein

1295

1 was secured and then I went in with my team to set up and
2 begin the search.

3 Q How many people were on your team?

4 A I had two other members.

5 Q And now did you notice whether or not the door of
6 apartment 6A was broken?

7 A Yes, it was.

8 Q And do you know how the door got broken?

9 A No, I don't.

10 Q Do you have any notes that indicate whether the door was
11 breached?

12 A Yes, I do.

13 Q And what does it mean for a door to be "breached"?

14 A Not open typically by a key or entry. It would be a
15 forcible entry.

16 Q Did you have any indication of how the door was breached?

17 A No, I don't.

18 Q Do you have any notes as to how the door was breached?

19 A Yes, I do.

20 Q And what are those notes?

21 A If you have them I can refresh my recollection. I kept a
22 log of all the events that happened.

23 MR. DINNERSTEIN: Can I show it just to the witness?

24 THE COURT: Yes.

25 Q Can you see?

Rosato - cross/ Dinnerstein

1296

1 A That, yes.

2 Q And how was the door breached?

3 A It says door breached by SWAT entry.

4 Q Does it mean that when the SWAT individuals came into the
5 apartment they broke down the door; is that correct?

6 A Yes, that is correct.

7 Q Now, after you came into the apartment what time was it
8 that you came into the apartment?

9 A Approximately 2:30 a.m.

10 Q And did you notice whether there were people in the
11 apartment?

12 A I do recall that there were several people present but I
13 don't know the specifics of it.

14 Q And there were also several agents; is that correct?

15 A That is correct.

16 Q About how many agents were there?

17 A Several. I believe that is reflected on my paperwork, if
18 you are looking for a specific number.

19 MR . DINNERSTEIN: Can I show her the document?

20 THE COURT: Yes, go ahead. What is this, 3500
21 material?

22 MR . DINNERSTEIN: Yes. Excuse me, Your Honor.

23 3500-2. ER2.

24 Q How many officers were present?

25 A This is the paperwork specifically for the search. I

Rosato - cross/ Dinnerstein

1297

1 don't account for any other SWAT team members that were there.
2 This is specifically for the search. It reflects myself,
3 Special Agent John DeVona (ph) and two other bomb techs that
4 were there and another investigative specialist that was part
5 of my search team as well.

6 Q Now, you mentioned the case agent, was he also present?

7 A I believe he was, yes.

8 Q But he would not show up on your worksheet?

9 A No, because he was not part of the search team.

10 Q Now, you said something about bomb technicians; is that
11 correct, were they part of the search team?

12 A Yes, they were.

13 Q How many bomb technicians were there?

14 A I believe there were two, according to my paperwork.

15 Q And what is the purpose of the bomb technician, what does
16 he define, or she?

17 A The bomb techs for the purpose of this search were there
18 to assist in looking at the apartment to see if there are any
19 explosives or other items present, and also, to assist in
20 taking explosives residue swabbings which we did collect that
21 day.

22 Q When you say -- did you find any explosive devices in the
23 apartment?

24 A I did not myself.

25 Q Do you know whether anybody in the team found any

Rosato - cross/ Dinnerstein

1298

1 explosive devices?

2 A We just collected explosive residue swabbing.

3 Q When you say you collected explosive residue -- I'm
4 sorry, what was the word?

5 A Swabbing.

6 Q Swabbing. Did you determine whether or not there were
7 explosive residue on those swabbings?

8 A We do not do that -- we don't do that saying onsite, no.

9 Q Well, so then what you took was swabbings with the hope
10 that you would find explosive residue; is that correct?

11 A That is the intent of the swabbing, yes.

12 Q Now, did you find any acetone in the apartment?

13 A I don't recall.

14 Q Did you find any Ghee oil in the apartment?

15 A State that again, please.

16 Q Have you ever heard the term G-H-E-E oil?

17 A I believe there were some there. I don't believe it was
18 collected. If it was it would be on my log.

19 Q You actually filled out an inventory of all the items
20 that were collected?

21 A That were or were not?

22 Q That were collected?

23 A Yes.

24 Q Is there any indication and I'll --this also is GR 2. I
25 will show it just to the witness.

Rosato - cross/ Dinnerstein

1299

1 A Umm-Humm.

2 THE COURT: Okay.

3 Q Is there any indication that any Ghee oil was recovered?

4 A If you could move the paperwork slightly, it's askew on
5 the screen.

6 Q I'm sorry. That better?

7 A I don't see any listed, no.

8 Q Would it have been relevant to put down Ghee oil if you
9 actually saw Ghee oil?

10 A I don't know.

11 Q Well, do you know whether or not Ghee oil could be used
12 in an explosive device?

13 A That wouldn't be my area of expertise, no.

14 Q So it would have been the expertise of the two bomb
15 technicians who were also present; is that correct?

16 A That's correct.

17 Q If they found something that they considered to be
18 something used in an explosive device, they would have then
19 based on what their job was give it to you, correct?

20 A Perhaps.

21 Q Now, was there hydrochloric acid found?

22 A I don't know that.

23 Q Is there anything in your inventory that indicated
24 hydrochloride acid was found?

25 A No.

Rosato - cross/ Dinnerstein

1300

1 Q Is there any hydroperoxide recovered?

2 A I don't know.

3 Q Is there any indication from your record there was
4 hydroperoxide recovered.

5 A I did not collect any as part of that search warrant, no.

6 Q Did you put anything down on your inventory?

7 A I don't see hydrochloric acid on the inventory, no.

8 Q Or hydrogen peroxide; is that correct?

9 A It's not listed on the inventory.

10 Q Or Acetone; is that correct?

11 A That's correct.

12 Q When you entered the apartment do you recall, other than
13 the agents, how many people were there?

14 A I don't recall the total number, no.

15 Q Were there more than five?

16 A I believe so.

17 Q And were they handcuffed?

18 A I don't recall.

19 Q Can you describe what any of those people looked like?

20 A There was a number of males and there was a few females
21 as I recall, but no I don't have a specific description.

22 Q When you say, "a number of males," how many males?

23 A Three.

24 Q And how many females?

25 A I don't recall.

Rosato - cross/ Dinnerstein

1301

1 Q Do you recall if you spoke with any of the females?

2 A Yes, I did.

3 Q And where did you speak to the females?

4 A I believe in one of bedrooms, possibly the living room.

5 Q And how many of the females did you speak with?

6 A Perhaps, one or two.

7 Q Did you notice whether or not either those people had a
8 difficult time with the English language?

9 A No.

10 Q They spoke English fine?

11 A I don't recall. I believe so.

12 Q Do you recall if one of -- do you recall the approximate
13 age of the people you spoke with?

14 A No, I don't.

15 Q Was one older than the other, do you recall that?

16 A No, I don't.

17 Q When you spoke with the people do you recall whether or
18 not they were handcuffed or not?

19 A The female?

20 Q The female?

21 A No, I don't.

22 Q I'm sorry?

23 A I don't believe they were.

24 Q Now, the males, you said saw three males; is that
25 correct?

1 A That is my guess, yes.

2 Q When you say your guess, you don't know how many males
3 there were?

4 A I followed on after the initial entry and my job was the
5 search. I remember -- I recall there were several males in the
6 apartment. I cannot specifically say how many.

7 Q Did the males remain in the apartment when you were
8 talking to the two females in the apartment?

9 A I don't believe so.

10 Q Do you know where they were taken?

11 A Where who were taken?

12 Q The males were taken?

13 A No, I do not.

14 Q Do you know if all the males were taken outside of the
15 apartment?

16 A No, I don't.

17 MR. DINNERSTEIN: I have nothing further.

18 THE COURT: Thank you. Mr. Dinnerstein.

19 Any redirect.

20 MR. LOONAM: No, Your Honor.

21 THE COURT: Thank you.

22 You are excused. Have a good day.

23 THE WITNESS: Thank you.

24 THE COURT: Call your next witness.

25 MS. BERGER: I would like to read a short

Spivack - direct/ Bitkower

1303

1 stipulation into the record.

2 This is marked as Government Exhibit 320.

3 THE COURT: Received.

4 MS. BERGER: Approximately 2008 through
5 January 2010, Naquib Jaji, N A Q U I B J A J I, resided 247
6 61 Ontario Drive, Aurora, Colorado, and the parties agree to
7 the admissibility of the stipulation.

8 THE COURT: All right.

9 MR. BITKOWER: The government calls Aaron Spivack.

10 THE COURT: Good morning.

11 THE WITNESS: Good morning.

12 A A R O N S P I V A C K , having been
13 first duly sworn/affirmed, testified as follows:

14 THE CLERK: Please state and spell your name for the
15 record.

16 THE WITNESS: Aaron A-A-R-O-N, Spivack
17 S-P-I-V-A-C-K.

18 MR. BITKOWER: May inquire, Your Honor?

19 THE COURT: Yes.

20 DIRECT EXAMINATION

21 BY MR. BITKOWER:

22 Q Good morning, sir.

23 A Good morning.

24 Q How are you currently employed?

25 A Special Agent with the Federal Bureau of Investigation.

Spivack - direct/ Bitkower

1304

1 Q How long have you been a special agent with the Federal
2 Bureau of Investigation?

3 A Approximately three and a half years.

4 Q And what are your current responsibilities with the FBI?

5 A I investigate the sexual exploitation of children.

6 THE COURT: If you press the little green light.

7 MR. DINNERSTEIN: Okay.

8 THE COURT: Sorry.

9 Q Sir, I'm going to direct your attention to the afternoon
10 of January 7th of 2010. Did you have the same responsibilities
11 with the FBI on that day?

12 A No, sir, I did not.

13 Q What were your responsibilities on that day?

14 A I was an agent assigned to a surveillance squad,
15 counterterrorism surveillance squad.

16 Q On that date were you assigned to surveil anyone in
17 particular?

18 A Yes, I was.

19 Q And who were you assigned to surveil?

20 A A gentleman by the name of Adis -- and I'm going to
21 mispronounce the last name, I'm sure -- Medunjanin.

22 Q And I am going to ask you, Agent Spivack, if you could
23 look around the courtroom and tell me if you see Adis
24 Medunjanin in the courtroom here today?

25 A Yes.

Spivack - direct/ Bitkower

1305

1 Q Could you point him out and describe an article of
2 clothing he is wearing?

3 A He is sitting at the table in the back wearing a grayish
4 suit, I think a blue shirt, and a beard.

5 THE COURT: Identifying the defendant.

6 MR. BITKOWER: Thank you, Your Honor.

7 Q On January 7th of 2010, Special Agent, did you work by
8 yourself or on a team?

9 A I was on a team.

10 Q And can you tell the jury who else was on your team that
11 day?

12 A Yes, sir.

13 It was myself, Special Agent Ted Rose, Detective
14 Eddie Brandon (ph), New York Police Detective, Detective Arnie
15 Nunez (ph), those are the agents present that day. A little
16 bit later another agent, Michael Samelson (ph) showed up.

17 Q Were you conducting surveillance on foot or in a vehicle?

18 A This particular day we were in a vehicle.

19 Q Did you have your own vehicle or did you have to share a
20 vehicle?

21 A We each had our own vehicles.

22 Q When did you begin your surveillance on that afternoon?

23 A We began at 1:10 p.m. that afternoon.

24 Q And where did you begin surveillance?

25 A In the vicinity of target resident which was 29-49 137th

Spivack - direct/ Bitkower

1306

1 Street, Flushing, New York.

2 Q When say the, "target residence," can you explain what
3 you mean?

4 A Yes, we were assigned to surveil the defendant at his
5 residence which was located in that building.

6 Q And did there come a time that anyone arrived at the
7 apartment while you were watching?

8 A Yes.

9 Q And who did you observe arrive?

10 A Observed a team of FBI agents.

11 Q And can you approximate how many agents?

12 A Four or five, or three to five agents.

13 Q Could you recognize any of the agents?

14 A Yes.

15 Q Who?

16 A The case agent, Special Agent Farbod Aziz, as well as
17 another agent whose name I don't recall.

18 Q Where were you observing from when you saw the agents
19 arrive?

20 A I was observing from my vehicle. I had what was called
21 th eye at that point in time, meaning I was the agent
22 responsible for watching the entrance to the target residence,
23 and from my vehicle I could see the agents coming up from the
24 behind me, approaching the entrance to the residence.

25 Q And what, if anything, did you see the agents do?

Spivack - direct/ Bitkower

1307

1 A All I did -- all I saw them do is enter the residence and
2 then a short some time later leave the residence.

3 Q And when you say, "a short time," can you approximate how
4 long the agents were in the apartment?

5 A Maybe a few minutes. Not very long.

6 Q And after the agents left the apartment, did there come
7 time that the defendant left the building?

8 A Yes, there was.

9 Q Who had the eye at that point?

10 A It was Special Agent Ted Rose.

11 Q And where were you parked at that point?

12 A I was with the other members of the team at our staging
13 location which was at Toys R Us parking lot. Short distance
14 away.

15 Q When you say, "a staging location," can you explain what
16 you mean?

17 A Yes, sir.

18 At any given time if we're monitoring a particular
19 residence we will have one or two people monitoring the
20 residence, the eye. Everybody else is off the set at a nearby
21 location, so that we can respond if the subject were to leave
22 the residence or anything of that sort.

23 Q And did there come a time that you actually personally
24 saw the defendant?

25 A Yes, sir, there was.

Spivack - direct/ Bitkower

1308

1 Q Immediately prior to seeing the defendant, without
2 telling us what anyone told you, did you receive a radio call
3 from anyone?

4 A I did.

5 Q Who did you receive a radio call from?

6 A Agent Rose.

7 Q Approximately what time was that radio call?

8 A According to my notes, approximately 3:47 p.m.

9 Q For the record, is there a Government Exhibit sticker
10 there on the notes you are referring to?

11 A Yes, 3500-AS-1.

12 Q And what is that document?

13 A This is a surveillance log that was taken that day.

14 Q And did you prepare that log?

15 A No, sir, I did not.

16 Q And so when you're saying 3:47 p.m., that is what appears
17 on the log?

18 A That is correct. My initials are next to it as well, so
19 indicating that I had seen and agreed with the time, and
20 statement written on the log.

21 Q And again, without telling us what the content of the
22 call was, what, if anything, did you do in response to that
23 call?

24 A As soon as the call came over the radio, I was already in
25 my vehicle. I immediately started to head towards the target

Spivack - direct/ Bitkower

1309

1 location.

2 Q And why did you do that?

3 A It was in response to my knowledge that the defendant was
4 leaving the residence. Not knowing where he was going to go,
5 it was our job to get in a position to follow him wherever he
6 was going.

7 Q And where did you leave from?

8 A The Toys R Us parking lot.

9 Q Where did you go to?

10 A To the 2949 137th Street.

11 Q And when you reached 137th Street were you headed
12 northbound or southbound?

13 A At that point I was headed southbound.

14 Q Can you tell the jury what, if anything, you observed
15 once you reached 137th Street?

16 A Yes, sir.

17 As soon as I turned, I had to make a right on to
18 137th Street. As I was heading southbound, as soon as I turned
19 on the road, the defendant was passing by me going northbound
20 in a silver Nissan Altima that I knew to be his.

21 MR. BITKOWER: Your Honor, if I can show just the
22 witness what's been marked for identification as Government
23 Exhibit 49.2.

24 Q Is this on your screen, can you see this on your screen?

25 A Yes, sir, I can.

Spivack - direct/ Bitkower

1310

1 Q And what is this?

2 A This is a map of the Whitestone Expressway, a map that
3 would be the vicinity of the subject of the location.

4 Q Are you familiar with this area of New York?

5 A I am, yes.

6 Q What borough is this in?

7 A This is in the Borough of Queens.

8 MR. BITKOWER: Your Honor, I am going to offer 49.2.

9 MR . DINNERSTEIN: No objection.

10 THE COURT: Received.

11 (Government Exhibit 49.2 received and marked in
12 evidence)

13 Q Sir, can you point out where on this map the Whitestone
14 Expressway is?

15 A Yes, sir.

16 This is where -- well, I guess this -- no, I don't
17 want to touch the screen.

18 THE COURT: You never these before.

19 A (Cont'd): That is not familiar to me, but basically, is
20 the road kind of going through the middle, top to bottom,
21 middle of the map with 678 on it, Interstate 678 says it is
22 the Whitestone Expressway.

23 Q And can you demonstrate, approximately, where on this map
24 the defendant's apartment is?

25 A Yes, sir.

Spivack - direct/ Bitkower

1311

1 Towards the bottom of the screen there's a road that
2 says Linden and I think it Linden Place I think is what it is.
3 There you go. And that is the approximate location of the
4 defendant's residence.

5 Q Where my pen is pointed?

6 A Correct, sir, approximately.

7 MR. BITKOWER: And Your Honor, if I can just show the
8 witness what's been marked for identification as Government
9 Exhibit 49.1.

10 Q Do you recognize what's in is this exhibit?

11 A I do, sir.

12 Q What is it?

13 A This is an aerial shot, an image of the staging area of
14 Whitestone Expressway and the target location.

15 Q If I turn it the way I have just turned it, which
16 direction on this exhibit would be north?

17 A Up would be north, sir.

18 Q The top?

19 A Yes.

20 Q And so you said -- is this the same, is this also in
21 Queens, New York?

22 A Yes.

23 Q And again, are you familiar with the streets and
24 locations depicted on this image?

25 A Yes, sir, I am.

Spivack - direct/ Bitkower

1312

1 Q And is it a fair and accurate representation of where
2 those buildings and streets are?

3 A Yes, sir, it is.

4 MR. BITKOWER: Your Honor, at this point I will offer
5 49.1.

6 MR . DINNERSTEIN: No objection.

7 THE COURT: Received, and the top is where the
8 sticker is?

9 THE WITNESS: Yes correct.

10 (Government Exhibit 49.1 received and marked into
11 evidence)

12 Q Sir, can you point out on this image, again, do you
13 recognize, first of all, which is the defendant's building,
14 which is the residence?

15 A Yes, I do.

16 Q If you press on the screen it should be a yellow mark.

17 A Okay. Right in there. That's not exactly where I
18 pressed, but that is the street -- the street just to the left
19 of those two dots is 137th Street. So, basically, those two
20 dots would be, my opinion, the target residence.

21 Q So, if I put my pen here, is my pen roughly on top of
22 137th Street?

23 A That is correct.

24 Q Would the defendant's building be to left or to the
25 right?

Spivack - direct/ Bitkower

1313

1 A To the right which would be to the east.

2 Q You also mentioned you were in a staging area at Toys R
3 Us parking lot?

4 A Yes.

5 Q Where would that be?

6 A Right here. Right in there (indicating).

7 Q The dark item here?

8 A Yes, sir.

9 Actually, where the yellow dot is, the second group
10 there is probably where I was parked.

11 Q Where this yellow dot right here?

12 A Probably a little bit above of that, that is where we
13 approximately were staged.

14 Q First of all when you saw the agents going into the
15 apartment earlier where were you staged at that point?

16 A Almost directly across from the entrance to the target
17 residence.

18 Q And then when you referred to receiving a radio call and
19 proceeding to the apartment from Toys R Us, can you tell us
20 what route you took to get there?

21 A Yes, sir. This road that kind of goes underneath --
22 really not correct -- where I pointed -- it goes underneath
23 the Whitestone Expressway, I believe it's Linden Place. I
24 would have left the Toys R Us parking lot. I would have gone
25 underneath the Whitestone Expressway on Linden and then I

Spivack - direct/ Bitkower

1314

1 would have taken the access road to 137th Street.

2 Q If I can demonstrate. This is my pen again on it further
3 up?

4 A Yes, it is.

5 Q And is this road that crosses underneath the Whitestone,
6 is that Linden?

7 A Correct.

8 Q And then you said you took a left on the acces road
9 that's referring to this road, southeast of the Whitestone at
10 this point?

11 A Yes, sir.

12 Q And then you identified this before as 137th Street; is
13 that correct?

14 A Yes.

15 Q And approximately, how long did it take for you to get
16 from the staging area to 137th Street when you received that
17 radio call.

18 A I would have to venture to say it was probably under a
19 minute. It was quick.

20 Q And you say you saw the defendant passing you in his car
21 that night?

22 A Yes.

23 Q And what direction was he headed?

24 A He was headed north.

25 Q Would that be toward Whitestone?

Spivack - direct/ Bitkower

1315

1 A Yes.

2 Q And what, if anything, did you do when you saw the
3 defendant pass you in his vehicle?

4 A As soon as the defendant was out of my sight, my rearview
5 mirror when, I didn't think he could see me I made a U turn
6 and proceeded to follow the defendant.

7 Q And when you say you didn't think he could see you, why
8 was that important to you?

9 A Given our covert capacity on the surveillance team, I
10 didn't want to blow my cover. If he were surveillance
11 conscious and he saw me making a U turn, he may assume that he
12 was being watched. So I waited until I didn't think that was
13 a factor and I made a U turn and proceeded to follow.

14 Q And again, without telling us what anyone else may have
15 told you, what did you do next?

16 A I proceeded to follow him on the Whitestone Expressway.

17 Q And which direction on the Whitestone Expressway?

18 A Heading north.

19 Q And would that be toward the top of this image?

20 A Correct, towards, I think, the sticker.

21 Q And were you able to actually catch up to the defendant's
22 vehicle while it was moving?

23 A While it was moving, no.

24 Q Can you describe what happened after you -- what road or
25 roads did you follow him on?

Spivack - direct/ Bitkower

1316

1 A Strictly on the Whitestone Expressway.

2 Q And headed northbound?

3 A Headed northbound.

4 Q Can you describe what it is that happened when you headed
5 on the Whitestone?

6 A At some point after a few minutes I observed an accident
7 involving the defendant's vehicle and at least one other
8 vehicle.

9 Q And where was this that you observed that accident?

10 A This would have been happened just south of, I think it
11 is, Exit 16, which is the split from -- I think the Whitestone
12 Expressway continues and then I think another road becomes a
13 Cross Island Expressway.

14 Q And I'm going to switch back to Government Exhibit 49.2.
15 Can you demonstrate where on Government Exhibit 49.2 you came
16 upon this accident?

17 A Yes, this would have been, approximately, that location
18 up there on the Whitestone Expressway.

19 Q Indicating where I 678 intersects with another road?

20 A Correct. It would be just south of that actual split.

21 Q And approximately, how long was it from when you
22 encountered the defendant heading northbound on 137th Street
23 and when you came upon the scene of the accident?

24 A That was, approximately, eight minutes.

25 Q And can you describe what it is you observed when you

Spivack - direct/ Bitkower

1317

1 arrived at that scene?

2 A Yes, sir.

3 When I arrived at that scene I observed the
4 defendant's vehicle, another vehicle that were, obviously, in
5 an accident, and then I observed the defendant, Special Agent
6 Rose, and another individual whom I don't know were off the
7 side of the road. They were not on the medium itself, but
8 they were off of the -- off of the road.

9 Q When you came upon the scene did you get out of your car
10 right away?

11 A No, not right away. No, sir.

12 Q Why not?

13 A At that point, Agent rose was speaking to the defendant.
14 I didn't know what Agent Rose was saying. Again, knowing that
15 I'm acting in a covert capacity, I don't want to blow our
16 cover. I also want to keep officer's safety in mind, but I
17 didn't know if Agent Rose had come up with some kind of ruse,
18 what he was telling the defendant. I didn't want to blow our
19 cover, so I waited and observed until I felt it was necessary
20 to get out of the car.

21 Q And did there come time you actually got out of the car?

22 A Yes, I did.

23 Q And why did that happen?

24 A After watching this for maybe a minute, I observed Agent
25 Rose make a handcuffing gesture to the defendant. He had the

Spivack - direct/ Bitkower

1318

1 defendant turn around, put his hand behind his back. At that
2 point I knew that Agent Rose was going to be arresting the
3 defendant, so I got out of my car and to assist.

4 Q And can you describe what you did to assist?

5 A Yes, sir.

6 I ran up from my car. I wasn't far away. I ran up
7 and then I proceeded to help Agent Rose with actually
8 handcuffing and called double locking the handcuffs.

9 Q What did you do next?

10 A At that point I escorted the defendant across the road to
11 a kind of a clearing where the road splits. There was, like,
12 a grassy kind of dirt patch clearing that I took the defendant
13 to, so I could kind of stage him there. I frisked him and
14 that is where we waited for an ambulance.

15 Q Can you describe when first encountered the defendant on
16 the road, what was his apparent condition?

17 A He appeared to me to be frazzled, but otherwise, okay.

18 Q Did he appear to be injured?

19 A No. I man no obvious signs of injury.

20 Q Was he able to walk across the road to where you staged
21 him?

22 A He was because now he was in custody, I was holding on to
23 him, but he certainly didn't need my assistance in walking.

24 Q Was he able to respond to your instructions?

25 A Yes, sir.

Spivack - direct/ Bitkower

1319

1 Q And so you took him to a grassy area?

2 A I did.

3 Q What did you do there?

4 A At that point I put him on the ground, laid him down, and
5 proceeded to frisk him.

6 Q And what, if anything, did you find?

7 A As far as I remember, I found some, like, notes, called
8 pocket litter. Some miscellaneous items that were in his
9 pocket, some change. I believe I found some keys.

10 Q And what, if anything, did you do after you searched the
11 defendant?

12 A At that point I think I handed the items over to another
13 agent or detective. I don't remember who was there. I went
14 back to my car for a few minutes leaving the defendant with
15 this other agent or detective.

16 Q And did there come time when you came back to the grassy
17 area where the defendant was?

18 A Yes, sir, I did.

19 Q And approximately how long had you been gone for?

20 A Maybe a minute. Maybe not even.

21 Q And when you got back to the grassy area -- first of all,
22 how was the defendant's posture?

23 A I think at this point I sat him up. I think he was still
24 in the ground but I sat him up so he could at least sit up.

25 Q And at this point did you say anything to the defendant?

Spivack - direct/ Bitkower

1320

1 A I did.

2 Q What did you say?

3 A I asked him -- I don't remember exactly what I said, but
4 I asked him how he was feeling, if he was okay. I knew that an
5 ambulance was coming but I wanted to know if he was -- how
6 serious his injuries were.

7 Q Did you ask him anything about that?

8 A I did. I asked him, you know, how are you, are you okay.
9 You know, again, I knew an ambulance was coming. Just trying
10 to gauge his injury.

11 Q And without saying exactly what the defendant said in
12 response, did he say anything to you in response?

13 A He did.

14 Q And can you describe what his demeanor was at that time?

15 A He was calm. Calm demeanor.

16 Q Did he respond how he was feeling in terms of whether he
17 needed an ambulance?

18 A No, sir, he did not.

19 Q And how generally did he respond?

20 A He engaged me in a religious conversation. Nothing to do
21 with the --

22 MR. DINNERSTEIN: Objection.

24 (Continued on next page)

25

Spivack - direct/ Bitkower

1321

1 MR. DINNERSTEIN: I just want to know if this is the
2 conversation at this point -- this is all that you are going
3 to elicit from this witness, or are you going to into the
4 specifics of the conversation because I thought that --

5 THE COURT: I precluded the specific conversation
6 about whether he is a Jew and people's individual religions
7 and that applies to all statements made by the defendant.

8 MR. BITKOWER: That is correct. Before I called the
9 witness I actually discussed with the defense counsel the
10 precise questions.

11 MR. DINNERSTEIN: Just wanted to know.

12 (End of side-bar)

13 (Continued on next page).

Spivack - direct/ Bitkower

1322

1 THE COURT: Go ahead.

2 BY MR. BITKOWER:

3 Q And again, how did you did the defendant respond to your
4 question?

5 A He didn't answer the specific question. He again engaged
6 me in a religious conversation.

7 Q And at the time he engaged you in a religious
8 conversation did he appear hostile or angry?

9 A No, sir, he did not.

10 Q Did he appear scared?

11 A No.

12 Q Did he appear panicked?

13 A No, sir.

14 Q Did you engage the defendant in return in a religious
15 conversation?

16 A No, sir, I did not.

17 Q Did the defendant ever answer your question about his
18 physical condition?

19 A Not really, sir.

20 Later on at some point -- it wasn't immediately
21 thereafter, it was probably a few minutes after that, he did
22 mention something about his shoulder hurting, but it was not
23 in response to my question.

24 Q Did an ambulance arrive at some point?

25 A It did.

Spivack - direct/ Bitkower

1323

1 Q What happened once the ambulance arrived?

2 A Once the ambulance arrived we kind of stepped back and
3 let them do what they needed to do, but then shortly
4 thereafter, we ended up handcuffing to a gurney and he was
5 taken to a hospital.

6 MR. BITKOWER: Your Honor, if i can just show just
7 the witness what has been marked Government Exhibit 49.

8 Q Sir, do you recognize what's depicted on this exhibit?

9 A I do.

10 Q And what is depicted there?

11 A This is the area where the accident occurred.

12 Q On what road?

13 A This is, again, the Whitestone Expressway looking
14 northbound.

15 MR. BITKOWER: I offer Government Exhibit 49.

16 MR. DINNERSTEIN: No objection.

17 THE COURT: Received.

18 (Government Exhibit 49 received and marked in
19 evidence)

20 Q And so, Special Agent, is the road here the Whitestone
21 Expressway?

22 A Correct.

23 Q What is off to the left here?

24 A The left, that is where the Whitestone Expressway
25 continues.

Spivack - direct/ Bitkower

1324

1 Q Off to the right?

2 A Off to the right is where, I believe, splits into, I
3 think, it is Cross Island Expressway.

4 MR. BITKOWER: I am going to put 49.2 for a second.

5 Q Again, can you tell us where this is on 49. 2?

6 A Right. It appears actually where those yellow dots are,
7 approximately, where that image is.

8 MR. BITKOWER: And Your Honor, if I could leave the
9 map up while I show the witness what' been marked for
10 identification as 49.3.

11 Q Do you recognize this?

12 A Yes.

13 Q What is this?

14 A This is the same image you just had up, again, the
15 Whitestone Expressway with the northbound view.

16 MR. BITKOWER: Your Honor, if I could offer 49.3 and
17 publish on the easel?

18 THE COURT: Sure, is the enlargement of the previous
19 one?

20 THE WITNESS: Yes, it is.

21 MR. DINNERSTEIN: May I move over?

22 THE COURT: Sure, you can.

23 MR. DINNERSTEIN: I assume he is going to make
24 reference to it.

25 MR. BITKOWER: Again, if the Court would indulge me,

Spivack - direct/ Bitkower

1325

1 if I ask the witness to step down and --

2 THE COURT: Yes. Just make sure you keep your voice
3 up.

4 THE WITNESS: Yes, sir.

5 THE COURT: Especially if you have your back to the
6 court reporter.

7 Q Special Agent, can you indicate when you first arrived at
8 the scene of the accident what it is you saw and where you saw
9 it on this image?

10 A I saw, again, the accident involving at least two cars.
11 Probably -- it must not have been much further south than this
12 area here, I don't remember exactly how much further south it
13 is, I remember the defendant's car was somewhere within these
14 white lines. Myself, my car, would have been in this left
15 lane, just a little bit further south than that when I got to
16 the scene .

17 Q Thank you.

18 When you say, "these white lines", are you referring
19 to the white lines in the middle of the picture?

20 A Yes.

21 Q And when you said where your car was, are you referring
22 to the left lane over here where this dark bluish station
23 wagon is?

24 A Yes. When I showed up, arrived at the scene, Agent Rose,
25 the defendant and another individual were off to the side.

Spivack - direct/ Bitkower

1326

1 Again, they weren't on the median but they are off to -- they
2 were not in traffic, I guess, but I don't remember how far
3 south they were. Probably right where that SUV is.

4 Q And when you actually got out of your car can you
5 describe where went and what you did with the defendant?

6 A I took the defendant up to this area here. Looks like
7 it's a kind of a grass road. I remember it being more of a
8 dirt patch at the time but it was this kind of area.

9 Q You are referring to the area just immediately south of
10 the Exhibit 16 sign?

11 A I am.

12 Q And can you indicate where on this photograph the
13 defendant engaged you in this religious discussion?

14 A Same area right here. Once I moved him there, that is
15 where he was until the ambulance took him away.

16 Q Thank you. You can return to your seat?

17 A (Witness complied)

18 MR. BITKOWER: Your Honor, if I can ask the witness
19 -- if I can show the witnesses a few exhibits.

20 Q Showing you exhibits is 43, 44, 42, 45, and 46. Do you
21 recognize these five exhibits?

22 A Yes, sir, I do.

23 Q What is depicted in these five exhibits?

24 A The defendant's vehicle after the crash.

25 Q Was that before the crash or after?

Spivack - direct/ Bitkower

1327

1 A After the crash.

2 Q And do these exhibits fairly and accurately depict what
3 the vehicle looked like to you when you arrived at the crash
4 scene?

5 A Yes.

6 Q Is the vehicle in the exhibits actually at the crash
7 scene?

8 A Not in these images, no.

9 MR. BITKOWER: Your Honor, at this time I want to
10 offer 42 through 46.

11 MR. DINNERSTEIN: No objection.

12 THE COURT: Received.

13 (Government Exhibits 42 through 46 received and
14 marked into evidence)

15 Q I will begin with Government Exhibit 45.

16 Agent Spivack, you testified that this was not taken
17 at the crash scene, do you recognize where it was taken?

18 A Yes, I believe that it was taken at the precinct. I
19 believe it's the 109 Precinct in Queens.

20 Q And when was it taken?

21 A That evening of the incident. I think January 7th.

22 Q Showing you Exhibit 44, was that taken at the same
23 location?

24 A Appears to be, yes, sir.

25 Q And I'm showing Exhibit 43, what about that photograph?

Spivack - direct/ Bitkower

1328

1 A Same. Same location.

2 Q Then showing, finally, Government Exhibit 46, what is
3 depicted in this picture?

4 A Same vehicle. I'm not sure of the location.

5 Q And finally, Agent Spivack, you testified earlier that
6 Whitestone Expressway is an interstate; is that correct?

7 A Correct.

8 Q What interstate number is it?

9 A 678.

10 Q Did the actual car crash and the government's response to
11 the car crash have any affect on the traffic on that
12 interstate highway?

13 A It did.

14 Q What affect did it have?

15 A Two. First, we significantly slowed traffic down. Myself
16 and at least a couple of other vehicles were in -- stopping at
17 least one or two lanes of traffic, and then at some point we
18 ended up having the New York Police Department Bomb Squad show
19 up just as a measure of precaution, but when they came we
20 actually shut down the entire expressway, preventing all
21 northbound traffic from moving.

22 MR. BITKOWER: Thank you.

23 No further questions.

24 THE COURT: Thank you, Mr. Bitkower.

25 Mr. Dinnerstein.

Spivack - cross/ Dinnerstein

1329

1 CROSS-EXAMINATION

2 BY MR. DINNERSTEIN:

3 Q Good afternoon, Agent.

4 A Good afternoon.

5 Q You said, sir, on direct examination you presently have
6 been employed with the Federal Bureau of Investigation for
7 about three and half year?

8 A That's correct.

9 I have been a special agent for, approximately,
10 three and a half years. I have been employed for a little
11 over six.

12 Q And what was your employment prior to becoming a special
13 agent?

14 A I was intelligence analyst with the FBI prior to special
15 agent.

16 Q Now, in January of 2010 you had been a special agent for
17 about a year and a half; is that correct?

18 A Approximately. Sounds about right.

19 Q And at that time were you a member of what is known as
20 the Joint Terrorism Task Force?

21 A I was, sir.

22 Q And that was a joint force with the New York Police
23 Department and FBI agent; is that correct?

24 A Correct.

25 Q And how long had you been a member of the Joint Terrorism

Spivack - cross/ Dinnerstein

1330

1 Task Force?

2 A I think probably late November. So maybe a month and a
3 half, approximately.

4 Q Now, you also mentioned on direct examination that you
5 were conducting surveillance; is that correct?

6 A Yes, sir, that is correct.

7 Q And on this particular date you were conducting
8 surveillance at 29-49 137th; is that right?

9 A That's right.

10 Q And how long have you been conducting surveillance at
11 that location?

12 A It was definitely not our first time. We had probably
13 maybe a half dozen times, maybe a little bit more, at that
14 particular location.

15 Q Do you know whether or not other agents also conducted
16 surveillance at that particular location?

17 A Yes, sir, I do.

18 Q And do you know how long the surveillance had been going
19 on at that particular location?

20 A I don't. I know it had been going for a fairly lengthy
21 time, but I don't know exactly how long.

22 Q I'm sorry. When you say fairly lengthy, could you
23 approximate how long it was?

24 A Probably at least a few weeks.

25 Q And it may have actually been longer?

Spivack - cross/ Dinnerstein

1331

1 A Certainly. Certainly.

2 Q Now, you said, sir, that you had been at that location
3 five or six times; is that correct?

4 A As I recall, yes, sir.

5 Q Did anything happen -- and you would work an eight or 12
6 hour shift when you were at that location at that time?

7 A Typically eight hour shifts.

8 Q And there would be four or five other FBI agents and New
9 York Police Department Officers who would also be present
10 during those shifts?

11 A That's correct.

12 Q And I won't ask you to go into the details, we have
13 talked about this a little bit, but one person is an eye, and
14 the other people kind of go into a staging; is that correct?

15 A Typically, and in a setting like this, yes.

16 Q Now, the five or six times you had seen or been present
17 at that location 29-49 137th Street, did you notice whether or
18 not -- and Mr. Medunjanin was the subject; is that correct?

19 A That's correct.

20 Q Did he ever go out during these five or six occasions?

21 A Yes, sir. Couple of times we observed him leaving the
22 residence.

23 Q And did you follow him when he went out?

24 A Yes, sir, we did.

25 Q And where did he go, those other occasions?

Spivack - cross/ Dinnerstein

1332

1 A Most of the time it was to work. I believe I only saw him
2 leave the residence two or three other times. Two of the
3 times was to work and maybe one other time was headed to a
4 doctor or a lawyer's visit. I can't recall.

5 Q And this would be -- these visits occurred in what,
6 December of 2009 or January of 2010?

7 A Probably December, maybe the first week of January.

8 Q And you would take notes as to each of those times that
9 he went out of the location?

10 A As a surveillance team, we would.

11 Q As a surveillance team?

12 A Yes, sir.

13 Q And did you learn where he worked?

14 A Yes, sir.

15 Q And where did he work?

16 A I know he was a doorman for an apartment building in the
17 Flat Iron district in Manhattan. I don't know the exact
18 address off the top of my head.

19 Q So in terms of moving the investigation forward, you
20 weren't there to observe him go to work, right?

21 A I mean, yes, I suppose.

22 Q But you were there to conduct an investigation with the
23 police department regarding a terrorist; is that correct?

24 A No, sir. My role was purely a surveillance role. It was
25 just to observe where he went and what he did.

Spivack - cross/ Dinnerstein

1333

1 Q Did you know who the case agent was in this case?

2 A I did.

3 Q And who was that?

4 A I believe it was Special Agent Farbod Azad.

5 Q Did he provide you with any directions as to what he was
6 hoping to get from this surveillance?

7 A Not to me personally.

8 Q And he may have spoken to other people in the
9 surveillance team; is that correct?

10 A Possibly.

11 Q Or your supervisor?

12 A Possibly, yes.

13 Q Now, did you ever see him go to a mosque?

14 A No, sir. I don't recall.

15 Q Now, were you also present as a part of a search team in
16 September of 2009?

17 A Regarding this particular case, no, sir. I was not. I
18 don't believe so.

19 Q Were you present in any way in terms of the investigation
20 of Najibullah Zazi, you're shaking your head yes?

21 A Yes, sir, I was.

22 Q How were you present with Najibullah Zazi?

23 A That particular matter I was a part of our mobile command
24 unit, team of agents, we were actually out in Queens
25 overseeing the take-down of several individuals that led to

Spivack - cross/ Dinnerstein

1334

1 this case.

2 Q And what date was?

3 A I don't recall the date off the top of my head.

4 Q And how about Ahmedzay, were you also present when things
5 happened regarding his particular case?

6 A If it was part of that same take-down, then I was. If
7 not, then I -- probably not.

S.A. A. Spivack - Cross / Dinnerstein

1335

1 BY MR. DINNERSTEIN: (Continued)

2 Q Could you tell the Ladies and Gentlemen of the Jury what
3 a take-down is?

4 A Yes, sir. General term for an arrest, typically.

5 Q Now, let's talk about January 7th of 2010, okay.

6 Did you know that a warrant was going to be executed
7 on that particular day?

8 A I did.

9 Q And were you the "I" when the warrant was being executed?

10 A Yes, sir, I was.

11 Q And did you make a notation of the warrant being
12 executed?

13 A I did not, no.

14 Q Do you know whether anybody made that notation?

15 A Yes, sir. I mean, I know it was called out over the
16 radio. I don't know if somebody wrote it down or not. I
17 would not have necessarily written it down because I was not
18 on what we call log duty, so I would have relayed it over the
19 radio for someone else to take note of it.

20 Q Okay. And you said, sir, that you filled out a log -- or
21 not that you personally filled out a log, but someone filled
22 out a log; is that correct?

23 A That's correct.

24 MR. DINNERSTEIN: And this is AF-1, I'm going to
25 just show the witness.

S.A. A. Spivack - Cross / Dinnerstein

1336

1 THE COURT: Hold on.

2 (The above-referred to Exhibit was published to the
3 witness.)

4 Q Are you able to see that?

5 A I am, sir.

6 Q Now, there's -- is that the log that we're talking about
7 that was filled out on that particular day?

8 A That's correct.

9 Q Now, this log was not filled out by you; is that correct?

10 A That's correct.

11 Q But you said that when you saw the agents entering the
12 building and you knew that they were executing a search
13 warrant, you, sir, noted that and put it over the radio that
14 that, in fact, is happening; is that correct?

15 A I did, yes, sir.

16 Q Is there any indication on the log that that was
17 observed?

18 A No, sir.

19 Q Do you know why?

20 A No, sir.

21 Q Okay. Would that typically, the fact that a search
22 warrant is being executed, be something that one would
23 generally put down on a surveillance log?

24 A Possible, sir. I mean, I could see why it wouldn't be.
25 But I would, in my log, I might put it in.

S.A. A. Spivack - Cross / Dinnerstein

1337

1 Q Why would it not be?

2 A You can view the log as the actions of the subject, in
3 which case, you know, executing search warrant, we did not see
4 the subject do anything so, in essence, the log is really what
5 the subject did, when the subject did it and that sort of a
6 thing.

7 Q But you could also do it as to a significant event;
8 right?

9 A You certainly could, yes, sir.

10 Q And certainly, an execution of a search warrant would be
11 considered a significant event?

12 A Yes, sir.

13 Q So, some other agent may have put it down; right?

14 A Possibly, sir.

15 Q What was the reason why you told the other officers that
16 the search warrant was being executed?

17 A More just as a heads-up, as an FYI.

18 Q I see. Now, did you know whether or not there were
19 telephone calls that were being intercepted from
20 Mr. Medunjanin's phone?

21 A I'm sorry, at the time of surveillance, sir, or just in
22 general?

23 Q At the time that you were conducting surveillance?

24 A I don't know if I knew it at the time. I may have
25 learned it afterwards. I don't know when I learned that

1 information.

2 Q Now, you, of course, never spoke to Mr. Medunjanin, other
3 than on January 7th; is that correct?

4 A That's correct.

5 Q And you never spoke to Mr. Medunjanin's parents; is that
6 correct?

7 A Never.

8 Q And you never spoke to his sister; is that correct?

9 A That's correct.

10 Q Now. Did you know whether or not Mr. Medunjanin had a
11 lawyer?

12 A I believe I did, yes, sir.

13 Q And did you know whether he had a lawyer on January 7th?

14 A It's my understanding that he did, yes, sir.

15 Q And who told you that?

16 A I don't recall who exactly. I mean, it would have been
17 information that was passed down through my team.

18 Q Now, you said, sir, that around -- what time was the
19 search warrant executed that you observed?

20 A Estimating, probably 1:30 or so. It was shortly after we
21 initiated surveillance.

22 Q And when you say "we," actually at that particular
23 moment, you were the person who was the --

24 A I apologize. When I say "we," I mean my team. We took
25 over the surveillance from another team.

S.A. A. Spivack - Cross / Dinnerstein

1339

1 Q There had been another team prior to 1:10, thereabouts?

2 A Correct. Correct.

3 Q Now, you said that you received information from
4 Agent Roese at some point that Mr. Medunjanin was driving the
5 vehicle; is that right?

6 A Yes, sir. Well, the information I received was that he
7 was leaving the apartment, heading towards the vehicle.

8 Q Okay. And at that point, that was also a heads-up; is
9 that correct?

10 A Correct.

11 Q And at that point, did you continue to receive radio
12 communication with Agent Roese?

13 A Yes, sir.

14 Q And he made several radio communications; is that
15 correct?

16 A Yes, sir.

17 Q And as a result of those radio communications, you moved
18 your vehicle; is that correct?

19 A That's correct.

20 Q And this is, I think it's...

21 (Pause in the proceedings.)

22 MR. DINNERSTEIN: This is Government's Exhibit 49-2,
23 which is in evidence.

24 (The above-referred to Exhibit was published to the
25 jury.)

S.A. A. Spivack - Cross / Dinnerstein

1340

1 Q Now, you mentioned, sir, that there was a Toys "R" Us; is
2 that correct?

3 A Yes, sir.

4 Q And can you see where the Toys "R" Us is in this
5 particular location?

6 A Not on the view here, sir. If you move it up a little
7 bit.

8 (Complies.)

9 A Yes, sir. Linden Place, down here (indicating). That's
10 where the Toys "R" Us would have been in, on that side.

11 Q On that screen, you can make a yellow mark, I hope?

12 A Yes.

13 (Complies.)

14 A That group of dots over there, that's an approximate
15 location of the Toys "R" Us.

16 Q Whitestone Bridge at that point goes over a highway, over
17 the highway; is that correct?

18 THE COURT: You mean the Whitestone Expressway?

19 Q The Whitestone Expressway?

20 A Yes, sir -- I'm sorry?

21 Q I'll repeat the question.

22 The Whitestone Expressway is on overpass; is that
23 correct?

24 A Meaning, is it raised?

25 Q Yeah, is it raised?

S.A. A. Spivack - Cross / Dinnerstein

1341

1 A Hmm... probably at some points -- yeah. I mean, it had
2 to have been at some points because I know Linden Place goes
3 underneath it.

4 Q So, you can get on the highway northbound or southbound?

5 A I don't think there. Linden Place goes underneath the
6 Whitestone and you have to take an access road to actually get
7 on the Whitestone.

8 Q Now, and these numbers over here on the map, like 14 and
9 15, those are exits; is that correct?

10 A Yes, sir, I believe so.

11 Q And are they both -- and are there also, there's exits
12 and there's entrances; is that correct?

13 A Correct.

14 Q And if -- there's both entrances and exits going both
15 northbound and southbound; is that correct?

16 A I assume so, sir. I mean, because I don't know if each
17 exit has both, but I assume so.

18 Q And the way one would get to, let's say if one wanted to
19 travel southbound on the Whitestone Expressway, one would have
20 to go underneath the highway and then go south and then be on
21 the access road and then eventually get on the highway; is
22 that correct?

23 A I guess, depending on what exit you're at. I don't know
24 what exits go underneath, what go over. I know at Linden, you
25 have to go underneath the Whitestone.

S.A. A. Spivack - Cross / Dinnerstein

1342

1 Q So, at some point you say, sir, you saw Mr. Medunjanin's
2 vehicle; is that right, sir?

3 A Yes, sir.

4 Q And he was driving in a northbound direction and you were
5 going in a southbound direction; is that correct?

6 A That is correct.

7 Q And that would be on 137th Street at that time?

8 A Yes, sir.

9 Q And now, did you notice the rate of speed?

10 A No, sir, I did not.

11 Q Now, at some point, you say you saw the vehicle.

12 Did you also see, by the way, Agent Roese's vehicle?

13 A I knew that Agent Roese was following. I don't remember
14 if I actually saw Agent Roese or not.

15 Q And then at some point, though, you turned your vehicle
16 around; is that correct?

17 A That is correct.

18 Q And when you turned your vehicle around, you lost sight
19 of Mr. Medunjanin's vehicle; is that correct?

20 A That is correct.

21 Q And then you drove onto the highway; is that correct?

22 A That's right.

23 Q And do you know what exit or entry you got on?

24 A No, sir, I made no note of it. I just, I got on the
25 access road and as soon as I could get on the expressway, I

S.A. A. Spivack - Cross / Dinnerstein

1343

1 was on.

2 Q And how long did you follow the vehicle until you saw the
3 exit?

4 A A couple miles.

5 Q Couple miles?

6 A I'm sorry, until -- maybe I didn't understand your
7 question, sir.

8 Q Sure. How long did you follow -- not the vehicle.

9 When did you see the exit once you got onto the
10 expressway?

11 A When did I see the exit?

12 Q The accident.

13 A Oh, accident.

14 Q I'm sorry.

15 A I'm sorry, a couple minutes. Few minutes, maybe eight
16 minutes or so.

17 Q And then, at the time you saw the accident, you saw
18 Agent Reese, you saw another individual, and you saw
19 Mr. Medunjanin; is that correct?

20 A That's correct.

21 Q And they were standing on the left side of the highway;
22 is that correct?

23 A When I got to them, yes, sir, they were.

24 Q And can you see this?

25 THE COURT: You can come down, go ahead.

S.A. A. Spivack - Cross / Dinnerstein

1344

1 THE WITNESS: Thank you, sir.

2 (Witness steps down.)

3 Q It would be over whether these trees are?

4 A Yes, sir, I don't know how far north or south it was, but
5 it would have been on the left side.

6 Q And there's a ramp here on the left side, a railing her
7 is that correct?

8 Do you see the railing on the other side?

9 A On the southbound side, yes, sir.

10 Q Okay of the railing would be -- this is a median between
11 the north side of the highway and south side of the highway;
12 is that correct.

13 A That's correct.

14 Q And how high is this median?

15 A Not very high. A couple feet.

16 Q And if one goes over the median, they would be going on
17 the south side of the Whitestone Expressway; is that correct?

18 A That's correct.

19 MR. DINNERSTEIN: Okay, you can go back.

20 THE WITNESS: Okay.

21 (Witness resumes stand.)

22 Q Now, sir, at some point, you saw Agent Roese putting
23 handcuffs on Mr. Medunjanin; is that correct?

24 A That's correct.

25 Q And he was being handcuffed from the back --

S.A. A. Spivack - Cross / Dinnerstein

1345

1 A Yes, sir.

2 Q -- is that correct?

3 Now, what was he being arrested for at that time?

4 A I had no idea.

5 Q Did you ask Agent Roese what he was being arrested for?

6 A Not at the moment, sir, no.

7 Q Is it typical that when there's an accident, somebody
8 gets arrested?

9 A Not -- I mean, it depends on the situation, I suppose.

10 Q Would it typically, if somebody was going to be arrested,
11 would it be a Federal crime?

12 A No, not necessarily, sir, no.

13 Q Would an accident ever be a Federal crime?

14 A I guess not that I can think of.

15 Q But Agent Roese handcuffed him; is that correct?

16 A Yes, sir.

17 Q And then Agent Roese -- and you then approached
18 Agent Roese; is that correct?

19 A Yes, sir.

20 Q And you decided that you needed to search Mr. Medunjanin;
21 is that correct?

22 A That's correct.

23 Q And that's because Agent Roese had just placed him under
24 arrest?

25 A That's because anybody in custody, we do a protective

S.A. A. Spivack - Cross / Dinnerstein

1346

1 sweep-over, to make sure there's nothing on him to cause us
2 harm or to himself.

3 Q Even though, at that moment, you had no idea what he was
4 being arrested for; is that correct, sir?

5 A That's correct.

6 Q Now, you then moved -- you can come down over here again.

7 (Witness steps down.)

8 Q You moved Mr. Medunjanin from this side of the highway
9 across the highway to this; is that correct?

10 A That's correct.

11 Q And that would be the area around where the exit 16 sign
12 is?

13 A Just in front of it.

14 MR. DINNERSTEIN: Okay, thank you, sir.

15 (Witness resumes stand.)

16 Q And you, then, placed Mr. Medunjanin on the ground; is
17 that correct?

18 A I did.

19 Q And that would be face-down; is that right?

20 A Initially, yes, sir.

21 Q Now, and you would search him to see whether or not he
22 had any sort of weapons or anything like that; is that
23 correct?

24 A Correct. Correct.

25 Q Now, do you recall what you took from him?

S.A. A. Spivack - Cross / Dinnerstein

1347

1 A Now, not off the top of my head. Some pocket litter,
2 notes, things of that sort. Some keys maybe. I think there
3 was maybe a pocket sized Koran, perhaps.

4 Q You said pocket litter?

5 A I'm sorry, we call it pocket litter, I apologize. It's
6 basically notes, things that are crumpled up in his pocket.

7 Q Did you notice whether or not he had a search warrant in
8 his pocket?

9 A He may have. Honestly, sir, without referring to what
10 was collected, I wouldn't be able to tell you for sure.

11 Q And you didn't fill out any inventory as to the items
12 that were taken from him at that time; is that correct?

13 A Not me personally, no.

14 Q Now, there came a point where an ambulance arrived; is
15 that correct?

16 A That's correct.

17 Q And you were still with Mr. Medunjanin when the ambulance
18 arrived; is that right?

19 A I don't know if I was either with him or I was in the
20 vicinity. Somebody was with him.

21 Q And he would have still been in that general area around
22 where the exit 16 sign is?

23 A Yes, sir.

24 Q And he was cooperative; is that correct?

25 A Yes, sir.

S.A. A. Spivack - Cross / Dinnerstein

1348

1 Q And he was polite to you --

2 A He was.

3 Q -- is that correct.

4 And you said, he indicated something about his
5 shoulder hurt; is that correct?

6 A At some point, yes, sir, he did.

7 Q And he also -- but it was your determination that he
8 wasn't badly hurt; is that correct?

9 A Based on the physical observation of him; correct.

10 Q When he said his shoulder hurt, did you ask him where his
11 shoulder was hurting?

12 A May have. At that point the ambulance was, I think, just
13 about there.

14 Q So, then the ambulance came and whatever medical
15 treatment he was to receive was going to be with the ambulance
16 crew; is that correct?

17 A That's correct.

18 Q You're, of course, not a doctor; right?

19 A That's correct.

20 Q Now, sir, you said on direct examination that he, that
21 you handcuffed him to a, to the back-board that the ambulance
22 crew took out for him; is that correct?

23 A That's correct.

24 Q What was the reason that you did that for?

25 A He's in custody. Anybody in custody, especially when

S.A. A. Spivack - Redirect / Bitkower

1349

1 we're passing them off to non-law enforcement, certainly we're
2 going to handcuff them to the gurney.

3 Q Did you go in the ambulance with him?

4 A I did not.

5 Q Do you know whether or not any other officer went with
6 him in the ambulance?

7 A It's my belief that somebody did, but I don't know who.

8 Q Now, other than the notes that I showed you before, did
9 you take any other notes regarding this case?

10 A No, sir.

11 MR. DINNERSTEIN: Thank you very much, sir. I have
12 nothing further.

13 THE COURT: Thank you, Mr. Dinnerstein.

14 Any redirect, Mr. Bitkower?

15 MR. BITKOWER: Very briefly, Your Honor.

16 REDIRECT EXAMINATION

17 BY MR. BITKOWER:

18 Q Government's Exhibit 3500-AS-1, what is that?

19 A This is our surveillance log.

20 Q For January 7th of 2010?

21 A That's correct.

22 MR. BITKOWER: Unless there's an objection from
23 defense counsel, I'll offer that as an Exhibit.

24 MR. DINNERSTEIN: No objection.

25 THE COURT: Received.

S.A. A. Spivack - Redirect / Bitkower

1350

1 (Government's Exhibit 3500-AS-1 was received in
2 evidence.)

3 MR. BITKOWER: No further questions.

4 THE COURT: All right, you are excused.

5 THE WITNESS: Thank you.

6 THE COURT: Have a good day.

7 (Witness excused.)

8 THE COURT: Call your next witness.

9 MR. LOONAM: The Government calls Special Agent
10 Farbod Azad.

11 (Witness takes stand.)

12 THE COURTROOM CLERK: Please, raise your right hand.

13 **S. A. F A R B O D A Z A D,**

14 called by the Government, having been
15 first duly sworn, was examined and testified
16 as follows:

17
18 THE COURTROOM CLERK: Take a seat and state and
19 spell your name for the record.

20 THE WITNESS: First name is Farbod -- F-A-R-B-O-D,
21 last name Azad -- A-

22 Q -A-D?

23 MR. LOONAM: May I enquire, Your Honor?

24 THE COURT: Yes.

25 MR. LOONAM: Thank you.

S.A. F. Azad - Direct / Loonam

1351

1 DIRECT EXAMINATION

2 BY MR. LOONAM:

3 Q Special Agent, what do you do for a living?

4 A I'm an FBI special agent.

5 Q All right. How long have you been employed by the FBI?

6 A About four years.

7 Q All right. Are you assigned to a particular FBI task
8 force?

9 A Yes, the New York JTTF.

10 Q All right. And what does the JTTF stand for?

11 A The Joint Terrorism Task Force.

12 Q And are you assigned to a particular squad on the
13 New York JTTF?

14 A Yes, CT-4.

15 Q And what does CT stand for?

16 A Counter-terrorism.

17 Q And does CT-4 have an assigned area of responsibility?

18 A Our responsibility is threats to the homeland emanating
19 from Pakistan or Afghanistan.

20 Q Now, in connection with your duties as a special agent
21 assigned to CT-4, did a time come when you worked on an
22 investigation involving the defendant, Adis Medunjanin?

23 A Yes.

24 Q What was your assigned role in that investigation?

25 A I was assigned as the case agent.

S.A. F. Azad - Direct / Loonam

1352

1 Q Did you have a co-case agent assigned to work that case
2 with you?

3 A Yes.

4 Q Who was that?

5 A Detective Maysonet.

6 Q Directing your attention to September 14th, 2009.

7 Was there a development of the investigation of the
8 defendant on that day?

9 A Yes.

10 Q Can you please tell the Court about that development.

11 A There was a development where he were going to execute a
12 search warrant and interview the defendant.

13 Q And where was that search warrant executed?

14 A Apartment 6-A at 29-49 137th Street in Flushing.

15 Q And what was the search warrant for?

16 A A number of things, but mainly for explosives or
17 bomb-making materials or anything that could be used to store
18 data, notes, media, things like that.

19 Q And what time was the warrant executed?

20 A About 2:30 a.m.

21 Q Okay. And were you part of the team that first entered
22 the defendant's apartment to execute the search warrant?

23 A I was not.

24 Q All right. Who made the first entry into the defendant's
25 apartment?

S.A. F. Azad - Direct / Loonam

1353

1 A A team of SWAT members.

2 Q After the SWAT team entered the defendant's residence,
3 were you aware of whether the defendant was handcuffed?

4 A Yes. Yes, he was.

5 Q And were members of the defendant's family handcuffed?

6 A Yes, they were.

7 Q All right. And why were they handcuffed?

8 A It's normal protocol for the SWAT team after they make
9 entry to make sure they have positive control over all the
10 occupants to make sure that the scene is safe.

11 Q All right. And do you know how long they were handcuffed
12 for?

13 A I don't.

14 Q What was your role during the execution of the search
15 warrant at defendant's residence on September 14th?

16 A I was there to interview the defendant.

17 Q All right. And did you interview the defendant?

18 A Yes.

19 Q And did you do so by yourself or with anyone else?

20 A With Detective Maysonet.

21 Q All right. And how did it come about that you
22 interviewed the defendant on September 14th?

23 A We entered the apartment, identified the defendant by a
24 photo that we had, asked that he be unhandcuffed, we
25 introduced ourselves and asked if he was willing to speak to

S.A. F. Azad - Direct / Loonam

1354

1 us. We had some questions and some things we wanted to clear
2 up.

3 Q And what was the defendant's reaction when you asked if
4 he was willing to speak with you?

5 A He agreed. He said yes.

6 Q All right. And what was the defendant's affect or his
7 demeanor at the time when you approached him?

8 A He was a little shaken.

9 Q And where did the interview take place?

10 A Outside the residence. It's on a street corner a couple
11 blocks away.

12 Q You say a couple blocks away. Why did you not interview
13 the defendant in his apartment?

14 A There was an active search taking place, there would have
15 been a lot of commotion, people coming in and out searching
16 for things, looking through things. We just didn't want the
17 distractions there.

18 Q All right. And how did you get to the location where you
19 conducted the interview?

20 A We drove him.

21 Q All right. And was the defendant handcuffed at any point
22 during the interview or during the transport to the location
23 where you conducted the interview?

24 A No, he was not.

25 Q When was the defendant unhandcuffed?

S.A. F. Azad - Direct / Loonam

1355

1 A Inside the residence when we first approached him.

2 Q All right. And who unhandcuffed him?

3 A I can't -- I think one of the SWAT members. We asked
4 that he was -- he be unhandcuffed.

5 Q Now, did you or Detective Maysonet say anything to the
6 defendant at the outset of the interview?

7 A Yes. We introduced ourselves, told him that we had a
8 terrorism investigation that we were looking for some answers
9 to. We explained that this was completely voluntary, we
10 thanked him for being willing to come with us and conduct the
11 interview with us and we started the interview.

12 Q All right. And how could the defendant have returned to
13 his apartment had he chosen to end the interview?

14 A He could have just walked home.

15 Q Now, how long would you estimate that you spoke with the
16 defendant on September 14th?

17 A It's about two to three hours.

18 Q Okay. And how were you positioned, physically, during
19 the course of this interview?

20 A We were outside the car standing around, all of us,
21 either on the sidewalk, on the curb, on the grassy area,
22 sometimes leaning on the car. We'd moved about, changed
23 positions throughout the interview.

24 Q All right. And can you describe defendant's demeanor
25 during the course of the interview?

S.A. F. Azad - Direct / Loonam

1356

1 A Yes. He was calm once we were there. He was willing to
2 answer our questions. We had back-and-forth conversation.

3 Q All right. And what was the tone of the overall
4 interview?

5 A It was friendly.

6 Q Now, what general topics were discussed during the course
7 of the interview?

8 A We discussed the defendant's background, his education,
9 some of his associates, and his overseas travel.

10 Q Now, you testified that the defendant discussed his
11 background with you.

12 What did the defendant testify and -- what did the
13 defendant tell you about his background?

14 A Defendant said that he was born in Bosnia, he had moved
15 to the United States when he was younger with his family,
16 about 1994, had lived here since, and he had become a U.S.
17 citizen about 2002.

18 Q And did the defendant discuss his level of education?

19 A Yes, he did.

20 Q What did he tell you about that?

21 A He said he had graduated high school and graduated from
22 college as well.

23 Q All right. And did he tell you where he went to college
24 and what he studied, what his degree was in?

25 A Yes, he said he went to Queensborough College or Queens

S.A. F. Azad - Direct / Loonam

1357

1 College and he had a degree in economics.

2 Q During the course of the interview, did the defendant
3 discuss his employment with you?

4 A Yes, he did.

5 Q What did he tell you about his employment?

6 A He said that he was employed as a security guard for a
7 building and he was working two days a week.

8 Q Did the defendant indicate how much income he earned
9 during, you know, while working two days a week?

10 A Yes, he said that he earned about \$220 after taxes.

11 Q Okay. All right, during the course of your interview
12 with the defendant, did the topic of religion come up?

13 A Yes, it did.

14 Q Did the topic -- and who raised that topic?

15 A The defendant.

16 Q All right. And did that topic come up once or more than
17 once during the course of the interview?

18 A More than once.

19 Q And did the defendant seem comfortable and confident in
20 discussing religious topics with you?

21 MR. DINNERSTEIN: Objection.

22 THE COURT: Overruled.

23 A Yes. He was very comfortable and confident in his
24 knowledge.

25 Q Now, you testified that the defendant discussed some

S.A. F. Azad - Direct / Loonam

1358

1 travel?

2 A Yes.

3 Q Did the -- what travel did the defendant discuss with
4 you?

5 A The defendant said he had traveled back to Bosnia with
6 his family a couple times, he had been to Saudi Arabia, and
7 had traveled to Pakistan.

8 Q Let's focus on the travel to Pakistan.

9 What did the defendant tell you about his travel to
10 Pakistan?

11 A He said he had travelled to Pakistan in August of 2008
12 with a couple of his friends.

13 Q And did he name the friends that he travelled to Pakistan
14 with?

15 A Yes. He said Najibullah Zazi and Zarein Ahmedzay.

16 Q Did the defendant indicate how long he was in Pakistan
17 for?

18 A Yes. He said, I think it was just under a month.
19 26 days, I think.

20 Q And did the defendant say -- well.

21 Did the defendant indicate where he stayed while in
22 Pakistan?

23 A Yes, he said he had stayed at a relative, an uncle of
24 Najibullah's house -- a relative's house, Najibullah's uncle
25 in Peshawar, Pakistan.

S.A. F. Azad - Direct / Loonam

1359

1 Q And did the defendant make statements to you about why he
2 travelled to Pakistan?

3 A Yes. He said he had gone to Pakistan in order to get
4 married to Najibullah's cousin.

5 Q And did the defendant make any statements to you about
6 whether or not he was married while he was in Pakistan?

7 A Yes. He said the marriage did not work out. He was not
8 married while there.

9 Q And did he explain to you why the marriage did not work
10 out?

11 A Yes. He said that he, there was a dowry associated with
12 the marriage and he they found out about a week or ten days
13 before returning that he could not afford the dowry, he had
14 not brought enough money; therefore, he was not married.

15 Q What is a dowry?

16 A Money or gifts to the family of the bride.

17 Q No, did you the defendant make statements about what he
18 did while in Pakistan?

19 A Yes. He said that they stayed in Peshawar the entire
20 time and that they visited various mosques and restaurants.

21 Q Did the defendant tell you whether or not he had traveled
22 to Waziristan during his travel to Pakistan?

23 A The defendant said they had not traveled to Waziristan.

24 Q Did the defendant make any statements about whether
25 Najibullah Zazi returned to the United States from Pakistan?

S.A. F. Azad - Direct / Loonam

1360

1 A Yes. He said that Najibullah Zazi returned at a later
2 time, after the defendant had returned from Pakistan.

3 Q And did the defendant indicate or tell you his
4 understanding of what Najibullah Zazi did upon returning to
5 the United States from Pakistan?

6 A Yes. Najibullah moved to Colorado shortly after
7 returning from Pakistan. He went to live with an uncle of his
8 in Colorado.

9 Q You testified earlier that the defendant discussed some
10 of his associates.

11 Was one of the associates he discussed Zarein
12 Ahmedzay?

13 A Yes.

14 Q All right. What information, if any, did the defendant
15 give you about his relationship with Zarein Ahmedzay?

16 A He said he had known Zarein Ahmedzay since the ninth
17 grade in high school, they were close friends.

18 Q Now, did the defendant describe Zarein Ahmedzay as a
19 former friend or a current friend?

20 A Current friend.

21 Q And did he describe any ongoing activities he
22 participated in with Zarein Ahmedzay?

23 A He described playing basketball with Zarein Ahmedzay.

24 Q All right. In discussing his time in Pakistan, did the
25 defendant tell you that he had a falling-out with Zarein

S.A. F. Azad - Direct / Loonam

1361

1 Ahmedzay that affected his -- their friendship?

2 A No.

3 MR. DINNERSTEIN: Your Honor, I would just object to
4 the leading questions.

5 THE COURT: Sustained.

6 Let's take our lunch break. We'll resume at
7 2:00 o'clock.

8 Don't discuss the case. All rise.

9 (Jury exits at 12:59 p.m.)

10

11 (In open court.)

12 (The following occurs outside the presence of the
13 jury.)

14 THE COURT: He's got a point.

15 MR. LOONAM: Understood.

16 THE COURT: You've got to invite his attention to a
17 particular area and then ask him to tell the jury what the
18 defendant said, because you're leading too much.

19 MR. LOONAM: Yes, sir.

20 THE COURT: See you at 2:00.

21

22 (Continued on following page with AFTERNOON
23 SESSION.)

24

25

Azad - direct - Loonam

1362

1 A F T E R N O O N S E S S I O N

2

3 (In open court; jury not present.)

4 MR. LOONAM: Your Honor, there's an issue with the
5 defendant's post-arrest statement. It was not raised by the
6 defense motion in limine. I think it prudent to preview it
7 for your Honor before we elicit it.

8 The defense, through questioning, has suggested that
9 the defendant may have been pressured or intimidated by his
10 trainers to just go along with whatever the plan was while he
11 was in Waziristan in the Al Qaeda compound. However, during
12 his post-arrest statement, the defendant described his
13 relationship with one of his trainers, Yousef, and it's very
14 informal and very friendly, and during the course of
15 describing his relationship, the defendant told the agent that
16 he had made various racially-charged jokes to Yousef, and was
17 specific with respect to the racially-charged yokes he made
18 with Yousef, because he was so comfortable. It's probative,
19 because it shows the defendant was comfortable with these guys
20 in a very informal way. Obviously, because of the nature of
21 the subject matter, I want to preview it for your Honor, so we
22 can discuss it before it's elicited.

23 THE COURT: All right. Is there an objection to
24 eliciting it?

25 MR. DINNERSTEIN: Yes, your Honor.

Azad - direct - Loonam

1363

1 I think balancing the 403 and 404 issues, they have
2 other stuff that they could introduce, and this, in terms of a
3 balancing test, I submit, your Honor, is unnecessary for them
4 to say something or elicit something that might be insightful.

5 THE COURT: It's really hard for me to have a good
6 feel for this until I get all of the testimony. So, I don't
7 want you to elicit it. At the end of your direct of the
8 relevant witness, you can ask for a sidebar. I may well wait
9 and hear what the tenor of the cross-examination is, as well.

10 MR. LOONAM: Okay, your Honor.

11 Can the agent at least generally describe when his
12 relationship with Yousef was comfortable and relaxed, without
13 getting into the specifics at this point? Depending on the
14 cross-examination and the entire testimony, we may be able to
15 raise this issue. Is that fair?

16 THE COURT: The answer is, yes, to the extent --
17 and there was an objection in this regard before the lunch
18 break, to whether the defendant was comfortable. You may
19 recall that objection.

20 In my view, that's kind of paradigm lay-opinion
21 testimony. They are observing him. I think the question was
22 whether he was comfortable in discussing his religious views,
23 and that's based, I think, fairly under 701, based on things
24 that the testifying agent observed. So, I overruled that
25 objection. I think that's fair ground here.

Azad - direct - Loonam

1364

1 But stay away for now -- obviously, the capacity
2 for unfair prejudice when it comes to racially-charged jokes
3 is great, which is why you admirably raised it yourself before
4 the jury heard it. I don't want you to go there. As I say,
5 at the end of direct. If you want me to reconsider this, feel
6 free to come to sidebar. Be prepared for me, not to elicit it
7 on direct, and I'll see whether it's fair rebuttal after
8 cross-examination.

9 (Jury present.)

10 FARBOD AZAD, resumed

11 THE COURT: Please be seated. We're ready to
12 resume.

13 MR. LOONAM: May I continue, your Honor?

14 THE COURT: Yes, go ahead, Mr. Loonam.

15 DIRECT EXAMINATION (Continued)

16 BY MR. LOONAM:

17 Q Good afternoon, Agent Azad.

18 A Good afternoon.

19 Q Now, during your discussions with the defendant on
20 September 14, did the defendant discuss his opinion of
21 Najibullah Zazi?

22 A Yes, he did.

23 Q What did he tell you about?

24 A He said Najibullah Zazi is a 100 percent good guy.

25 Q Were those his words?

Azad - direct - Loonam

1365

1 A Those were his words.

2 Q Did he describe the nature of his relationship with
3 Najibullah Zazi?

4 A Yes. He said they had met at the Masjid Abubakr, and
5 they had been extremely close ever since.

6 Q Did you ask the defendant about the last time he saw
7 Najibullah Zazi?

8 A Yes.

9 Q What he did he tell you about?

10 A He said that he had last seen him on that Thursday, the
11 Thursday before the interview, which would have been
12 September 10 at Abubakr for the evening prayer.

13 Q Now, during your discussions with the defendant, did you
14 ask him how frequently he communicated with Najibullah Zazi?

15 A Yes, we did.

16 Q What did he tell you about that?

17 A He initially said that he was in touch with Najibullah
18 Zazi about once a month. When we pressed him and told him we
19 could get the phone, he said, Okay, it's more like ten to
20 fifteen times a month, to include these messages and phone
21 calls.

22 Q And did that discussion -- strike that.

23 And so, when you discussed the last time the
24 defendant had seen Najibullah Zazi, did you ask him any
25 questions as to whether he had been expecting to see

Azad - direct - Loonam

1366

1 Najibullah Zazi in New York?

2 A Yes. He said that Najibullah had texted him about a week
3 before he came to New York, letting him know that he was
4 coming to town.

5 Q Showing you what's in evidence as Government's Exhibit
6 206. Do you recognize Government's Exhibit 206?

7 A Yes, I do.

8 Q What do you recognize it to be?

9 A That is the defendant's cell phone.

10 Q How do you recognize it?

11 A We seize it on the 14th, seized it again in January of
12 2010.

13 Q Why was it seized twice?

14 A It was seized originally during the first search that we
15 discussed already, on the 14th. Then we had given it back to
16 him, and then we had consent to search it the second time in
17 January.

18 MR. LOONAM: May I approach, your Honor?

19 THE COURT: Yes.

20 Q I'm going to ask you to pop off the back of Government's
21 Exhibit 206 and pull out the battery, and see if you could
22 read the "IMEI" number that appears on that phone?

23 A Yes.

24 Q Would you please read the IMEI number?

25 A It's IMEI 358265012463912.

Azad - direct - Loonam

1367

1 Q Okay. I'm now going to publish what's in evidence as
2 Government's Exhibit 207-A. What is Government's Exhibit
3 207-A?

4 A That is the data report for the cell phone.

5 Q I hate to do it to you. I'll ask it this way: Does the
6 IMEI number that appears on this record match the IMEI number
7 for that phone?

8 A Yes, it does. Thank you.

9 Q What was the defendant's phone number for that phone?

10 A The phone number was 718-216-6644.

11 Q Now, have you had an opportunity to review toll records
12 in your capacity as case agent, to see whether there were any
13 texts consistent with the defendant's statement that he had
14 been notified by Najibullah Zazi on this trip?

15 A Yes. I have reviewed the text messages that were on this
16 phone at the time we seized it.

17 Q Did you review any of the toll records to look for that
18 text?

19 A Yes, I have.

20 Q Did you find any toll records consistent with that text
21 being sent?

22 A The toll records, yes.

23 Q And when was that text sent, according to the toll
24 records?

25 A September 4, 2009.

Azad - direct - Loonam

1368

1 Q And I'm showing you what's in evidence as Government's
2 Exhibit 181. Does that text appear on Government's Exhibit
3 181?

4 A Yes, it does.

5 Q Which one is it?

6 A September 4 at 11:53 from this 300-500-2877 number to
7 718-216-6644.

8 Q Now, flipping through the Government Exhibits, are there
9 records of the text messages that were on the defendant's
10 phone as of September 19 in this record?

11 A Yes.

12 Q And are there text messages that predate September 4?

13 A Yes.

14 Q And are there text messages that postdate September 4?

15 A Yes.

16 Q But are the September 4 text messages, were they
17 contained on the defendant's phone?

18 A No, they were not.

19 Q In evidence as Government's Exhibit 37, your Honor?

20 Do you recognize Government's Exhibit 37.

21 A Yes, I do.

22 Q Where did Government's Exhibit 37 come from?

23 A That was one of the photos that was stored on the
24 defendant's phone. It's in the report that we just saw.

25 Q Now, what did the defendant have to say about the last

Azad - direct - Loonam

1369

1 time he saw Najibullah Zazi, when you interviewed him on
2 September 14?

3 A He said that he had met with him at Masjid Abubakr on
4 that Thursday, the September 10. They had parted ways and he
5 had not seen him since.

6 Q Now, during your interview with the defendant on
7 September 14, did the topic of any potential attacks come up?

8 A Yes.

9 Q How did it come up?

10 A We brought it up. We wanted to know, we asked the
11 defendant, if there were any impending attacks, plans,
12 anything of that like that we should know about as law
13 enforcement, because we were here for a terrorism
14 investigation.

15 Q And what was the defendant's response?

16 A He told us that he was not aware of any attacks. He was
17 not aware of any plans. He also -- we asked it a couple of
18 different times, and he said, We don't want this war.

19 Q When the defendant said, We don't want this war, did you
20 ask any clarifying questions?

21 A Yes. We thought it was odd, who was "we," what did he
22 mean by "we"?

23 Q What was his response?

24 A His responses were and his friends that we were asking
25 the questions about.

Azad - direct - Loonam

1370

1 Q Who were you asking the questions about?

2 A The defendant and Adis -- Najibullah Zazi and Zarein
3 Ahmedzay.

4 Q Now, did the issue of American foreign policy come up
5 during the course of your interview?

6 A Yes, it did.

7 Q How did it come up?

8 A Again, we were asking about any potential attacks or
9 plans that we should know about, and the defendant brought up
10 by saying, America hates Muslims and America is in the
11 position it is in because of its support for Israel.

12 Q Now, how did the interview of the defendant conclude?

13 A We ended the interview.

14 Q How did the defendant get back to his home?

15 A We drove him back.

16 Q Can you describe the rapport you had with the defendant
17 at the conclusion of the interview?

18 A It was a rapport. It was friendly. We thanked him. We
19 asked him if he would be open for interviewing or meeting
20 again, so we could ask him some more questions, things that
21 needed to be cleared up as time went on. He agreed.

22 Q Can you explain to the Court why it's important for you,
23 as an FBI agent, to try and maintain good rapport with
24 subjects of an investigation?

25 A To put it simply, we want to have good conversation flow.

Azad - direct - Loonam

1371

1 We want the person to feel comfortable speaking to us.

2 Q Did a time come again when you in fact spoke with the
3 defendant?

4 A Yes.

5 Q When was that?

6 A September 17, 2009.

7 Q How did it come about that you interviewed the defendant
8 on September 17?

9 A We, Detectives Maysonet and myself went to his residence.
10 We knocked on the door. The defendant answered. We asked if
11 he was willing to speak to us again, and he agreed.

12 Q Where did that interview take place?

13 A The United States Attorney's Office here in Brooklyn.

14 Q Approximately how long did you speak to the defendant
15 for?

16 A It was about eight hours.

17 Q Was the defendant handcuffed at any point during the
18 interview or before the interview?

19 A No.

20 Q Was the defendant told anything at the outset of the
21 interview?

22 A Yes. We again explained it was voluntary, he had agreed
23 to speak to us. We thanked him. We were concerned about
24 terrorism matters. We just wanted to clear up some more of
25 the same type of questions and topics that we covered in the

Azad - direct - Loonam

1372

1 last interview.

2 Q Did the defendant agree to speak with you?

3 A Yes.

4 Q What topics did you cover during the course of this
5 interview?

6 A Generally, the same topics as the previous interview,
7 just more in detail. We discussed the defendant's travel, his
8 associates, any potential attacks in the United States.

9 Q Did the defendant discuss his relationship with
10 Najibullah Zazi?

11 A Yes.

12 Q What did he tell you during the course of this interview?

13 A He clarified a little more, explained a little more. He
14 said they had become more religious together around the same
15 time about four years prior to this interview. They kind of
16 met at the mosque, and their interest in religion grew
17 together, and they both kind of grew out their beards and
18 learned more about religion together.

19 Q And did the defendant discuss his religious beliefs as
20 they pertained to the interview with you?

21 A Yes. He said it was not permitted for him to lie, not
22 permissible for him to lie.

23 Q And did the defendant discuss his travel to Pakistan?

24 A Yes, he did.

25 Q And what did he say about his travel to Pakistan?

Azad - direct - Loonam

1373

1 A Again, he told us that he had traveled to Pakistan in
2 order to marry Najibullah Zazi's cousin.

3 Q And did the defendant say anything about who he traveled
4 with?

5 A Yes. He said that he had traveled with Najibullah Zazi
6 and Zarein Ahmedzay.

7 Q Did the defendant say anything about why Zarein
8 Ahmedzay's travels?

9 A Yes. Zarein had family, he had a wife in Afghanistan, so
10 he had traveled with them to see the marriage through, and
11 then continue on to see his family in Afghanistan.

12 Q Did the defendant provide any more specifics with respect
13 to this arranged marriage?

14 A Yes. He said Najibullah had told him that there was a
15 cousin of his in Peshawar that he could marry, and the
16 defendant traveled there in order to meet the potential bride
17 and see the marriage through, but it did not work out, because
18 of the dowry situation.

19 Q Did the defendant provide any additional information
20 about the dowry?

21 A Yes. He said about a week before he was set to leave to
22 come back to the United States, he found out the dowry was
23 \$10,000. He did not bring the \$10,000. He had only brought
24 \$3,000 with him. He extended his visa for about ninety days
25 after that, in hopes that the marriage would work out, but

Azad - direct - Loonam

1374

1 ended up coming back in September anyhow.

2 Q Did the defendant tell you what he did with his time in
3 Pakistan?

4 A Yes. He said that they stayed in Peshawar around
5 Najibullah's uncle's house. They went to various mosques and
6 restaurants to eat, and that was it.

7 Q Now, did you ask the defendant any questions about
8 training?

9 A Yes, we did. We asked if he, Najibullah or Zarein had
10 received any sort of training or military-style training while
11 they were there.

12 Q What was the defendant's response?

13 A He said that he had not been approached for training, he
14 had received no training, none of them. Same for all three.
15 None of them had received any sort of training while there.

16 Q Did you ask any questions about whether he saw anyone
17 possess weapons during the course of your interview?

18 A Yes.

19 Q That was a bad question.

20 While you were interviewing the defendant, did you
21 ask him whether he had seen anyone with weapons in Pakistan?

22 A Yes. We asked him if he had seen Zarein Ahmedzay or
23 Najibullah Zazi with weapons, or training on any weapons, or
24 carrying any weapons, transporting any weapons, or if he
25 himself had done any of those things. And he said no as to

Azad - direct - Loonam

1375

1 all those questions. No training, not carrying, never, never
2 anything to do with weapons.

3 Q Did you ask the defendant about interactions he had with
4 Najibullah Zazi upon the return to the United States?

5 A Yes.

6 MR. DINNERSTEIN: Object for the same reason as
7 before. I think he's leading the witness.

8 THE COURT: Overruled.

9 A Yes. He said that he had returned back, the defendant
10 had returned back, in September. Najibullah had returned back
11 in January. He said it was the same day as the Hudson -- the
12 plane landing on the Hudson. And then a few days later, a
13 couple of days later, they had met up at a local mosque again.

14 Q Again, did the defendant say anything about the last time
15 he saw Najibullah Zazi prior to your interview of him on the
16 17th?

17 A Yes. He said that Najibullah had sent him affection,
18 saying, I'll be there in one week. He knew he was coming, and
19 that he had met up with them on that Thursday, September 10
20 for the evening prayer, and afterwards they broke fast
21 together.

22 Q Did the defendant indicate, one way or the other, whether
23 he had expected to see Najibullah specifically at the mosque
24 at the time he saw him?

25 A No, it was not prearranged for that specific meeting,

Azad - direct - Loonam

1376

1 time or place.

2 Q During the course of your interview, did the defendant
3 describe who paid for his living expenses?

4 A Yes. He said that his parents paid for his living
5 expenses, and he saved the \$220 or so that he earned from
6 working.

7 Q Can you describe the defendant's demeanor during the
8 course of the interview?

9 A Yes. Again, it was friendly, polite, conversational. We
10 had taken breaks, bathroom breaks, food, things like that.
11 It was friendly conversation, good demeanor.

12 Q During the course of the interview, did the topic of
13 religion come up?

14 A Yes.

15 Q Who brought that topic up?

16 A The defendants.

17 Q Was that topic brought up once or more than once?

18 A Multiple times.

19 Q At the end of the interview, did the defendant agree to
20 give search samples?

21 A Yes, he did.

22 Q What did he agree to do?

23 A We asked for samples of certain things: Handwriting,
24 voice, shoeprint, mouth swab for DNA, fingerprints, things
25 like that.

Azad - direct - Loonam

1377

1 Q And did the defendant agree to provide those things?

2 A Yes.

3 Q And how did the defendant get back home after the
4 interview?

5 A We drove him home.

6 Q Can you describe the general tone and nature of the
7 conversation, if any, with the defendant in the car driving
8 him home?

9 A Yes. It was just general conversation, light topics,
10 none of the substantive interview topics that we talked about.
11 That's all.

12 Q Directing your attention to January 7, 2010, did you have
13 any interaction with the defendant on that day?

14 A Yes.

15 Q Now, between September 17, 2009 and January 7, 2010, did
16 you have any interaction with the defendant?

17 A I do not.

18 Q Did you attempt to interview the defendant during that
19 time period?

20 A No.

21 Q Why not?

22 A Mainly because we learned that he had retained an
23 attorney. We didn't think an attempt at an interview would be
24 fruitful.

25 Q Now, what was your first interaction with the defendant

Azad - direct - Loonam

1378

1 on January 7, 2010?

2 A We had gone to the defendant's residence to execute a
3 search warrant.

4 Q What was the search warrant for?

5 A His passports.

6 Q Can you please describe for the Court the interactions
7 you had with the defendant while executing the search warrant?

8 A Yes.

9 It was polite. Detective Maysonet and myself
10 knocked on the door. The defendant answered. We told him
11 that we had a search warrant, we were there lawfully, asked if
12 we could come in. He invited us in. We asked if he would
13 like us to take our shoes off. We did. It was friendly.

14 Q When you say you knocked on the door, where did you knock
15 on the door?

16 A Just standing knocking on the front door of the
17 residence.

18 Q Where was the residence?

19 A I'm sorry.

20 Apartment 6A of 2924 137th Street, Flushing.

21 Q When you entered the residence, what did you do?

22 A We had some light conversation. We told him why we were
23 there with the search warrant. We explained what we were
24 there for. We asked who else was home, just for safety
25 reasons. He said his sister was home, but she was sleeping.

Azad - direct - Loonam

1379

1 Then we told him we were there for his passports.

2 Q Did you give the defendant a copy of the search warrant?

3 A Yes, we did.

4 Q Did the defendant have a reaction after you gave him the
5 search warrant?

6 A Yes. He asked if we had contacted his attorney. We said
7 no. We were there from the court. He could contact his
8 attorney if he would like. He asked what the numbers of the
9 violation on the search warrant meant.

10 Q What did you respond to him?

11 A I told him he could either look them up or ask his
12 attorney.

13 Q Was the defendant restrained at any time during the
14 execution of the warrant?

15 A No.

16 Q Did you obtain the defendant's passports?

17 A Yes.

18 Q How did you obtain them?

19 A His sister had woken up. She came out into the common
20 area where we were. We explained what we were there for,
21 asked her for the passports, and she retrieved them from the
22 closet.

23 Q And she gave you passports?

24 A Yes.

25 Q What happened after you obtained the passports?

Azad - direct - Loonam

1380

1 A I looked through them, made sure it was what we wanted.
2 I returned the other family members' passports back to the
3 defendant's sister, and then completed -- it's a receipt form
4 that we provide when we take things, we seize things.

5 Q Did the defendant sign that receipt form?

6 A Yes, he did.

7 Q What happened after the defendant signed the receipt
8 form?

9 A Detective Maysonet asked him what name he had signed on
10 the bottom of the sheet form. He asked him if he had used the
11 name -- if he signed the name Mohammed.

12 Q What was the significance of Detective Maysonet asking
13 the defendant if he used the name Mohammed to sign the receipt
14 form?

15 A It let the defendant know that we were aware of his
16 kunya, his name in Pakistan, and his activities there.

17 Q Did the defendant have a reaction when Detective Maysonet
18 asked if he had signed the receipt form Mohammed?

19 A Yes. The defendant was visibly shaken. I can see the
20 skin tone went a little more pale. His mouth was open, but he
21 wasn't saying anything. He took a couple of steps towards
22 another room, but came right back in to us. He was definitely
23 shaken.

24 Q How long would you estimate that you were in the
25 apartment executing the search warrant?

Azad - direct - Loonam

1381

1 A About a half hour.

2 Q And what happened after you obtained the receipt form and
3 you observed the defendant's reaction to being called
4 Mohammed? What did you guys do?

5 A Left. Went back to the office.

6 MR. LOONAM: Just for the witness, your Honor.

7 THE COURT: Go ahead.

8 Q Showing you what's marked as Government's Exhibit 122.

9 Do you recognize Government's Exhibit 122.

10 A Yes, I do.

11 Q What do you recognize it to be?

12 A That is the defendant's U.S. passport.

13 Q I'm going to show you 125-A, 125-G, 125-H, 125-I, 125-J
14 and 125-M?

15 Do you recognize the photographs depicted in the
16 Government's Exhibits that I just referenced.

17 A Yes, I do.

18 Q What do you recognize these photographs to depict?

19 A Those are various pages from the defendant's passport.

20 MR. LOONAM: Your Honor, the government moves to
21 admit and 125-M, 125-J, 125-I, 125-H, 125-G and 125-A at this
22 time.

23 MR. DINNERSTEIN: No objection, your Honor.

24 THE COURT: Received.

25 (So marked.)

Azad - direct - Loonam

1382

1 Q Publishing 125-G. What's depicted on Government's
2 Exhibit 125-G?

3 A I believe it's page ten. It is -- I see a little bit of
4 a glare. If you could tilt it, it would help me out.

5 It looks like a Saudi Arabian Haj visa.

6 Q And Government's Exhibit 125-H?

7 A This is a Omra visa from the King of Saudi Arabia.

8 Q And publishing 125-I. Do you recognize that?

9 A Yes.

10 Q What do you recognize it to be?

11 A That is an entry visa for Pakistan.

12 Q Just going back to 125-H, you testified that this was an
13 Omra visa?

14 A Yes.

15 Q Can you tell the Court what Omra is?

16 A It's a pilgrimage to Mecca. There's Haj and Omra. This
17 is one of those trips.

18 Q And so when you referred to Haj before, that's also a
19 pilgrimage to a holy city, to Saudi Arabia?

20 A Yes.

21 Q Back to 125-I. What is 125-I?

22 A This is the Pakistani entry visa from that passport.

23 Q Do you see the date of issue on this visa?

24 A Yes. It's 8-26. August 26, 2008.

25 Q That's this here?

Azad - direct - Loonam

1383

1 A Yes.

2 Q Do you see what the duration of this visa is?

3 A It is a one-month duration. It allows a one-month stay.

4 Q Is one month from when?

5 A One month from entry. There's a window between 8-26,
6 August 26 and 11-25, which is the next line, where you're
7 allowed to enter. Once you're in through that window, you get
8 to stay for one month.

9 Q And publishing Government's Exhibit 125-M.

10 Are you able to make out what that is.

11 A Can you zoom out a little bit? Yes, this is an extension
12 for that same visa from Pakistan.

13 Q It was issued when?

14 A On September 20. That's a 9 -- it's a 20-9.

15 So, 9-20 would be our version of September 20, 2008.

16 Q And extended the visa for how long? Can you make it out?

17 A No. I'm sorry.

18 Yes. So, it's extended up to 12-16, December 16,
19 2008.

20 Q Again, this was issued on September 20, 2008?

21 A Yes.

22 Q Is this the passport that you seized when you went to the
23 defendant's house?

24 A Yes.

25 Q Where did you go after you seized the defendant's

Azad - direct - Loonam

1384

1 passport?

2 A Back to the JTTF office.

3 Q At some point while you were at the JTTF after executing
4 the search warrant, did you learn of a development in the
5 investigation of the defendant Adis Medunjanin?

6 A Yes. While back at my desk, I received a phone call from
7 one of the surveillance team members, telling me after we had
8 left, the defendant had gotten into his car, left, gotten into
9 a car crash, and they had then had him handcuffed on the side
10 of the expressway.

11 Q How long approximately after the search warrant did you
12 learn that?

13 A About two hours.

14 Q And after learning that the defendant was being detained
15 in connection with a car crash, did you attempt to interview
16 him?

17 A I'm sorry. Can you repeat that?

18 Q Yes?

19 After learning that the defendant was being detained
20 in connection with the car crash, did you attempt to interview
21 him.

22 A Yes, we did.

23 Q Where did that interview occur?

24 A At the hospital he was taken to, New York Hospital,
25 Queens.

Azad - direct - Loonam

1385

1 Q Were there other investigators from the JTTF with you
2 during the interview at the hospital?

3 A Yes. I went with Detectives Murphy and Carney.

4 Q And were you joined by another detective from the JTTF?

5 A Yes. Detective Maysonet joined up with us.

6 Q Upon arriving at the hospital, what did you do?

7 A We went into the emergency room. We knew that the
8 defendant had been taken there from the scene via ambulance,
9 so we went into the emergency room. I went up to the desk
10 that's in the emergency room there, spoke to the person behind
11 the desk, asked -- told them who we were there to see,
12 pointed us to the right bed, asked if the defendant was
13 unconscious, on any medication, alert, if we could speak to
14 the defendant, and the person there said, No medication, was
15 alert, and we could speak to him.

16 MR. DINNERSTEIN: Objection, your Honor, to that.

17 THE COURT: Sustained. Strike it.

18 Q How long were you with the defendant at the hospital?

19 A It was about two hours.

20 Q And what happened at the end of that two-hour period?

21 A The defendant was medically cleared, and we went back to
22 the JTTF office.

23 Q You said the defendant was medically cleared. What had
24 to happen while you were with the defendant for him to be
25 medically cleared?

Azad - direct - Loonam

1386

1 A The medical personnel had to finish their examinations,
2 do their examinations. I believe there was an x-ray that they
3 did. The defendant signed some paperwork, and we were cleared
4 to leave.

5 Q Was the defendant given any treatment or medication
6 during his time at the hospital?

7 A No.

8 MR. DINNERSTEIN: Objection, your Honor.

9 THE COURT: Sustained. Strike it.

10 Q Describe how the defendant -- when you left the
11 hospital, how did the defendant leave?

12 A He walked out with us under his own power.

13 Q Describe how the defendant was situated physically when
14 you first arrived at this hospital?

15 A When we first approached him, he was laying down on a
16 hospital bed, he was strapped to a backboard, had a neck brace
17 on, and was handcuffed to the board, as well.

18 Q What was the defendant's reaction, if any, upon seeing
19 you?

20 A The defendant recognized me. We recognized each other,
21 said hello.

22 Q What was your impression of the defendant's mental
23 awareness at the time?

24 A I felt he was alert and aware. He was answering
25 questions. He recognized me. He was giving appropriate

Azad - direct - Loonam

1387

1 answers.

2 Q Was anything done with respect to the defendant's
3 restraints?

4 A Yes. As soon as we went over, I introduced the
5 detectives that were with me, because he had not met them
6 before, and while I was doing that or right before I did that,
7 we undid the handcuffs, we took the handcuffs off, so he could
8 shake hands with the detectives.

9 Q Were there any discussion about the other restraint on
10 the defendant?

11 A Yes. The defendant asked if we could unrestrain him,
12 take him off the backboard, take the neck brace off. We told
13 him that was up to the medical personnel. We couldn't do
14 that.

15 Q Now, did you question the defendant while at the
16 hospital?

17 A Yes, we did.

18 Q Was he advised of his Miranda rights prior to questioning
19 him?

20 A Yes, he was.

21 Q Did he waive those rights?

22 A Yes, he did.

23 Q Who administered the Miranda warnings to the defendant?

24 A I did.

25 Q Prior to administering the Miranda warnings, did either

Azad - direct - Loonam

1388

1 you or either of the detectives discuss some ground rules for
2 the interview?

3 A Yes. There were some ground rules set. We knew he was
4 represented by an attorney. We told him he didn't have to
5 talk to us. It was totally up to him. We could talk about
6 certain topics that he was comfortable speaking with, and skip
7 over other topics he didn't want to talk about. We could stop
8 talking at any time. These were all up to him.

9 Q Tell the Court how you administered the Miranda warnings.

10 A The defendant was still laying down at this point. I
11 told him about the form. I held the form over, so he could
12 read them. He read them aloud and signed the form.

13 MR. LOONAM: Just for the witness, your Honor.

14 Q I'm showing you what has been marked for identification
15 as Government's Exhibit 310.

16 Do you recognize Government's Exhibit 310.

17 A Yes, I do. That is the signed advice-of-rights form from
18 that night.

19 Q Do you recognize your signature on this document?

20 A Yes.

21 Q And do you recognize the defendant's signature on this
22 document?

23 A Yes, I do.

24 MR. LOONAM: Your Honor, the government offers
25 Government's Exhibit 310 at this time.

Azad - direct - Loonam

1389

1 MR. DINNERSTEIN: No objection.

2 THE COURT: Received.

3 (So marked.)

4 Q Looking at this form, there's a time listed here. Are
5 you able to read that time, and what does it indicate?

6 A Yes. That's 1750. That's the time that the form was
7 introduced by me.

8 Q There's also a time down at the bottom of Government's
9 Exhibit 310. What does that time indicate?

10 A That is when the form was signed or executed and given
11 back to me.

12 Q There's a signature here, where it says "Witness."
13 Whose signature is that, the top line, the first witness?

14 A That first one there is my signature, and that second one
15 is Detective Murphy's.

16 Q And then here, there's a signature underneath a
17 statement. Can you read the statement aloud?

18 A Yes.

19 The statement is "I have read this statement of my
20 rights, and I understand what my rights are. At this time, I
21 am willing to answer questions without a lawyer present."

22 Q Whose signature appears there?

23 A That is the defendant's.

24 Q And when did the defendant sign this form?

25 A 1752 of that night, after reading it and signing.

Azad - direct - Loonam

1390

1 Q Can you translate the 1752?

2 A Sure. It's 5:52 p.m.

3 Q At the outset of the interview, did anyone set any
4 limitations on the interview?

5 A Yes.

6 Q Tell us about that.

7 A The defendant set up some of his own rules or
8 limitations. He said that Islamically, he would not be
9 permitted to speak about his brothers. So, we agreed to move
10 forward.

11 Q Why did you agree to setting limitations to the
12 interview?

13 A Mainly because we just wanted to get the interview going,
14 getting moving on it, and we knew who his associates or
15 friends were.

16 Q Now, did the defendant discuss how he viewed himself
17 during the interview?

18 A Yes.

19 Q What did he tell you about that?

20 A The defendant explained that he viewed himself as a
21 prisoner of war captured on the battlefield. He asked if we
22 would be willing to exchange him for a U.S. soldier that was
23 captured by the Taliban.

24 Q Now, while at the hospital, did the defendant discuss the
25 car crash he had just been in?

Azad - direct - Loonam

1391

1 A Yes, he did.

2 Q What did he tell you about the car crash?

3 A He told us that after we had left his house, after -- he
4 knew that we knew what his activities were in Pakistan, we
5 used his kunya, that was something that no one else really
6 knew, we were aware of his activities. He wanted to do an act
7 of jihad before being arrested.

8 Q Well, what did the defendant say his act of jihad was, if
9 any?

10 A He said that he would get in his car, he would get the
11 car going as fast as he could, he would crash it into another
12 car, causing a large explosion, which would kill himself and
13 others.

14 Q You used the term kunya. What is a kunya?

15 A Kunya is -- it's a false name used by those in Al Qaeda,
16 mainly. It's a name that they will know each other by which
17 won't link back to their true identity.

18 Q What did the defendant say he hoped to accomplish, if
19 anything, by crashing his car?

20 A He wanted to draw attention to the way Muslims were being
21 reflected recently. It was the Christmas Day bomber that had
22 recently been getting attention in the news.

23 Q Was there any discussion what the result of the crash
24 would be?

25 A Yes, a large explosion. He would die, the others in the

Azad - direct - Loonam

1392

1 car would die, as well.

2 Q Now, when you testified about that, you testified as
3 "would," that he would do this. Was this discussed as a plan,
4 or was it discussed as something that he did?

5 A No. This was being discussed as past tense. This is
6 what happened after we had left his residence, and between the
7 time of us interviewing him at the hospital.

8 Q Now, did the defendant describe any other actions he took
9 in connection with his act of jihad?

10 A Yes. I asked him how this was -- would be viewed any
11 differently than all the other car crashes that happened
12 during rush hour. He said that he wanted everyone to know
13 what he was doing. He called 911 and explained it to the 911
14 operator.

15 Q What did he tell you he said to the 911 operator?

16 A He said while accelerating his car, he had called 911.
17 He said he told the 911 operator, We love death more than you
18 love life, and there is no God but Allah, and Mohammed is his
19 messenger.

20 Q Did you discuss other topics while at the hospital?

21 A Yes, we did.

22 Q Did you continue to discuss those topics later?

23 A Yes.

24 Q How did the interview at the hospital conclude?

25 A The defendant was checked out by the medical personnel,

Azad - direct - Loonam

1393

1 released. He signed a release form. We left. We drove him
2 back to the JTTF office.

3 Q Was there any discussion with the defendant while he was
4 being transported to the JTTF office?

5 A Yes. It was not about the substantive topics. Again, we
6 were going to order food. We discussed food options, and made
7 some food plans.

8 Q What was the defendant's demeanor at this point?

9 A Calm, friendly. He was in the car. We were just having
10 light conversation.

11 Q At any point, did the defendant describe any physical
12 discomfort?

13 A Yes. At some point before being released sometime in the
14 hospital, he complained of some shoulder pain.

15 Q Now, can you describe the room where the defendant was
16 taken to at the JTTF offices?

17 A Yes, it's one of our multi-purpose rooms. It's not in
18 the main office space. It has a table, some chairs, there was
19 a couch in there. It's just used for various things.

20 Q And after arriving at the JTTF, did you immediately dive
21 back into the substantive interview?

22 A No. We had gotten food, we ate, discussed other topics.

23 Q Do you remember generally what some of the topics were
24 that came up?

25 A I don't. Maybe sports. We knew he was a Jets fan. We

Azad - direct - Loonam

1394

1 may have discussed football.

2 Q Did you resume your discussion on the substantive topics?

3 A Yes.

4 Q Can you tell the Court generally what topics you covered
5 with the defendant during his interview?

6 A Yes. We discussed in much greater detail --

7 MR. DINNERSTEIN: I would object to "we." I don't
8 know who "we" is referring to.

9 THE COURT: Overruled.

10 A We discussed more in depth his trip to Pakistan, what had
11 occurred there, his associations with Najibullah Zazi and
12 Zarein Ahmedzay, and some more of the car crash.

13 Q How long did you speak with the defendant? What time do
14 you think that interview ended that began on January 7?

15 A My estimate is about four hours. We wrapped up about
16 2:00 a.m.

17 Q How did that interview end?

18 A It was ended by us. It had been a long day for
19 everybody. We weren't making much headway. We decided to
20 call it a night.

21 Q Was there a discussion with the defendant about whether
22 he wished to continue speaking the next day?

23 A Yes. We gave him the options. There were two: He could
24 stay with us, he could continue to talk with us the next day,
25 we would provide him with a place to stay, whatever he needed,

Azad - direct - Loonam

1395

1 or the other option was, he was being arrested, he would be
2 taken to a detention center, and taken to court the next day.

3 Q Did the defendant execute any additional waiver forms?
4 What did he decide to do?

5 A He decided that he wanted to stay with us, keep talking
6 the next day. We provided a form, a waiver of speedy
7 arraignment, which he read and signed and gave to us.

8 MR. LOONAM: Just for the witness, your Honor.

9 Q Showing Government's Exhibit 311.

10 Do you recognize this document.

11 A Yes, I do. It's the waiver of speedy arraignment form
12 from that night.

13 Q Do you recognize the signature -- the special agent's
14 signature on this document?

15 A That is my signature.

16 Q There's a line for Adis Medunjanin. Who signed on that
17 line?

18 A The defendant.

19 Q When was this form executed?

20 A Technically, the 8th, at this point. January 8 about
21 2:00 a.m., when we were wrapping up.

22 MR. LOONAM: Your Honor, I offer Government's
23 Exhibit 311 at this time.

24 THE COURT: Any objection?

25 MR. DINNERSTEIN: No objection.

Azad - direct - Loonam

1396

1 THE COURT: Received.

2 (So marked.)

3 Q At this point, on this form, was the defendant advised
4 that he was being charged with any particular crimes?

5 A Yes. On the form there, I believe it's the first
6 paragraph there, "receiving military-type training from a
7 foreign terrorist organization."

8 Q Did the interview with the defendant continue the next
9 morning?

10 A Yes, it did.

11 MR. LOONAM: Just for the witness, your Honor.

12 Q Showing what's marked for identification as Government's
13 Exhibit 313. Do you recognize Government's Exhibit 313?

14 A Yes. This is another advice-of-rights form from that
15 second day.

16 Q And when was this form executed?

17 A About 12:20 p.m.

18 MR. LOONAM: Your Honor, the government offers 313.

19 MR. DINNERSTEIN: No objection.

20 THE COURT: Received.

21 (So marked.)

22 Q Again, whose signature appears there?

23 A Defendant's.

24 Q And this is for what date?

25 A January 8, 2010.

Azad - direct - Loonam

1397

1 Q What time was this form administered?

2 A 12:19.

3 Q What time was the form signed?

4 A 12:20.

5 Q Your signature appears on this form?

6 A Yes. It's the first witness line there.

7 Q Again, what's the statement that appears above the
8 signature?

9 A The statement is: "I have read this statement of my
10 rights, and I understand what my rights are. At this time, I
11 am willing to answer questions without a lawyer present."

12 Q Now, between the interview on the 7th and the 8th, what
13 topics did you cover with the defendant?

14 A During those interviews, we discussed the trip to
15 Pakistan, the training the defendant had received, who he had
16 traveled with, what type of training he received, and any
17 potential attacks against the United States.

18 Q Was there any discussion of the time before the defendant
19 traveled to Pakistan?

20 A Yes. I'm sorry. We also discussed what had led up to
21 the trip to Pakistan, about the time frame before their
22 travel.

23 Q What did he tell you about that?

24 A The defendant told us that he had become more religious
25 during this time period before their trip. He was angered and

Azad - direct - Loonam

1398

1 outraged by the way Muslims were being treated, specifically
2 at Abu Ghraib. He began to talk more about the violent form
3 of jihad to his friends and associates, both at the mosque or
4 at basketball games, but really, no one had the balls to do
5 anything. Those are the defendant's words.

6 Q And did the defendant tell you whether he decided to take
7 any action?

8 A Yes. He decided that he needed to do something. He
9 needed to take that next step and not just talk about things.

10 Q Did he tell you what the next step was that he decided to
11 take?

12 A Yes. He said that he decided that he needed to go to
13 Afghanistan to fight against U.S. troops there, in order to
14 fight and kill U.S. troops.

15 Q Now, during the course of the interview, you testified
16 before that the defendant wasn't going to talk about his
17 Muslim brothers; correct?

18 A Yes.

19 Q Did that change during the course of the interview?

20 A Originally, he continued to attempt not to talk about
21 other people, but it did change, and we eventually started
22 talking about his two associates, Zarein Ahmedzay and
23 Najibullah Zazi.

24 Q Now, did the defendant name who, if anyone, he decided to
25 travel overseas with to commit jihad?

Azad - direct - Loonam

1399

1 A Yes. He said that the three of them would travel. It
2 was Najibullah Zazi, Zarein Ahmedzay and the defendant. Their
3 plan was that Zarein and Najibullah fit in, they had good
4 reason to travel there, wouldn't get noticed. But they came
5 up with a plan, the wedding story for the defendant, so that
6 he could travel there without being scrutinized.

7 Q Did the defendant tell you what he expected to do upon
8 arriving in Pakistan?

9 A Yes. He expected to cross over from Peshawar into
10 Afghanistan through the Torkham border area in order to go
11 fight the U.S. troops.

12 Q Did the defendant tell you what his long-term goal was in
13 Afghanistan?

14 A Yes. He wanted to be a fighter, he wanted to become this
15 great leader, leader of troops on the battlefield, like the
16 great Muslim, I believe it's Soldier or Leader or General
17 Sohaib.

18 Q Did the defendant say he traveled to Pakistan?

19 A Yes. They did travel to Pakistan.

20 Q Was there any discussion of where the defendant went
21 after arriving in Pakistan?

22 A Yes. They were picked up at the Peshawar airport,
23 brought to Najibullah Zazi's uncle's house there in Peshawar.
24 This is all three of them. This is Najibullah, Zarein and the
25 defendant.

Azad - direct - Loonam

1400

1 Q And was there any discussion of an attempt to cross into
2 Afghanistan?

3 A Yes. He said that they attempted to cross over through
4 the Torkham border area. They took a taxi from the Peshawar
5 area. They were heading toward the gate or the border, but
6 they were stopped at a checkpoint. The Pakistani army stopped
7 them at gunpoint, because they noticed the defendant, who was
8 sitting in the cab. He didn't fit in. He was much
9 lighter-skinned than the rest of them. He was picked out, and
10 they stopped the car.

11 Q Did the defendant tell you where he went after he was
12 stopped at the checkpoint?

13 A Yes. They were not permitted to cross. They returned
14 back to Peshawar, Najibullah's uncle's house.

15 Q Did the defendant tell you whether or not he was actually
16 able to obtain training?

17 A Yes, he did.

18 He explained that when they returned back to
19 Peshawar with this frustrated attempt at crossing over into
20 Afghanistan, they began to look to ways where they could get
21 training in Waziristan.

22 Q Did the defendant tell you how he got the training?

23 A Yes.

24 Q Tell us.

25 A He said that Najibullah's cousin was there,

Azad - direct - Loonam

1401

1 Amanullah Zazi. They had asked him if he could help them get
2 into Waziristan training camp in Waziristan.

3 Amanullah was able to help them. He said they'd
4 visit a new mosque right in the area of the residence of the
5 uncle's house, where there were -- they were hooked up with a
6 facilitator that took them to Waziristan.

7 Q Did the defendant name the facilitator that they were put
8 in touch with?

9 A Yes. His name was Ahmed.

10 Q Did the defendant call -- what name did the defendant
11 use originally for that individual?

12 A Originally, the defendant was referring to this same
13 facilitator as Abdullah. Throughout the interview, when it
14 came up a couple of times, he switched and called him Ahmed.
15 We called him out on it, and he said that was the real name of
16 the facilitator. Ahmed was the true name.

17 Q Did the defendant state where he traveled to get
18 training?

19 A Yes. They were taken to a town in Waziristan called
20 Miram Shah.

21 Q Did the defendant describe the route they took to get to
22 Miram Shah?

23 A Yes. They traveled by car. They stayed off the main
24 road or highways. They took side roads or smaller,
25 less-traveled roads in order to avoid checkpoints where they

Azad - direct - Loonam

1402

1 would be stopped.

2 Q Did the defendant describe who he traveled to Miram Shah
3 with?

4 A Yes. Najibullah Zazi, Zarein Ahmedzay, the facilitator
5 Ahmed, and there may have been a helper or someone else in the
6 car.

7 Q Did the defendant tell you where he stayed while in Miram
8 Shah?

9 A Yes. They spent one night at a local pashtun's house,
10 and another night they stayed at a hotel there in Miram Shah.

11 Q Did the defendant provide any description of this hotel?

12 A Yes. He said it was a small, you know, unofficial hotel
13 associated with the Taliban. The three of them were put in
14 one room. There was two beds there. They had another bed
15 moved in, where the three of them stayed in the same room.
16 They were told not to -- he was told not to speak English,
17 because it would draw attention to them unnecessarily.

18 Q Was there any discussion of what they did with their time
19 while they were in the hotel?

20 A Yes.

21 There was not much to do. There was the three of
22 them there, just waiting. But there was a computer set up in
23 the common area of the hotel, where there were videos being
24 shown to them, and another group of men who were also staying
25 there. The videos they were shown were attacks against U.S.

Azad - direct - Loonam

1403

1 troops, bombings, martyrdom missions, things like.

2 Q When you are referring to "martyrdom missions," what are
3 you talking about?

4 A Suicide bombing.

5 Q Did the defendant state who he believed -- strike that.

6 Was there a discussion about what these videos
7 depicted, if they depicted a particular group carrying out
8 these attacks?

9 A Yes. He told us he believed it was the Taliban
10 conducting these attacks.

11 Q Was there any discussion of an argument with Najibullah
12 Zazi or Zarein Ahmedzay while at the hotel?

13 A Yes, there was. He said the three of them did get into
14 an argument at the hotel. They were -- Najibullah Zazi and
15 Zarein Ahmedzay were speaking in Pashtun. The defendant felt
16 that he was not being kept apprised of what was going on.
17 They were leaving him out of things, not conferring with him
18 for decisions. They got into an argument, which got heated.
19 The defendant said he punched the wall in the hotel.

20 Q Now, did the defendant describe where he ultimately
21 obtained his training from?

22 A Yes. He did. He ultimately said it was Al Qaeda.

23 Q Did the defendant describe how he got from this Taliban
24 hotel to his Al Qaeda training?

25 A Yes. He said the next day, I believe it was, they were

Azad - direct - Loonam

1404

1 picked up. A caravan of cars came to pick them up. Two
2 leaders, people who seemed of importance got out and
3 approached them and offered them the opportunity to go to a
4 training camp.

5 Q Did the defendant tell you the names of these leaders
6 that came to pick him up at the hotel?

7 A Yes. One was Ibrahim, the other was Abdul Hafeez.

8 Q Did the defendant provide a description for Abdul Hafeez?

9 A Yes. He said Abdul Hafeez was a taller, dark-skinned
10 man, dark-skinned like an African, who spoke English.

11 Q Did the defendant indicate what country Abdul Hafeez was
12 from?

13 A Yes. He said he was from Somalia.

14 Q Did the defendant provide a description for Ibrahim?

15 A Yes. He said Ibrahim was also taller, slender,
16 dark-skinned like a Pashtun, and spoke English with a British
17 accent.

18 Q Now, what, if anything, did the defendant say about his
19 initial interaction with Ibrahim and Abdul Hafeez?

20 A He said that Ibrahim and Abdul Hafeez spoke to him in
21 English. They said that this was a serious moment. He had a
22 serious decision for them to make. They would be provided an
23 opportunity to become martyrs and taken to a training camp.

24 Q And did the defendant tell you what his decision was with
25 respect to whether to go to the training camp?

Azad - direct - Loonam

1405

1 A Yes. He said they decided to go to the training camp.

2 Q And where was the defendant when he was approached by
3 Ibrahim and Abdul Hafeez and told about the opportunity for
4 training and the martyrdom operation?

5 A Miram Shah.

6 Q Now, did the defendant make any statements as to whether
7 he had further discussion with Abdul Hafeez about
8 suicide-bombing operations at any time?

9 A Yes.

10 He said they were approached more than once by Abdul
11 Hafeez regarding the opportunity to become martyrs.

12 Q Did the defendant describe any of the details of the
13 operations he said Abdul Hafeez wanted him to carry out?

14 A Specific -- can you repeat that?

15 Q Yes.

16 Did the defendant describe any of the details of the
17 operations he said Abdul Hafeez wanted him to carry out?

18 A Yes. He said that Abdul Hafeez had certain missions
19 planned out. One was where the defendant would pretend to be
20 a journalist. His English-speaking skills could get him close
21 to one of Pakistani generals, close enough where he would
22 detonate a suicide vest, killing the general.

23 Another one -- sorry. One second.

24 Q Were there multiple discussions of different types of
25 operations that Abdul Hafeez wanted the defendant, Najibullah

Azad - direct - Loonam

1406

1 and Zarein Ahmedzay to carry out?

2 A Yes, there were.

3 Q Where were all of targets located that the defendant told
4 you about?

5 A Pakistan or Afghanistan. One of the other targets was
6 the Pakistani ISI. The defendant would get close enough to
7 ISI headquarters and detonate his suicide bomb there.

8 Q What, if anything, did the defendant tell you about
9 whether he accepted any of these missions to conduct the
10 suicide-bombing attack inside Pakistan?

11 A The defendant said he did not accept any of the missions
12 for inside Pakistan.

13 Q Did the defendant discuss whether he was -- hold on.

14 Did the defendant tell you whether or not he
15 discussed becoming a suicide bomber with Najibullah Zazi and
16 Zarein Ahmedzay?

17 A Yes. He said they discussed it amongst themselves at
18 first. When they were first approached, they were solemn.
19 This was -- this is not what they came here to do. They
20 wanted to go to Afghanistan to fight and kill the U.S. troops
21 there, be great generals on the battlefield. But they
22 continued on, because they wanted to go to a training camp.
23 Ultimately, they decided that they were better off joining the
24 Taliban rather than Al Qaeda -- they would have been better
25 off.

Azad - direct - Loonam

1407

1 Q Now, did the defendant tell you about one conversation or
2 several conversations that he had had with Najibullah Zazi and
3 Zarein Ahmedzay?

4 A Several conversations.

5 Q Did the defendant tell you whether or not he seriously
6 considered becoming a suicide bomber?

7 A Yes, he did.

8 Q Did the defendant tell you about whether he used his true
9 name while in Waziristan?

10 A Yes. He said he used his kunya while he was in Pakistan,
11 Mohammed, or the full, drawn-out version would have been
12 Mohammad Ibn Abdullah Al Chechni Al Suri.

Azad - direct/ Loonam

1408

1 BY MR. LOONAM:

2 Q And did the defendant indicate whether or not Najibulah
3 Zazi and Aj,edzau also had fake names?

4 A Yes they had fake names as well. Najibullah had chosen
5 Salideem and Aarein had chosen Ahmad.

6 Q And did the defendant tell you whether someone directed
7 them to change their names?

8 A Yes, this was under Abdul Hafeez' instructions.

9 Q Now, did the defendant tell you what happened after he
10 agreed to go for training with Abdul Hafeez?

11 A Yes, he said that they travelled with Abdul Hafeez until
12 they got to a training camp.

13 Q And did they have any discussion with Abdul Hafeez on the
14 way to the training camp?

15 A Along the way Abdul Hafeez -- they spoke English, so
16 Abdul Hafeez was pointing out locations where he said the
17 Muslim Brothers had carried out successful martyr operations
18 against Pakistani army.

19 Q And did the defendant describe the destination where he
20 received the training?

21 A Yes, there was a training area they were taken to.
22 Defendant described this area as containing several houses, an
23 area for a classroom instruction and area for hands-on
24 training with the weapons.

25 Q And what did the defendant tell you happened when he

Azad - direct/ Loonam

1409

1 arrived at this training area with Abdul Hafeez, and
2 Najibullah Zazi, and Zarein Ahmedzay?

3 A He said they were introduced to Yousef. This was an
4 English speaking trainer that was there. Seemed to be in
5 charge of the training camp. He was there day-to-day
6 training.

7 Q And did the defendant provide a description for Yousef?

8 A Yes. Yousef was an African American, 20 something male,
9 slim, English speaking.

10 Q Now, in addition to Yousef, did the defendant say whether
11 or not he was trained by anyone else?

12 A Yes. There was also another trainer there. Said it was
13 an Arab-English speaker as well. This person said that they
14 had been fighting Jihad since before September 11th.

15 Q Now, did the defendant describe the general types of
16 training that he received?

17 A Yes, there was general religious training and weapons
18 training.

19 Q Let's focus on the religious training first. What type
20 of religious training did the defendant say he received?

21 A They received religious training in general but
22 specifically they were also instructed on benefits of fighting
23 and dying for Jihad.

24 Q And what type of weapons training did the defendant tell
25 you he received?

Azad - direct/ Loonam

1410

1 A There was classroom training and hands-on training. They
2 learned they had different weapons that they were trained on.
3 They learned the working parts, how to assemble an disassemble
4 the weapons, names for these parts, spoke in English and
5 Arabic, handled the weapons, shooting positions. They
6 culminated with a day of actually firing the weapons.

7 Q Which weapons did the defendant tell you that he was
8 trained on?

9 A An AK47, rocket propelled grenade launcher, and pistol, I
10 believe.

11 Q AK47, pistol, a rockett propelled grenade. Any other
12 weapon?

13 A PK machine. PK machine gun the defendant referred to as
14 Pica (ph).

15 Q What did the defendant tell you he learned about the
16 AK47?

17 A He learned the working parts, the names, the both in
18 English and Arabic, how to handle the weapon, different
19 shooting positions, and eventually shot AK47. On that day he
20 shot about 30 rounds or a magazine's worth.

21 Q And what did the defendant tell you he learned about the
22 PK machine gun?

23 A Same thing with the working parts; shooting positions.
24 Same.

25 Q And RPD?

Azad - direct/ Loonam

1411

1 A Yes, same.

2 Q How long did the defendant say the weapons training
3 lasted?

4 A About two weeks.

5 Q Was the defendant ever asked to if he had shot at live
6 people?

7 A He was.

8 We asked him if he ever shot at live people or maybe
9 abandoned vehicles or anything like that. He replied that --
10 his words: I never got the chance to shoot at U.S. soldiers.

11 Q Did the defendant discuss any videos he was shown during
12 the course of his training?

13 A Yes. They were shown several videos. There was the topics
14 of the videos, the videos themselves were 911 attacks opt,
15 World Trade Center, Madrid bombings, London bombings,
16 martyrdom operations.

17 Q And did the defendant indicate who he believes was
18 responsible for conducting those attacks?

19 A Yes. The defendant said that he knew that all al-Qaeda
20 was responsible for the London and Madrid bombings, but he did
21 not believe that the al-Qaeda was responsible for the 911
22 attacks.

23 Q Now, did the defendant describe his relationship with
24 Yousef?

25 A Yes. He described his relationship with Yousef as a more

Azad - direct/ Loonam

1412

1 friendly. They would joke around.

2 Q And did the defendant discuss his relationship with Abdul
3 Hafeez?

4 A Yes. The relationship with Abdul Hafeez was less
5 friendly. It was more rigid. Abdul Hafeez was the Amir of
6 the camp, the guy who was leader, he wouldn't joke with him.

7 Q Now, did the defendant describe any discussions he may
8 have had with Abdul Hafeez about his value to al-Qaeda?

9 A Yes. Abdul Hafeez believed that the defendant was very
10 valuable. He had certain skills or attributes that were
11 special. He referred to the defendant as a diamond. These
12 skills were speaking English, being from America, light
13 skinned.

14 Q Now, did you ask the defendant if there's any discussions
15 about potential targets within the United States?

16 A Yes, we did.

17 Q And what was his response?

18 A Defendant said there was no talks of potential targets
19 within the United States.

20 Q Did you ask the defendant whether there was any
21 discussion of plots within the United States?

22 A Yes, we discussed, you know, the possibility of any plots
23 within the United States. Defendant had talked about some
24 brain storming sessions where they had come up with ideas, and
25 the defendant said there was no plots or plans for anything

Azad - direct/ Loonam

1413

1 within the United States.

2 Q Now, you testified that the defendant told you that he
3 decided against becoming a suicide bomber, correct?

4 A Yes.

5 Q Did the defendant tell you whether he informed
6 Abdul Hafeez of his decision?

7 A Yes, he did. He told Abdul Hafeez that he would return to
8 the United States and tell others of other recruits -- to send
9 other recruits and money back to Abdul Hafeez.

10 Q And was there any indication whether Abdul Hafeez
11 intimidated or pressured the defendant after the defendant
12 gave him his final answer?

13 A No, there was never talk of any intimidation or anything
14 like that.

15 Q And so, you discussed this potential idea that the
16 defendant raised. What did the defendant tell you he decided
17 to do after he turned down the idea of becoming a suicide
18 bombing operative?

19 A The defendant decided that he would return back to the
20 United States, and follow through with that plan.

21 Q And what was that plan?

22 A To send other recruits back to Abdul Hafeez.

23 Q And did the defendant tell you what organization he
24 believed Abdul Hafeez was affiliated with?

25 A Yes, he believed -- he knew al-Qaeda. Abdul Hafeez was

Azad - direct/ Loonam

1414

1 associated with al-Qaeda.

2 THE COURT: How much more do you have,
3 approximately?

4 MR. LOONAM: Probably 15 minutes.

5 THE COURT: Let's take our afternoon break. Don't
6 discuss the case. We will resume in ten minutes. All rise.

7 (Whereupon, the jury exited the courtroom)

8 THE COURT: Don't elicit racist jokes.

9 MR. LOONAM: I don't intend to, Your Honor.

10 (Court recessed); (Court resumed)

11 (The following took place in the presence of the
12 jury)

13 THE COURT: Please be seated, everyone.

14 MR. LOONAM: May I continue, Your Honor.

15 THE COURT: Yes.

16 DIRECT EXAMINATION CONTINUED

17 BY MR. LOONAM:

18 Q Before the break you told us that the defendant told you
19 that he agreed too continue working for al-Qaeda inside the
20 United States, when did he tell he you he agreed to -- what
21 did he tell he agreed to do with al-Qaeda?

22 A The defendant had agreed or had told Abdul Hafeez that he
23 would return back to the United States, he would send other
24 recruits and money back to al-Qaeda.

25 Q Did the defendant tell you whether or not he discussed

Azad - direct/ Loonam

1415

1 this plan with Najibullah Zazi?

2 A Yes.

3 Q What did he tell you about?

4 A He said that they had discussed it with Najibullah Zazi.

5 He had discussed it with Najibullah Zazi.

6 Q Did the defendant tell you whether or not he discussed
7 this plan with Zarein Ahmedzay?

8 A Yes, he had also discussed it with Zaerein Ahmedzay.

9 Q Did the defendant tell you whether he stopped working for
10 al-Qaeda at any point?

11 A No, he did not mention that.

12 Q Did the defendant tell you where he went after his
13 al-Qaeda training?

14 A Yes.

15 Q What did he tell you about how he got to where he was
16 going?

17 A He said that he was driven back from the training camp by
18 Ahmad.

19 Q And where did Ahmad drive him from the training camp to?

20 A A town just south of Peshawar, Koha (ph)

21 Q And was this the same Ahmad who brought the defendant to
22 Abdul Hafeez?

23 A Yes.

24 Q Did you have any discussion with the defendant about his
25 visa extension?

Azad - direct/ Loonam

1416

1 A Yes. He said --

2 Q Sorry, what he did tell you about that?

3 A He said that his his passport had been taken originally
4 by Abdul Hafeez who had given it to Ahmad, and then, when it
5 was returned back to him the extension was there. The visa was
6 extended, the stamp was in there.

7 Q Did the defendant tell you when he got his passport back?

8 A Yes, I believe it was on the return trip.

9 Q Now, the defendant in a prior interview had told you that
10 he had brought \$3,000 to Pakistan; correct?

11 A Yes.

12 Q Did the defendant make any statements with respect to
13 that money during this interview?

14 A Yes, he said that he had donated that money -- \$2,000 of
15 it.

16 Q And what did he say he gave that money to?

17 A The Taliband.

18 Q Now, did you show the defendant a photographs during the
19 course of your interview on January 7th and 8th?

20 A Yes, we did.

21 Q Can you please describe the procedure you used to show
22 the defendant photographs?

23 A We used the photo book, had a lot of photographs in
24 there. Photographs were both of people that we knew that he
25 should know, people that he may have known or met, and people

Azad - direct/ Loonam

1417

1 that we knew that he did not know, and those are in there to
2 kind of gauge his truthfulness.

3 Q And in what context were those photographs shown to the
4 defendant?

5 A There was no context of the photographs provided. It
6 wasn't -- there was no story or back end it to. We just
7 provided the photographs to him to flip through the book one
8 by one, and tell us what he knew, each person or didn't know
9 about each person.

10 MR. LOONAM: Just for the witness, Your Honor.

11 THE COURT: Yes.

12 Q I'm showing you what's been marked for identification as
13 Government Exhibit 550.

14 Did you show the defendant the photograph depicted
15 in Government Exhibit 550?

16 A Yes, we did.

17 Q And did the defendant identify the person depicted in
18 Government Exhibit 550?

19 A Yes, he identified that person as Zarein Ahmedzay.

20 MR. LOONAM: Your Honor, the government offers 550.

21 MR. DINNERSTEIN: No objection.

22 THE COURT: Received.

23 (Government Exhibit 550 received and marked into
24 evidence).

25 MR. LOONAM: For the witness only.

Azad - direct/ Loonam

1418

1 Q I am showing you what's been marked for identification as
2 Government Exhibit 551. Did you show the defendant the person
3 depicted in Government Exhibit 551?

4 A Yes, we did, and he identified that person as Najibullah
5 Zazi.

6 MR. LOONAM: The government offers 551, Your Honor.

7 MR. DINNERSTEIN: No objection.

8 THE COURT: Received.

9 (Government Exhibit 551 received and marked in
10 evidence)

11 MR. LOONAM: For the witness only.

12 Q I am showing you what's been marked for identification as
13 Government Exhibit 552?

14 Did you show the defendant Government Exhibit 552?

15 A Yes, we did and he identified that person as Abadu1 Zazzi
16 (ph).

17 MR. LOONAM: The government offers 552.

18 THE COURT: Any objection?

19 MR. DINNERSTEIN: No objection.

20 THE COURT: Received.

21 (Government Exhibit 552 received and marked in
22 evidence).

23 MR. LOONAM: Only showing the witness 553 for
24 identification. Let me zoom in here.

25 Q Did you show the defendant the picture contained in

Azad - direct/ Loonam

1419

1 Government Exhibit 553?

2 A Yes, we did.

3 Q And did the defendant identify the photo?

4 A Yes, he identified that photo as Ibrahim.

5 MR. LOONAM: The government offers 553, Your Honor.

6 MR. DINNERSTEIN: No objection.

7 THE COURT: Received.

8 (Government Exhibit 553 received and marked in
9 evidence)

10 Q Showing you what's been marked as Government Exhibit 554
11 for identification. Did you show the defendant the photograph
12 contained in Government Exhibit 554?

13 A Yes, we did and he identified that person as Zakeer (ph).

14 Q As what?

15 A Zakeer.

16 MR. LOONAM: The government offers 554.

17 MR. DINNERSTEIN: No objection.

18 THE COURT: Received.

19 (Government Exhibit 554 received and marked in
20 evidence).

21 MR. LOONAM: Showing just the witness what's been
22 marked for identification as Government Exhibit 555.

23 Q You showed the defendant the photograph depicted in
24 Government Exhibit 555?

25 A Yes, we did. He identified this person as Yousef.

Azad - direct/ Loonam

1420

1 MR. LOONAM: The government offers 555?

2 MR. DINNERSTEIN: No objection.

3 THE COURT: Received.

4 (Government Exhibit 555 received and marked in
5 evidence).

6 Q Now, did the defendant make any statements to you about
7 al-Qaeda or its senior leader?

8 A Yes. During the interview he said that al-Qaeda are good
9 people and he loves Osama Bin Laden more than he loves
10 himself.

11 Q Did there come a time when the defendant was indicted?

12 A Yes.

13 Q And was the defendant approached to be interviewed after
14 he was indicted?

15 A Yes, he was.

16 Q And did the defendant agree to be interviewed?

17 MR. DINNERSTEIN: Can we know the date they are
18 talking about when he was indicted?

19 Q On January 8th was the defendant approached to be
20 interviewed?

21 A Yes.

22 Q Had he been indicted on that day?

23 A Yes.

24 THE COURT: What year?

25 MR. LOONAM: Yes, Your Honor, 2009.

Azad - direct/ Loonam

1421

1 Q Is that correct? When was the defendant indicted?

2 A January 8th, 2010.

3 MR. LOONAM: January 8th, 2010.

4 Q And was the defendant approached after he was indicted to
5 be interviewed?

6 A Yes.

7 Q And did he agree to be interviewed?

8 A No, he do not.

9 Q And I'm going to show -- what did the defendant say when
10 he was approached to be interviewed?

11 A We approached him after the indictment. We explained to
12 him -- we showed him a form. Explained to him that the form
13 was about the indictment, the charges were on there, and that
14 there were two choices on there, check boxes; one for I wish
15 to spoke to my attorney, or I do not wish to speak to my
16 attorney.

17 Q And what did the defendant indicate?

18 A Defendant said that maybe he should talk to his attorney
19 and we indicated that we checked that box and initial next to
20 it.

21 MR. LOONAM: Just for the witness, Your Honor.

22 THE COURT: Yes.

23 Q Showing you what's marked for identification as
24 Government Exhibit 314.

25 Do you recognize Government Exhibit 314?

Azad - direct/ Loonam

1422

1 A Yes, I do.

2 Q What do you recognize it to be?

3 A That is the same waiver of speedy arraignment form that's
4 discussed.

5 MR. LOONAM: And the government offers 314,
6 Your Honor.

7 MR. DINNERSTEIN: No objection.

8 Let me just discuss with the prosecutor.

9 (Mr. Dinnerstein and Mr. Loonam conferred)

10 MR. DINNERSTEIN: No objection.

11 THE COURT: Received.

12 (Government Exhibit 314 received and marked in
13 evidence)

14 Q Now, there was a prior speedy arraignment form, correct?

15 A Yes.

16 Q And on that form what did it indicate the defendant was
17 being charged with?

18 A Receiving military style training from an FT0, Foreign
19 Terrorist Organization.

20 Q And what charges are indicated on Government Exhibit 314?

21 A In that first paragraph it says here receiving military
22 type training from a Foreign Terrorist Organization and the
23 violation and conspiracy to commit murder in a foreign country
24 violation.

25 Q And the defendant indicated that he wished to speak to

Azad - cross/ Dinnerstein

1423

1 his attorney, correct?

2 A Yes.

3 Q After the defendant indicated that he wanted to talk to
4 an attorney did anyone try to question him further?

5 A No.

6 MR. LOONAM: One moment, Your Honor.

7 THE COURT: Yes.

8 MR. LOONAM: No further questions.

9 THE COURT: Thank you, Mr. Loonam.

10 Mr. Dinnerstein.

11 MR. DINNERSTEIN: Thank you, Your Honor.

12 CROSS EXAMINATION

13 BY MR. DINNERSTEIN:

14 Q Now, sir, you just testified when Mr. Loonam asked you
15 questions, that at some point he wanted his attorney; is that
16 correct?

17 A Yes, yes, he did.

18 Q And up until that point, he had decided he didn't need
19 his attorney; is that correct?

20 A Correct.

21 Q And in fact, you knew that his attorney was making
22 efforts to speak to him on January 7th; is that correct?

23 MR. LOONAM: Objection, Your Honor.

24 THE COURT: Sustained.

25 Q Well, you spoke to the attorney?

Azad - cross/ Dinnerstein

1424

1 THE COURT: Come up.

2 (The following took place at side bar)

3 THE COURT: Let's just keep straight. You have a
4 right to examine to voluntariness, and the like but let's keep
5 the Sixth Amendment and the Fifth Amendment part separate.

6 MR. DINNERSTEIN: I am bringing -- this is a a
7 conversation with the lawyer on January 7th.

8 MR. LOONAM: Your Honor, we would move him in limine.
9 I believe would have told in front of Judge Dearie that the
10 actions of the attorney trying to find the defendant on the
11 evening of his arrest in question was not going to come up on
12 trial.

13 THE COURT: What is it you want to elicit?

14 MR. DINNERSTEIN: Just that the lawyer called him on
15 January 7th which has to do with the part of the stipulation
16 that we talked about in terms of phone calls. There's phone
17 calls from the defendant to the lawyer. The phone call, they
18 stipulated to that.

19 MR. BITKOWER: Not to the second call from the
20 lawyer to the government; only the lawyer -- from the
21 defendant lawyer.

22 MR. DINNERSTEIN: We know the lawyer called this
23 agent.

24 MR. LOONAM: It is irrelevant.

25 THE COURT: Will you stop interrupting.

Azad - cross/ Dinnerstein

1425

1 MR. LOONAM: I apologize.

2 THE COURT: If I left this in what are you going to
3 argue to the jury from it? What relevances does it have?

4 MR. DINNERSTEIN: Well it has to do with the
5 credibility of the officers.

6 THE COURT: Sustained. It doesn't sufficiently bear
7 on the credibility of the officers and it confuses the jury.
8 It suggests an impropriety with regard to allowing him to
9 speak to counsel. That is really a suppression issue. I don't
10 think it is either an impeachment issue or a voluntariness
11 issue, at least not in the main.

12 MR. DINNERSTEIN: Okay. I disagree but --

13 THE COURT: I understand. You don't have to agree
14 with me.

15 (End of sie-bar)

16 (Continued on next page)

17

18

19

20

21

22

23

24

25

Azad - cross/ Dinnerstein

1426

1 (The following took place in open court).

2 BY MR. DINNERSTEIN:

3 Q Now, sir, before you testified today, you filled out a
4 lot of reports; is that correct?

5 A A lot of reports, sure.

6 Q Okay. You filled out -- the reports are call 302 reports;
7 is that correct?

8 A 302s, yes.

9 Q Now, 302s are items that you reviewed prior to your
10 testimony today; is that correct?

11 A There are 302s I reviewed prior to my testimony, yes.

12 Q And the 302s that you reviewed prior to your testimony
13 today happen to deal with what you say Mr. MKedunjamin said to
14 you; is that correct?

15 A 32s are a report of that interview. I wouldn't
16 necessarily say that they are my version of what he said.

17 Q Are they verbatim as to what he said?

18 A They're not verbatim. They are not meant to be written
19 or read that way.

20 Q Are they summaries of what he said?

21 A I wouldn't necessarily say summary either.

22 Q Now, you know that there are tape-recorders?

23 A That exist?

24 Q That exist?

25 A Yes.

Azad - cross/ Dinnerstein

1427

1 Q And you know that there are tape-recorders that exist in
2 the U. S. Attorney's Office; is that correct?

3 A Yes. Sure. I guess there are. I can't confirm that
4 sure.

5 Q You know there are tape-recorders that occur in your
6 office; is that correct?

7 A I'm sorry. Tape-recorders that occur --

8 Q In your office?

9 A Yes, yes.

10 Q And there are actually video equipment in your office; is
11 that correct?

12 A Yes.

13 Q Now, you say that you interviewed Mr. Medunjanin on
14 September 14th; right?

15 A Yes.

16 Q And that interview occurred on the street; is that
17 correct?

18 A That's correct.

19 Q And did you take any notes at that interview?

20 A Yes.

21 Q And these are handwritten notes?

22 A Correct.

23 Q And did you take notes contemporaneous with when the
24 interview was going on?

25 A Yes.

Azad - cross/ Dinnerstein

1428

1 Q And you also say that you interviewed him on
2 September 17th; is that correct?

3 A Yes.

4 Q Three days later, right?

5 A Yes, sir.

6 Q And that interview occurred in the United States
7 Attorney's Office; isn't that right?

8 A Yes.

9 Q And you presumed, sir, that they had tape-recorders, is
10 that correct, in their office?

11 A Yes.

12 Q And you said, sir, that you spoke to Mr. Medunjanin for
13 about eight hours; isn't that correct?

14 A Yes.

15 Q And actually, wasn't it closer to ten hours?

16 A It may have been. I don't know if we took a start and
17 stop time.

18 Q Do you recall testifying at another occasion that the
19 conversation -- that you spoke with him for about ten hours?

20 A Testifying previous to this? Talking about a hearing?

21 Q At another court proceeding that you had sworn to tell
22 the truth?

23 A I do remember the hearing. I haven't read that transcript
24 or seen that transcript or -- I don't recall saying if it was
25 ten specifically.

Azad - cross/ Dinnerstein

1429

1 Q Do you remember being asked this question Mr. Loonam and
2 giving this answer (reading):

3 Question: Approximately how long did you speak with
4 the defendant on September 17th, 2009?

5 Answer: A total of about ten hours.

6 Do you remember, sir, being asked that question and
7 giving that answer?

8 A Is this in March of last year that you are speaking of?

9 Q Yes.

10 A I don't recall every question from March of last year
11 that we spoke about?

12 MR. DINNERSTEIN: Would you stipulate that I am
13 reading accurately?

14 MR. LOONAM: Sure.

15 Q So you don't recall every question that was asked and
16 answered back in 2011 at this hearing?

17 A That's correct, sir.

18 A Yes, sir.

19 Q How would your memory better than it is today?

20 Let me rephrase that question.

21 Would you agree with me, sir, that by having an
22 audiotape or a videotape, that it would be able to refresh
23 your memory better than just sitting up there and saying I
24 remember what happened in some conversation that occurred two
25 and a half, three years ago?

Azad - cross/ Dinnerstein

1430

1 A I'm sorry, sir. Are you asking me if a video recording
2 or an audio recording would be better to refresh my memory of
3 an event -- any event?

4 Q Yes, let's say any event.

5 A Yes, yes that was why --

6 Q And in this case on September 17, 2009 when
7 Mr. Medunjanin was being questioned by you and -- was it
8 Maysonet?

9 A Yes, sir.

10 Q You chose not to tape-record the conversation; is that
11 correct?

12 A Well, as a matter of standard operating procedure for the
13 FBI, we don't record our conversations. We don't videotape
14 them we take notes. That's where it is. I mean I'll agree
15 with you that taping a sporting event is worthwhile.

16 THE COURT: Just listen to the question and answer
17 the question.

18 Q Now, sir, you were involved in this case from what date,
19 sir?

20 A September 9th, 2009. Possibly the 8th.

21 Q Were you aware, sir, of some e-mail messages that were
22 sent from Najibullah Zazi to people in Pakistan?

23 A Yes.

24 Q And you became aware of that around September the 9th; is
25 that correct?

Azad - cross/ Dinnerstein

1431

1 A Yes.

2 Q And is that what caused you to be involved in this
3 particular investigation?

4 MR. LOONAM: Objection.

5 THE COURT: Overruled.

6 A It wasn't those e-mails specifically. It was the
7 association that the New York based defendant and Zarein
8 Ahmedzay had with Najibullah Zazi and their travel together.

9 Q So you were familiar on September the 9th that these
10 individuals had gone to Pakistan in August of 2008; is that
11 correct?

12 A Around September the 9th. I don't know if we had the
13 travel records that particular day, but around September 9th.

14 Q Now, you also said though that there were some e-mails
15 that caused you some concern; is that correct?

16 A Yes, sir.

17 MR. DINNERSTEIN: And this is Government Exhibit 254.

18 THE COURT: Is this in evidence?

19 MR. DINNERSTEIN: Yes, it is.

20 THE COURT: It's on the screen.

21 Do you want me to put it up on the big screen?

22 MR. DINNERSTEIN: Yes, thank you, Your Honor.

23 THE COURT: I'll do my best. Here you go. It is
24 warming up. Everybody can see it. It is on the other screens.

25 Q Now, the first e-mail, Government Exhibit 254, is an

Azad - cross/ Dinnerstein

1432

1 e-mail from Najibullah Zazi to someone in Pakistan; is that
2 correct?

3 A Yes, the top part is, yes.

1 **BY MR. DINNERSTEIN: (Continued)**

2 Q And in that E-mail, he talks about flavor and ghee oil;
3 is that correct?

4 A It's flour and ghee oil, I believe he spells it flavor.

5 Q Okay. But ghee oil is actually a concern for you; is
6 that correct?

7 A Ghee oil or gee oil, yes, it is.

8 Q And mixing those items together could, conceivably, cause
9 an explosive device; is that correct?

10 A I don't know those two particular items. I don't, I
11 can't speak to the specific explosive parts or the chemistry.

12 Q Was there something about this E-mail that caused you a
13 concern?

14 A Yes.

15 Q And what was that?

16 MR. LOONAM: Objection, Your Honor.

17 Could we have a side-bar?

18 THE COURT: Yes.

19 (Side-bar conference held on the record out of the
20 hearing of the jury.)

Side-Bar

1434

1 (Side-bar.)

2 THE COURT: Yes?

3 MR. BITKOWER: Your Honor, I don't know where this
4 is going. There may be a sense in which this gets into
5 Your Honor's pre-trial ruling. If we can talk to Counsel
6 briefly, it may not get into that concern, but it may.

7 THE COURT: Okay.

8 MR. BITKOWER: If I could have two seconds to talk
9 to Counsel about it.

10 THE COURT: What ruling are you talking about?

11 MR. LOONAM: The ruling that we're calling
12 Your Honor's Pre-Trial ruling pursuant to Your Honor's
13 pre-trial written order, of what we should call Your Honor's
14 pre-trial ruling. It might involve in camera proceedings.

15 THE COURT: Oh, I see. Well, talk to him and maybe
16 it will go away.

17 MR. BITKOWER: Yes, thank you.

18 (Pause in the proceedings.)

19 MS. BERGER: I think we resolved it.

20 THE COURT: Okay, everyone's going away from me, so
21 I think we don't have a dispute. I think I can read between
22 the lines.

23 (Side-bar end.)

24

25 (Continued on following page.)

S.A. F. Azad - Cross / Dinnerstein

1435

1 (In open court.)

2 Q Sir, you're aware of the fact that there were three
3 E-mails sent from Najibullah Zazi to people in Pakistan; is
4 that correct?

5 A Yes.

6 Q And each of those three E-mails talked about a mixture,
7 of flour and ghee; isn't that correct?

8 A Yes.

9 Q And as a result of that, you were -- these items were
10 brought -- as an FBI agent made you concerned; isn't that
11 correct, sir?

12 A Yes. The coded language in the E-mails did.

13 Q And what is the coded language that you're talking about,
14 sir?

15 MR. DINNERSTEIN: This is 256 I'm going show you at
16 this point.

17 (The above-referred to Exhibit was published to the
18 jury.)

19 Q Where is the coded language?

20 *"Please, send me details about ghee and flour*
21 *mixtures."*

22 Isn't that what it says?

23 A This one, yes.

24 Q Okay. That's not coded. That's flat-out what he's
25 asking for; isn't that correct, sir?

S.A. F. Azad - Cross / Dinnerstein

1436

1 A Yes, that's right.

2 MR. DINNERSTEIN: And 255.

3 (The above-referred to Exhibit was published to the
4 jury.)

5 Q It talks about: The marriage is ready, flour and oil.

6 Is that coded language?

7 A Yes.

8 Q I see. So, it's coded because they talk about marriage
9 instead of talking about a bomb; is that correct, sir?

10 A They're talking about an event. My training and
11 experience tells me that marriage could be about an event.

12 Q Now, all of these three E-mails were sent from Najibullah
13 to somebody in Pakistan; is that correct?

14 A Yes.

15 Q Were there any E-mails that Adis Medunjanin had regarding
16 flour and oil or flour and ghee, anything like that, sir?

17 A No.

18 Q Now, there was a third E-mail or there was another E-mail
19 that had the reference to the name Mohammed; isn't that
20 correct, sir?

21 A I believe the first E-mail to Najibullah had Mohammed in
22 there.

23 Q And it indicated -- and this was actually the E-mail from
24 Sana Pakhana to Zazi; isn't that correct?

25 A It's from the E-mail address Sana_Pakhana to

S.A. F. Azad - Cross / Dinnerstein

1437

1 Najibullah Zazi, yes.

2 Q And reference to Mohammed; correct?

3 A Yes.

4 Q And there's an indication, also, that this person's
5 asking for his E-mail address or a phone number; is that
6 correct?

7 A Yes.

8 Q Is there any indication that Zazi ever sent an E-mail to
9 this fellow in Pakistan --

10 A Yes.

11 Q -- that provided --

12 A Sorry.

13 Q -- the information of Mohammed's E-mail address or his
14 phone number?

15 A No.

16 Q And in fact, it may be that having the name Mohammed
17 simply is a way of communicating to Zazi that they're talking
18 to the right person?

19 A I'm sorry, could you repeat that?

20 MR. LOONAM: Objection.

21 THE COURT: Overruled.

22 A Could you repeat that, please?

23 Q Well, this is an E-mail back to Zazi; right?

24 A I don't believe so, sir. I believe that's the first one.
25 If we look at the dates, and if you could put it back up.

S.A. F. Azad - Cross / Dinnerstein

1438

1 Q Sure.

2 (The above-referred to Exhibit was published to the
3 jury.)

4 A So, this --

5 MR. DINNERSTEIN: Would you like me to, oh, you have
6 to see the other one, too, I bet.

7 (Complies.)

8 THE COURT: Is there a question pending?

9 MR. DINNERSTEIN: Yes, I'll repeat the question.

10 Q You said, sir, that the E-mail from Khan was sent prior
11 to the E-mail that Zazi sent; is that correct, sir?

12 A Yes.

13 Q And we know that because of the times; right?

14 A Yes.

15 Q Do we know that 5:14:59, whether or not that's Pakistani
16 time or whether or not that's Colorado time or PDT, I guess,
17 Pacific Daylight Time.

18 Do we know that?

19 A I don't, at this time, I know we determined that back
20 when this investigation started. I, I don't recall right now.
21 It could be GMT.

22 Q GMT could be the 5:14:59?

23 A Yes.

24 Q How do you know that? Do you remember that, sir?

25 A I vaguely recall that was how the time was recorded, but

S.A. F. Azad - Cross / Dinnerstein

1439

1 I don't -- I can't confirm that right now.

2 Q Now, you said, sir, that it's not the policy of the FBI
3 to tape-record interviews; is that correct, sir?

4 A Yes, sir.

5 Q And you, sir, are the case agent in this case; is that
6 right?

7 A For this defendant, this case, yes.

8 Q Well, what about the Colorado case.

9 A There was a different case agent.

10 Q And was that case agent always involved at the -- in this
11 particular case from Colorado or did you -- did it get
12 transferred over to you at some point?

13 A The Najibullah Zazi investigation started as a Denver
14 investigation with a Denver case agent out of the Denver
15 office and has since been transferred to New York, not to me
16 personally.

17 Q And they interviewed Zazi on September the 16th; is that
18 correct? The first time?

19 A 2009, right? Yes.

20 Q 2009. And this was, of course, the day after the
21 interview at the U.S. Attorney's Office with you; is that
22 correct, with Adis?

23 A We did ours on the 17th, sir.

24 Q That's right. So, the 16th is the day before the 17th;
25 is that correct?

S.A. F. Azad - Cross / Dinnerstein

1440

1 A Yes, sir.

2 Q And when they were interviewing Zazi in Colorado, they
3 videotaped that interview; isn't that correct, sir?

4 A That is correct.

5 Q Now, you just told us, sir, that the policy is not to
6 tape-record the interviews of individuals; is that correct?

7 A Yes, sir, that's the standard FBI policy.

8 Q So, in other words, what happened in Colorado violated
9 the standard policy; is that correct?

10 A That's not necessarily true. I believe, I believe you
11 can, you can record an interview with a special approval from
12 that office. I don't, I don't know what occurred out there.

13 Q Can you think of a reason why you would not record the
14 interviews, sir?

15 A It's not policy. It's not what we do.

16 Q I understand that. But can you think of a good reason
17 why you wouldn't record the interviews?

18 A No.

19 Q In fact, if you record them, then there'll be a recording
20 that could be used later on; is that correct?

21 A Well, if we do record them, then it would be to use them
22 later on. It could be helpful, yes.

23 Q So, for instance, when you say Mr. Azad is friendly,
24 that's your opinion; isn't that correct, sir?

25 A Of myself?

S.A. F. Azad - Cross / Dinnerstein

1441

1 THE COURT: Mr. Azad?

2 Q It's your opinion that he's being friendly -- no, that
3 Mr. Adis was being friendly --

4 MR. DINNERSTEIN: I'm sorry, I withdraw the
5 question.

6 Q You said at some point that Mr. Adis, when you talked to
7 him, was friendly; isn't that right? Mr. Medunjanin.

8 A Yes, the conversation with Mr. Medunjanin was friendly.

9 Q Okay. Now, that's your opinion; that it was a friendly
10 interview; isn't that correct?

11 A Sure.

12 Q You determined that he wasn't anxious; isn't that
13 correct?

14 A Are we talking about a specific interview? In general?
15 Can we be more specific?

16 Q Let's get to the interviews, okay?

17 Now, how long, sir, have you been with the FBI?

18 A It's four years.

19 Q And in 2009, how long had you been with the FBI?

20 A Which part? The beginning of 2009 would be about a year.

21 Q And is this the first terrorism case that you became the
22 case agent for?

23 A No.

24 Q And when -- when else were you a case agent on the case?

25 A Prior to this, a couple that I can think of. When I

S.A. F. Azad - Cross / Dinnerstein

1442

1 first came on to CT-4, probably about a month later I had a
2 case open.

3 Q What did you do prior to working for the FBI, starting in
4 2008?

5 A I was a teacher.

6 Q A school teacher?

7 A Yes, sir. Middle school.

8 Q And then, after leaving the middle school, you became a
9 member of the FBI.

10 And shortly after that, within a few months, you
11 first became a case agent; is that correct?

12 A Not counting the training at Quantico in between, which
13 is about six months, yes.

14 Q And then, shortly after that, after the six months, you
15 then became a member of the New York task force or the FBI.

16 And you shortly after that, became a case agent; is
17 that correct?

18 A A case agent in general?

19 Q Well, a case agent on a particular case.

20 A Yes.

21 Q Now, what are the duties of a case agent, sir?

22 A Case agent is responsible for the overall direction of a
23 case. It's hard to say, in general, which direction that
24 might head. It depends on the investigation and the type of
25 investigation.

S.A. F. Azad - Cross / Dinnerstein

1443

1 Q Let's talk about this case.

2 For instance, how many other agents were under you
3 in this particular case?

4 A This was not a normal case. I had a co-case. There were
5 several other agents working. Within shortly after opening
6 this investigation, analysts within three days or so, we had a
7 full operation center working on this case and the adjacent
8 case for Zarein Ahmedzay. Najibullah Zazi had come to town.
9 We were -- all of the New York FBI, not just the JTTF -- was
10 pretty much involved in this, in this investigation.

11 Q Well, when you say "all," what are we talking about in
12 terms of numbers, sir?

13 A I'm pretty much talking about all of it, from the
14 assistant director-in-charge down to all of the analysts. I
15 don't know the specific number of employees we have in the FBI
16 in New York.

17 Q Are we talking hundreds of people?

18 A Yes.

19 Q And your role as the case agent was, you were kind of the
20 head of all these people who were working on the case; is that
21 correct, sir?

22 A Again, this wasn't the normal investigation. It didn't
23 work that way. This was being operated 24/seven. There were,
24 there were multiple levels, you know, case agent, management,
25 supervisors, all the way up to the assistant

S.A. F. Azad - Cross / Dinnerstein

1444

1 director-in-charge involved in this case.

2 Q And there were also individuals, I guess we'll call them
3 detectives, from the New York City Police Department; is that
4 correct?

5 A Yes.

6 Q And you said that the co-case agent was this guy named
7 Maysonet; is that correct?

8 A Yes.

9 Q And did you coordinate the activities of the New York
10 Police Department?

11 A No.

12 Q How does that work?

13 A The Police Department?

14 Q Yeah.

15 A I think they have a Police Commissioner. Is that -- I
16 don't know what the specific question is.

17 Q Well, you said, sir, that this is a joint activity; isn't
18 that correct?

19 A You mean the Joint Terrorism Task Force?

20 Q Right.

21 A Okay. The Joint Terrorism Task Force, my squad CT-4, for
22 example, has agents and detectives.

23 At the squad level we have a squad supervisor, a
24 special supervisory agent, and a Sergeant who are at the
25 leadership position on that squad.

S.A. F. Azad - Cross / Dinnerstein

1445

1 Q Now, what about the Police Department? How does that
2 work in terms of this activities that coordinates your
3 activity with their activity?

4 A So, we're separate from JTTF now?

5 Q Now, no, we're talking about what happened in this
6 investigation.

7 There's a Joint Terrorism Task Force. There's a
8 detective by the name of Maysonet; is that correct?

9 A Yes.

10 Q You and Maysonet I presume worked together; is that
11 correct?

12 A Yes.

13 Q And you and Maysonet have members of the FBI and there
14 are, of course, members of the New York Police Department who
15 work under the two of you; is that correct?

16 A I wouldn't consider under the two of me. So, we're at
17 the agent/detective level, we work under the supervisory
18 level, which would be the SSA, the Supervisory Special Agent
19 and the Sergeant for the squad.

20 Q But the nuts and bolts, the day-to-day activity of this
21 particular investigation, the coordinators are you and
22 Maysonet; isn't that correct, sir?

23 A I would say on a normal case, yes. This was not the
24 normal investigation.

25 Q So, there was somebody that you had to inform what was

S.A. F. Azad - Cross / Dinnerstein

1446

1 going on; is that correct?

2 A This was pretty much an all-hands-on investigation.
3 Especially in the early days, there were constant meetings
4 with everybody involved. There were very little briefings
5 that I would give, if that's what you mean by that.

6 Q No, but you were present at the briefings; is that
7 correct?

8 A Yes.

9 Q And were all these hundreds of FBI agents present at the
10 briefings?

11 A There would be different coordination meetings with
12 different cities, video teleconference, different divisions
13 tied in. We would also have New York Division meetings in the
14 operations center where things would get briefed.

15 Does that answer your question?

16 Q Well, I'm trying to understand how the operation worked
17 in terms of the investigation.

18 A And I apologize. This wasn't the normal investigation,
19 you know, this was much out of our norms of a normal case.
20 So, it's tough to say how things generally work and how they
21 did work in this case.

22 Q So, you would have to say, sir, that this was a very
23 large investigation; is that correct?

24 A Yes.

25 Q And would you say, sir, that there was a pressure upon

S.A. F. Azad - Cross / Dinnerstein

1447

1 you to try to solve the criminal activity?

2 A I would say there was a strong indication that there was
3 a threat to national security. This was serious, we saw that.
4 We, we definitely intended to disrupt any potential plots that
5 were pending, any threats to New York we wanted to prevent
6 from happening, there were a number of events. So, yes, all
7 of that.

8 Q Well, and you successfully did that when Zazi went back
9 to Colorado; isn't that correct, sir?

10 A That's partially correct. We did not have anybody
11 arrested. We still had the three associates that we knew
12 traveled together to an area in Pakistan that we were
13 concerned with and they were all still out. We weren't really
14 convinced that we had disrupted this plot.

15 Q But what you did know at that time is that it was your
16 understanding that Zazi flew back to Colorado; is that
17 correct?

18 A I -- yes. I knew that Zazi had flown back to Colorado
19 earlier than intended.

20 Q And you also knew that it was Zazi who had explosive
21 devices -- excuse me -- on his computer, had chemical plans
22 how to go about making a bomb; isn't that correct, sir?

23 A Yes. We were aware of the notes that were on Najibullah
24 Zazi's computer.

25 Q Now, and you knew that soon after the imaging of that

S.A. F. Azad - Cross / Dinnerstein

1448

1 computer was done in September of 2009; is that correct?

2 A Yes.

3 Q Now, you knew that Adis was living with his parents at
4 one -- excuse me -- at 29-49 137th Street; is that correct?

5 A Yes.

6 Q And that Ahmedzay was also living in Queens; is that
7 correct?

8 A Yes.

9 Q And it was -- and that on September the 14th, you
10 conducted a search warrant; is that correct?

11 A We conducted search warrants on September the 14th, yes.

12 Q Right. The search warrant that I'm talking about is the
13 one at 29-49 137th Street; correct?

14 A Yes, sir.

15 Q That was one of the search warrants that you conducted on
16 that day; is that correct?

17 A Yes.

18 Q And you, as the case agent, was supervising the search
19 warrant; is that correct?

20 A That is not correct. Again, this wasn't the normal
21 investigation. I didn't -- normally --

22 THE COURT: So, no, you weren't supervising?

23 THE WITNESS: No. I was not supervising the search.

24 Q But you were present at the search; is that correct?

25 A I was present for part of the search, yes.

S.A. F. Azad - Cross / Dinnerstein

1449

1 Q What part were you present for?

2 A Post-entry, post- the SWAT entry after the initial bomb
3 techs went through. I entered. Once we knew that the scene
4 was under control, Detective Maysonet and I went in, went to
5 the residence, spoke with the defendant, and left. So, small
6 portion.

7 Q Right. And you left with Mr. Medunjanin; is that
8 correct?

9 A Yes, we left together.

10 Q And you said, sir, that Mr. Medunjanin went with you
11 voluntarily; is that correct?

12 A Yes.

13 Q Now, how many agents actually went into that particular
14 apartment that day?

15 A I don't know.

16 Q Well, was it more than five?

17 A Yes.

18 Q Was it more than ten?

19 A Are we talking total?

20 Q Yeah, total.

21 A Yes, I would say there was more than ten.

22 Q Was it more than 20?

23 A I don't know.

24 Q Now, and you conducted this search at about 2:00 o'clock,
25 2:30 in the morning; is that correct, sir?

S.A. F. Azad - Cross / Dinnerstein

1450

1 A Yes, sir.

2 Q And what was the reason that it was conducted at such --
3 in the middle of the night?

4 A Again, this wasn't usual. We knew that there was a
5 serious potential threat to national security. We couldn't
6 wait like we normally would to the morning, we needed to act
7 immediately.

8 Q And what did you find?

9 A At this particular search --

10 Q Yeah.

11 A -- location?

12 Many things were seized. I mean, we found phones.
13 We found CDs. DVDs. Written material. Laptops. Computers.
14 We can -- I'm sure there's a form where we can go through
15 everything.

16 Is there a specific direction you want me to go in?

17 Q Did you find any explosive devices?

18 A We did not.

19 Q Did you find any residue of explosive devices?

20 A No.

21 Q Did you find any chemical formulas on any of those
22 computers or any pieces of paper in the apartment?

23 A None that were actually related to this plot.

24 Q Did you find any acetone?

25 A I don't know. I mean, cleaning materials, I don't know.

S.A. F. Azad - Cross / Dinnerstein

1451

1 Q Well, sir, if you found acetone, that would have been a
2 big deal.

3 You would have seized it; is that correct, sir?

4 A I don't know. Again, I wasn't involved in the search
5 planning or execution, I was more the interview team. I was
6 planning for that. I didn't participate in the planning for
7 the search.

8 Q There were dogs involved in this search at 29-49
9 137th Street; isn't that correct?

10 A The Bomb Training K-9 unit yes.

11 Q And how many dogs were there?

12 A I don't know.

13 Q Did you find any hydrogen peroxide?

14 A I don't know.

15 Q Is it down on any of those forms that were filled out?

16 A I have not seen any hydrogen peroxide.

17 Q How about -- what is it; ghee oil? Did you find any of
18 that?

19 A I don't believe so.

20 Q Now, were you looking to see what travel Mr. Medunjanin
21 had made?

22 A During the search.

23 Q Yeah, during that search.

24 A Again, I wasn't part of the search planning. And I don't
25 know if there were, if the list of items that were on the

S.A. F. Azad - Cross / Dinnerstein

1452

1 rider included travel material or passports or anything like
2 that.

3 Q Well, sir, wouldn't it have been relevant to find out
4 where Mr. Medunjanin had traveled to confirm the information
5 that you had regarding his travel to Pakistan?

6 A It would have been helpful. We have databases and
7 understandings with other agencies, like CBP and ICE that can
8 provide those records as well.

9 Q So, you knew that Mr. Medunjanin had traveled to Pakistan
10 in August of 2008; is that correct?

11 A Yes.

12 Q And you knew that prior to this search, excuse me, this
13 search in September 14th of 2009; is that correct?

14 A Yes.

15 Q And you actually knew that on January the 7th of 2010,
16 when you returned with a request -- not a request -- with a
17 warrant, a search warrant, for a passport; is that correct?

18 A Yes.

19 Q Now, and it takes some trouble to get a search warrant;
20 isn't that correct, sir?

21 A That's relative and depends on the situation, I suppose.

22 Q Well, in this case, it took some -- you had to prepare a
23 search warrant application; isn't that correct, sir?

24 A Not personally. It's done in conjunction with the
25 U.S. Attorney's Office.

S.A. F. Azad - Cross / Dinnerstein

1453

1 Q So, the U.S. Attorney provided you with a copy of a
2 search warrant application; is that correct?

3 A Are we talking before? Yes. It's prepared, a copy was
4 prepared and reviewed before the application was made.

5 MR. DINNERSTEIN: I'm going to just ask that this be
6 shown.

7 THE COURT: Okay.

8 MR. DINNERSTEIN: Specifically to the witness. It's
9 FA-6.

10 (The above-referred to Exhibit was published to the
11 witness.)

12 Q Can you see, that sir?

13 A Yes, I can.

14 Q And on the last page, page 10, your name is there; is
15 that correct?

16 A Yes, that's my name and signature.

17 Q And you signed it; is that right?

18 A Yes.

19 Q And you needed to sign it before a judge; isn't that
20 correct?

21 A Yes.

22 Q And you did that all on December the 29th of 2009; is
23 that correct?

24 A Yes.

25 Q The one item that you were looking for this particular

S.A. F. Azad - Cross / Dinnerstein

1454

1 date was a passport; is that correct?

2 A I believe so. It's in the search warrant, if you don't
3 mind, if I could read it through.

4 Q Okay.

5 (Pause in the proceedings.)

6 Q Do you see it on that page, sir?

7 A It's not on that page.

8 Q Page 1, paragraph 18 talks about the present application;
9 is that correct, sir?

10 THE COURT: He can't see 18.

11 THE WITNESS: It's at the bottom, I can only see the
12 title there.

13 THE COURT: If you look to your right, you can see
14 what he sees.

15 (The above-referred to Exhibit was published to the
16 witness.)

17 Q Do you see it?

18 A Yes.

19 Q And it goes on to page 9; is that correct?

20 A Yes.

21 Q And it talks about passports; is that correct?

22 A Yes.

23 Q Now, so on December 29th you filled out a search warrant
24 application to get one passport; is that correct?

25 MR. LOONAM: Objection to foundation there.

S.A. F. Azad - Cross / Dinnerstein

1455

1 Mischaracterizes the testimony.

2 THE COURT: Well, overruled.

3 He can answer.

4 A I think it was for more than one passport. I think it's
5 passports, plural.

6 Q You were looking for Adis Medunjanin's passports; is that
7 correct?

8 A Yes, sir.

9 Q Now, did you ever make an effort to speak to anyone about
10 getting the passport without going to the trouble of getting a
11 search warrant?

12 A You mean with the family members or anyone in general?

13 Q Well --

14 A Did we ask them.

15 Q -- family members to see whether they would just give you
16 the passport?

17 A No, we didn't.

18 Q And how about with the lawyer?

19 A No.

20 Q Did you think if you called the lawyer, he may have just
21 provided you with the passport?

22 A I don't know.

23 Q Did you think it was worth a try before filling out all
24 these papers?

25 A No. We wanted the passport, we got a search warrant.

S.A. F. Azad - Cross / Dinnerstein

1456

1 Q Now, sir, you knew what was going to be in the passport;
2 isn't that correct?

3 A Not the entire passport, but there was particular things
4 we were looking for.

5 Q And what were you looking for?

6 A One thing in particular was the extension, the visa
7 extension from Pakistan.

8 Q And there, in fact, was a visa extension; isn't that
9 correct?

10 A Yes.

11 Q And did you believe that there may not have been a visa
12 extension?

13 A No, we believed it was in there. So, yes, we, we thought
14 it would be in there.

15 MR. DINNERSTEIN: And this is a colored copy of the
16 visa extension, and this is in evidence.

17 (The above-referred to Exhibit was published to the
18 witness.)

19 THE COURT: As what.

20 MR. DINNERSTEIN: 125, Your Honor.

21 THE COURT: Thank you.

22 THE WITNESS: Yes.

23 Q And this visa extension indicated that Mr. Medunjanin
24 could stay in the, in Pakistan until December the 16th of
25 2008; is that correct?

S.A. F. Azad - Cross / Dinnerstein

1457

1 A Yes.

2 Q Now, you do know, from looking at those travel records,
3 that Mr. Medunjanin left the country in September of 2008; is
4 that correct?

5 A Yes.

6 Q And I think the date is September 25th, is it, that he
7 left the country?

8 A Yes.

9 Q Now, why did you -- first, wasn't there another way you
10 could have found out about the visa extension, other than
11 going through the trouble of getting the search warrant?

12 A As previously discussed, if we just asked for it.

13 Q You could have asked. Or you could have just contacted
14 the Pakistani embassy.

15 They have one in New York; right?

16 A Yes. I believe there's a Pakistani embassy.

17 Q Not you believe. You know there's a Pakistani embassy in
18 New York; don't you, sir?

19 MR. LOONAM: Objection.

20 THE COURT: Don't do that.

21 MR. DINNERSTEIN: I'm sorry, Your Honor.

22 THE COURT: Don't argue with him. Just ask the
23 questions.

24 Q Do you know whether there's a Pakistani embassy in
25 New York?

S.A. F. Azad - Cross / Dinnerstein

1458

1 A Actually, I'm not sure. But I will -- yeah, I know
2 there's one in D.C., yes. I will give you that.

3 Q So, September 14th, you came into the house at some
4 point; right?

5 A I did, yes.

6 Q What was the people's reaction to having all these FBI
7 agents inside their house?

8 A I believe the residents were startled.

9 Q Startled? What does that mean?

10 A Shaken up.

11 Q Was anybody crying?

12 A I don't know.

13 Q Who was inside the house, do you remember?

14 A Of the residents, it was family members, the defendant,
15 his sister, and the parents.

16 Q Did you notice whether the parents spoke English?

17 A I didn't at the time.

18 Q Did you speak to the parents on that day?

19 A No.

20 Q Did you -- did anyone spoke to the parents to tell them
21 what was going on?

22 A Again, I don't know. I went in, spoke to the defendant,
23 came out.

24 Q Did you speak to the father?

25 A I don't recall. I may have. I remember seeing the

S.A. F. Azad - Cross / Dinnerstein

1459

1 father, I don't know if anything was said. I know I was
2 looking for the defendant. I don't think we spent time with
3 the father.

4 Q And when you came into the house, everyone was
5 handcuffed; is that correct?

6 A I don't know about that. I know the defendant was
7 handcuffed.

8 Q And was his father handcuffed?

9 A I don't know. I recall he was sitting down. I don't
10 know.

11 Q Was the, was the defendant, Adis, was he sitting down,
12 also?

13 A Don't think so.

14 Q What was he doing?

15 A I think he was standing upright. I think the search team
16 knew that we would be coming in to speak to him, so they had
17 him upright.

18 Q You mean the agents knew that one of the reasons all this
19 was going on was so that you would have an opportunity to
20 speak to Adis Medunjanin; is that correct?

21 A Yes, that was -- interviewing was part of the plan that
22 was briefed.

23 Q Now, you said Adis Medunjanin went with you voluntarily;
24 correct.

25 A Yes.

S.A. F. Azad - Cross / Dinnerstein

1460

1 Q Now, how did you ask him whether he wished to go outside
2 with you at 3:00 o'clock in the morning?

3 A We, we approached, asked him to be unhandcuffed,
4 introduced ourselves, and asked if we could go talk outside.

5 Q And he could have said either yes or no; is that your
6 testimony, sir?

7 A Yes.

8 Q And he said yes; right?

9 A Yes.

10 Q Did he say anything else, like sure?

11 A I don't recall.

12 Q Do you remember if he expressed during that time when he
13 was in the apartment and there were other family members
14 there, whether he expressed a concern for his other family
15 members?

16 A I don't recall.

17 Q Well, you think it would be natural to be concerned about
18 your family members?

19 MR. LOONAM: Objection.

20 THE COURT: Sustained.

21 Q Now, how long were you in the apartment before Adis
22 voluntarily went outside with you?

23 A I don't know a specific amount of time. Minutes, it
24 would be my guess. Single-digit minutes.

25 Q Now, and you were, of course, with this agent -- excuse

S.A. F. Azad - Cross / Dinnerstein

1461

1 me -- Detective Maysonet; is that correct?

2 A Yes.

3 Q And the two of you went outside at that point; is that
4 correct?

5 A That's -- with the defendant, yes.

6 Q With the defendant.

7 A Right.

8 Q Who, at that point, was unhandcuffed; is that right?

9 A Yes, sir.

10 Q And also, do you know if any of the other family members
11 were asked to leave the apartment?

12 A I do know now, yes.

13 Q You do know now. From hearing the testimony?

14 A No, no. I know that they were all interviewed outside of
15 the apartment for the same reasons.

16 Q And how do you know that now?

17 A As the case agent at the time, I, I've read the 302s,
18 I've spoken to the interviewing agents.

19 Q And that would be the policy, to take all of the people
20 out of the apartment; is that correct?

21 A I don't know if it would be policy.

22 MR. DINNERSTEIN: Your Honor, can I just have a
23 moment? I want some water.

24 THE COURT: Sure.

25 MR. DINNERSTEIN: Thank you.

S.A. F. Azad - Cross / Dinnerstein

1462

1 (Pause in the proceedings.)

2 Q Now, on September 17th -- by the way, sir, had Zazi
3 already been arrested?

4 A I don't think so. I think he was arrested on the 19th.

5 Q I'm sorry?

6 A I believe he was arrested on the 19th.

7 Q Were you, sir, aware that this, the investigation with
8 Zazi, had caused some media attention?

9 A Yes.

10 Q And were you receiving phone calls from the media
11 regarding what was going on in terms of this investigation?

12 A I was not.

13 Q Do you know whether anybody was receiving phone calls?

14 A I can guess that the FBI office was getting phone calls,
15 yes.

16 Q And why would you guess that, sir?

17 A It's typical in an investigation for media to try to get
18 information.

19 Q Especially one of this magnitude; is that correct?

20 A Yes.

21 Q Now, sir, you say that around 3:00 o'clock in the morning
22 you took Mr. Medunjanin outside and you began talking to him;
23 is that correct?

24 A Yes.

25 Q And Maysonet was there also; right?

S.A. F. Azad - Cross / Dinnerstein

1463

1 A Yes.

2 Q And the first thing you did was, you put Mr. Medunjanin
3 in a vehicle; is that correct?

4 A Yes.

5 Q And that would be your vehicle?

6 A No.

7 Q Whose vehicle was it?

8 A Detective Maysonet's.

9 Q And you drove a few blocks; is that correct?

10 A Yes.

11 Q Was it your -- at that time, was it your plan to do this
12 interview on the street?

13 A Yes.

14 Q And why on the street and not in a, in an office?

15 A Just somewhere close.

16 Q Well, did you know whether there were any all-night
17 coffee shops in the general area?

18 A No.

19 Q Would it have been better to have this interview in a
20 place where you could sit down and talk to Mr. Medunjanin
21 face-to-face?

22 MR. LOONAM: Objection.

23 THE COURT: Overruled.

24 A Not in an all-night coffee place with people coming and
25 going. I wouldn't want to do that.

S.A. F. Azad - Cross / Dinnerstein

1464

1 Q And where was your office, the JTTF office?

2 A In Manhattan.

3 Q Is there an office in Queens?

4 A We do have an office in Queens.

5 Q And where is that in relation to, let's say, the
6 Whitestone Expressway?

7 A I, actually, I'm not very familiar with that address. I
8 don't know.

9 Q And there's police precincts around in this general area;
10 is that correct?

11 A Yes.

12 Q And you're well-aware of the fact that police precincts
13 also are places to conduct interviews; is that right?

14 A In some cases, yes.

15 Q You mean, in some cases they don't have places to conduct
16 interviews?

17 A No, but in this case, I mean, we wouldn't take him from
18 his residence and bring him to a police precinct for an
19 interview.

20 Q Because he wasn't under arrest; is that correct?

21 A That's right.

22 Q Could you have taken him to the U.S. Attorney's Office on
23 September 14th in Brooklyn?

24 A I suppose if we had arranged that, yes.

25 Q Well, in other words, you didn't make any arrangements to

S.A. F. Azad - Cross / Dinnerstein

1465

1 interview Mr. Medunjanin, except on a street corner; is that
2 correct?

3 A Well, at this point we'd had no contact with him. We
4 weren't sure if he would even agree to a voluntary interview.

5 Q But he did agree.

6 And at that point, once he agreed, you were hoping
7 to get a good deal of information; isn't that correct?

8 A We were hoping to get a truthful interview, yes.

9 Q And a truthful interview is for him to say he's a suicide
10 bomber; right?

11 A No. A truthful interview would be one where any
12 inconsistencies or things that just generally don't make sense
13 are kind of detailed out.

14 Q Well, he was actually quite compliant with you; isn't
15 that correct?

16 A I'm sorry, I didn't catch that.

17 Q He was quite compliant with you; isn't that correct?

18 A Yes, yes.

19 Q And he was cooperative?

20 A For the most part, yes.

21 Q Well, when you say "for the most part," when wasn't he
22 cooperative?

23 A Certain parts during that interview. Like, when we
24 talked about American politics where he brought up the, we
25 were talking about pending attacks he brought up the part

S.A. F. Azad - Cross / Dinnerstein

1466

1 about we don't want this war.

2 Later on in that same paragraph he kind of crossed
3 his arms. We asked what he was doing. He said he was
4 crossing his arms, as the Prophet Muhammad did, to show
5 strength in front of his enemies.

6 And we said that we're not enemies.

7 He said that he was just showing defiance in front
8 of his interrogators.

9 We said: This is a voluntary interview, we're not
10 interrogating you.

11 Q Now, sir, you were taking notes; is that correct?

12 A Yes.

13 Q Did you take any notes of any of that stuff that you just
14 talked to the jury about?

15 A The interview or that particular piece?

16 Q That particular piece.

17 A No, I, that's not my general practice --

18 Q So --

19 A -- to note body posture.

20 THE COURT: Wait until he's done, please.

21 MR. DINNERSTEIN: You're right, Judge. I'm sorry.

22 THE COURT: Same you with you, please. She is
23 trying to take it all down. Wait until he finishes.

24 THE WITNESS: Sorry.

25 THE COURT REPORTER: Thank you, Your Honor.

S.A. F. Azad - Cross / Dinnerstein

1467

1 Q So, sir, your general practice is you take notes of some
2 things and leave out other things; is that your testimony,
3 sir?

4 A Yes.

5 Q And what do you decide to put in your notes and what do
6 you decide not to put in your notes?

7 A It depends on the situation, it depends on the interview.
8 In this case, something like body posture I knew I would
9 remember later, especially with this description. So, I
10 decided that I didn't need to write it down. Notes are for my
11 reference later on.

12 Q Sir, aren't notes helpful so that you could remember what
13 happened later on?

14 A Yes, they are.

15 Q So, there are things you decide not to put in your notes;
16 is that correct, sir?

17 A Yes.

18 Q Now, for instance, sir, you said on direct examination
19 that one of the things that Mr. Medunjanin told you on
20 September the 14th was that Americans hate Muslims; is that
21 correct?

22 A Yes.

23 Q Did you write that down anywhere?

24 A I don't believe so.

25 Q And did he also say that one of the problems with America

S.A. F. Azad - Cross / Dinnerstein

1468

1 is their support for Israel; is that correct, sir?

2 A I believe it's that America's in the position it's in
3 because of its support for Israel.

4 Q Did you write that down, anywhere?

5 A I don't believe so.

6 Q Now, what you did write down was that he talked about his
7 school; isn't that correct, sir?

8 What are you looking at now, sir?

9 A These are my notes from that interview.

10 Q Okay. And would that be FA-2?

11 A Yes, sir.

12 Q And FA is your name; right?

13 A Those are my initials, yes.

14 Q Yes, I'm sorry.

15 And your notes are about what, three pages?

16 A I believe it's four.

17 MR. DINNERSTEIN: Sir, I'm just going to show you,
18 just so that we're talking about the same thing -- and this is
19 just for the witness, Your Honor.

20 THE COURT: Yes.

21 MR. DINNERSTEIN: FA -- I'm sorry. FA-2.

22 (The above-referred to Exhibit was published to the
23 witness.)

24

25 (Continued on following page.)

Azad - cross/ Dinnerstein

1469

1 BY MR. DINNERSTEIN:

2 Q This what we are talking about, sir, what you are looking
3 at now?

4 A Yes, it is.

5 Q And these notes go on for about three and a half pages;
6 is that correct?

7 A Yes.

8 Q And the first page basically is the name of his mother
9 and father, how he knew Najibullah, right?

10 A The defendant's biographical information, I'd say, some
11 of the travel information, the relatives' names.

12 Q And he told you on that page that he travelled with
13 Najibullah to Pakistan; is that correct?

14 A Yes.

15 Q And you, of course, knew that, right, but you asked him
16 anyway just to see if he would be truthful about that; is that
17 correct, sir?

18 A Yes, that's right.

19 Q And he was truthful, right?

20 A About that piece, yes.

21 Q And he was truthful about travelling and he was truthful
22 about knowing Najibullah and knowing that Najibullah was a
23 friend of his, right, he didn't deny that; is that correct,
24 sir?

25 A No, he did not deny.

Azad - cross/ Dinnerstein

1470

1 Q And at this time on August -- September 14th do you know
2 whether or not Najibullah had already been -- his name had
3 already been placed in the news medium?

4 A I don't know the timeline. I don't know.

5 Q Do you know whether there are any news stories prior to
6 September 14th when you conducted this interview regarding
7 Najibullah Zazi?

8 A I think there were, yes.

9 Q So he was acknowledge -- and the way it was brought up
10 had something to do with a subway bombing, right?

11 A That is not the way it was brought up.

12 Q Well, how was it brought up that Zazi had some
13 involvement.

14 A We didn't bring that up.

15 Q Was there anything in the newspapers that indicated that
16 Najibullah Zazi was either a suspect or possibly involved in
17 criminal activity?

18 A In general I do remember there was, yes. I can't remember
19 specific article or topic.

20 Q And in fact, on September 10th his vehicle was stopped at
21 the George Washington Bridge; is that correct?

22 A Yes.

23 Q And that he then flew back to Colorado on September
24 the 11th, is that correct -- or September the 12th?

25 A Twelfth, I believe, yes.

Azad - cross/ Dinnerstein

1471

1 Q It was your understanding the reason he flew back and
2 didn't participate in a subway bombing was because the FBI was
3 on to Najibullah Zazi; is that correct?

4 A I'm sorry. Could you repeat the first part of that.

5 Q It was your understanding or your belief that the reason
6 Zazi flew back to Colorado was because he believed that the
7 FBI was onto him?

8 A Yes.

9 Q And after that you had a conversation with Mr. Medunjanin
10 where he acknowledged that he and Najibullah Zazi were
11 friends; isn't that correct?

12 A Yes.

13 Q You believed that that was an honest answer, right?

14 A Yes.

15 Q He didn't try to distance himself from Najibullah Zazi at
16 all on September 14th; is that correct?

17 A That's correct.

18 Q Now, you say that you also spoke about religion with him;
19 is that right?

20 A Yes.

21 Q That he seemed knowledgeable about religion; isn't that
22 correct?

23 A Yes.

24 Q And specifically he seemed knowledgeable about the Muslim
25 religion?

Azad - cross/ Dinnerstein

1472

1 A Yes, sir.

2 Q Did you find out whether or not he was able to speak
3 Arabic?

4 A I don't know. I don't recall.

5 Q Do you know now whether or not he speaks Arabic?

6 A It's my understanding that he doesn't speak Arabic as a
7 conversational tool. He can maybe read and recite the Koran.

8 Q And he told you on that day that he had become quite
9 religious; isn't that correct, sir?

10 A Yes.

11 Q And he told you that he had travelled to Mecca and Medina
12 on September 14th; isn't that correct?

13 A He told us on September 14th about his travel, yes.

14 Q And that he had gone there for a Haj; is that correct?

15 A Yes.

16 Q And what exactly is Haj again?

17 A Religious pilgrimage.

18 Q And he also told you that he gave another term other than
19 Haj because he had gone to Mecca and Medina twice, that area
20 twice?

21 A Yes, the other trip is Omra.

22 Q And what does that mean?

23 A It's just a trip to the same place; not during the Haj
24 period.

25 Q And wasn't it so that he could make an effort to get into

Azad - cross/ Dinnerstein

1473

1 the University in Saudi Arabia?

2 A Yes, well -- sorry. Are you asking if he went
3 specifically for that purpose?

4 Q No, not specifically.

5 Did he make efforts to get into a university when
6 went to Saudi Arabia?

7 A Yes.

8 Q What was the university?

9 A Al Medina university.

10 Q And do you know what type of university that is?

11 A I believe it's an Islamic University, Wahhabis.

12 Q And do you know whether or not he was accepted at that
13 university?

14 A He said he was not.

15 Q And did he express a concern that he was not accepted at
16 the university?

17 A He said he was disappointed, yes.

18 Q And did he feel that one of the reasons he wasn't
19 accepted at the university was because he didn't speak the
20 language?

21 A I believe he told us that he wasn't accepted because they
22 only accept a few number of people from the United States each
23 year.

24 Q Now, h also talked about his family; is that correct?

25 A Yes.

Azad - cross/ Dinnerstein

1474

1 Q He talked about his mother?

2 A Yes.

3 Q He talked about his father?

4 A Yes.

5 Q He talked about his sister?

6 A Yes.

7 Q And he talked about being from Bosnia, correct?

8 A Yes.

9 Q And did he talk about the experience he had coming to the
10 United States from Bosnia?

11 A Just the immigration part, yes.

12 Q And what did he say about that?

13 A He said he had moved to the United States with his
14 family. I believe with his mom first, and then his dad came
15 later, or maybe the dad came first and then they came later.
16 I can't remember the order.

17 Q Did he talk about what was going on in Bosnia when he
18 came to the United States?

19 A I remember there was a discussion about the war. I don't
20 remember the timing of when they came and in relation to when
21 the was coming.

22 Q Did he express -- did he tear up or was he sad when he
23 discussed what had happened in Bosnia to him and his family?

24 A Possibly.

25 Q Did he talk about how he had relatives who were actually

1 slaughtered in Bosnia during that period of time?

2 A I believe he told us he had relatives that were killed
3 there. I don't recall slaughter.

4 Q Now, he didn't use the word slaughter. Did he talk about
5 genocide in Bosnia?

6 A I don't remember a talk of genocide. I remember we
7 talked about Bosnia, and the war in general. We may have
8 discussed the genocide.

9 Q You were familiar with the fact there was, in fact, a war
10 in Bosnia, in Europe in the early 90s; is that correct?

11 MR. LOONAM: Objection; relevance.

12 THE COURT: Sustained.

13 Shall we break for the day? Do you have more than
14 five minutes left?

15 MR. DINNERSTEIN: Yes.

16 THE COURT: Okay, we will break for the day.

17 MR. DINNERSTEIN: Okay.

18 THE COURT: Safe home. I have not given the don't
19 tweet, don't blog, don't communicate lecture in a while, have
20 I? I will give it to you now. No tweeting, no blogging, no
21 e-mailing, no nothing. No communicating out. No allowing
22 information in. Remember to respect the fact that you need to
23 be quarantined in the sense that we have discussed over and
24 over again, right? Make your sure you are vigilant about
25 that. Safe home. Have a nice evening.

1 All right. See you tomorrow. Don't discuss the
2 case.

3 (Whereupon, the jury exited)

4 THE COURT: Okay. End of day audit. Where are we?
5 Where are we going?

6 MR. BITKOWER: After this witness we have, I think,
7 three witnesses left. Three witnesses after this one. Two of
8 whom are quite short, one is medium. So I expect we would rest
9 tomorrow morning.

10 THE COURT: Okay.

11 MR. BITKOWER: Prior to lunch, I would hope.

12 THE COURT: So have your case ready in the morning.

13 MR. GOTTLIEB: We will be ready to proceed. I think
14 that might be a little optimistic in finishing this witness
15 and the other witnesses by the morning, but we will be ready
16 to proceed tomorrow morning, Your Honor, but I do have a
17 request.

18 THE COURT: Yes.

19 MR. GOTTLIEB: I thought I would raise it now
20 because, obviously, we are coming to the end. It looks like
21 we should be able to do everything we have to do this week.
22 Just for our own planning, because anticipating that whether
23 it is tomorrow or even the first thing Thursday. The charge
24 conference in this case, it is going to raise certain issues.
25 We are working on those issues now. We were hoping if there's

1 some way that you could see your way clear to allowing us to
2 sum up, perhaps, on Friday, so that we do whatever we have to
3 do tomorrow, and have the charge conference on Thursday, and
4 deal with any other issues, and give us that few additional
5 hours between the end of all of that and summation, if we
6 could plan on summation on Friday.

7 MR. BITKOWER: We are ready to sum up tomorrow,
8 Thursday, whenever Your Honor feels appropriate.

9 THE COURT: Friday is a terrible option for me
10 because I have so much on my calendar. It will inconvenience
11 a lot of people. So is it really a matter of Thursday or
12 Monday, and my inclination would be to go Thursday but would
13 you rather do a Monday?

14 MR. GOTTLIEB: The answer is unequivocally, and only
15 for an absolute personal reason. The timing of this trial has
16 been -- I am actually moving here in the city from one place
17 to another. So during the entire trial my wife has packed up
18 the entire contents of our apartment and we are moving Friday
19 morning. The guys are showing up Friday at 8 a.m.

20 THE COURT: That sounds like a reason to be here not
21 --

22 MS. CARVLIN: Only if you want to stay married.

23 MR. GOTTLIEB: I did inform my wife that I actually
24 did have to be here but if you could actually give us Friday
25 off, wow, that would be unbelievable.

1 MR. BITKOWER: Your Honor, we would strongly oppose
2 summing up on Monday. The jury has case. They've got the
3 testimony recent in their minds. If we were to take off
4 effectively four days, four and a half days, I think that
5 would be less than optimal to get the jury to decide this
6 case. In addition, we have told the jurors they will be done
7 by a week from Friday and it is much safer, it seems to me, to
8 close on Thursday then to start the closings on Monday and
9 give the case to the jury probably on Tuesday. I think if the
10 charge conference -- we are ready to have the charge
11 conference now, this evening, tomorrow, tomorrow evening,
12 whatever works. If Your Honor doesn't want to sit on Friday,
13 we would strongly prefer closing on Thursday.

14 THE COURT: Well, we are conflating two issues,
15 which is when we sum up and whether we sit Friday.

16 Ilene told me that there are a couple of jurors who
17 have suggested a problem for Friday. So with the confluence of
18 that and my really busy Friday calendar and the issue you
19 referenced, Mr. Gottlieb, suggests maybe we ought to consider
20 not working on Friday, but that doesn't necessarily put out
21 Thursday -- put Thursday out of commission for purposes of
22 summation.

23 I'm a little surprised to hear there's going to be
24 lot of issues on the charge conference. What do you do
25 anticipate?

1 MR. GOTTLIEB: I don't mean -- there may not even be
2 contentious issues. I just know that we have already been
3 meeting and will be meeting tonight and tomorrow. I just know
4 there are a number of issues that we do want to raise with
5 regard to defining the law.

6 THE COURT: I will have a draft for you probably
7 tomorrow morning. So is I don't mean to suggest stop working.
8 If you have got suggestions, you will be able to make them but
9 I'll what I consider to be a workable draft tomorrow. When
10 you rest give you some time to look at it. I am not a big
11 believer in unnecessary language in a charge. I like the jury
12 to be awake at the end of the charge, as well as at the
13 beginning. The shorter the better. So why don't we see where
14 we are. If we can reasonably accomplish both sides resting,
15 whatever post evidence motions you make in a charge
16 conference, then one day ought to be enough to get all the
17 summations in. You can come back on Monday and charge them and
18 they can deliberate. What thinks ye of that proposal?

19 MR. GOTTLIEB: However, it works out, Your Honor,
20 I'll be here. I've told you, I've told the government, I
21 understand the importance of this and I take it seriously, so
22 if you think that's what we should do, then that's what we are
23 going to do, but if there was some way around it, then it
24 would be appreciated. What I do know is that I think both
25 sides, the government as well as the defense in this case, has

1 worked very hard and even perhaps even more cooperatively than
2 we originally thought initially. If it can work out, great,
3 and if not, we will do whatever you want to do.

4 THE COURT: Fine. But you're confusing me a little
5 bit. I thought the problem was sitting Friday. Is there a
6 separate problem with summing up Thursday?

7 MR. GOTTLIEB: No, my only concern in summing up
8 Thursday is I don't think we are going to -- there will be
9 some time tomorrow afternoon that I think we will ultimately
10 both rest, and I think that we certainly will have a lot of
11 work to do tonight. We are working on the issues of the
12 charge. It would just allow us to give the charge, especially
13 if we are going to receive it from Your Honor tomorrow, if we
14 could do that on Thursday -- the charge conference on
15 Thursday, it would be -- I feel more comfortable as defense
16 attorney having tomorrow night, Thursday, to work on the
17 issues of the charge, and then if we could sum up on Monday,
18 that would be our preference.

19 THE COURT: All right. I can't remember the last
20 charge I had that lasted more than 20 minutes. Maybe that's
21 why we are passing in the night a little bit. Let's see where
22 we are at the end of the day tomorrow.

23 MR. GOTTLIEB: Okay.

24 THE COURT: Good.

25 MR. DINNERSTEIN: Just one other thing. We are going

1 to have a Bosnian interpreter here. I am not sure that those
2 witnesses are not -- are going to testify before the
3 afternoon. So we will have to ask the interpreter to be here
4 for a whole day or half a day. So I wonder if he can show up
5 at two o'clock.

6 THE COURT: How much more cross do you have?

7 MR. DINNERSTEIN: Probably another hour.

8 THE COURT: And then?

9 MR. BITKOWER: If that's the case we will be on the
10 defense case in the morning, Your Honor.

11 MR. DINNERSTEIN: All right.

12 MS. CARVLIN: We may have a conflict with the
13 interpreter. He is the person we have been using, it would be
14 our preference, apparently has a conflict tomorrow morning. I
15 think he's not available first thing in the morning. He is
16 available in the afternoon. So we are about an hour but we
17 will know better exactly when he is available.

18 THE COURT: Do you want a subpoena? I could give
19 you one.

20 MS. CARVLIN: I am sure the Family Court where he is
21 tomorrow -- he has a conflict with another court tomorrow.

22 THE COURT: I don't want dead time.

23 MS. CARVLIN: I understand.

24 THE COURT: So be ready to go.

25 MS. CARVLIN: We will do our best.
